Ecotourism Impacts on Indigenous Peoples Wayne A. Babchuk, Robert K. Hitchcock, 2024-11-30 Ecotourism defined as responsible travel to natural areas that conserves the environment and improves the well being of local people has become one of the fastest growing industries in the world The impacts of ecotourism on people in virtually every part of the planet are particularly true for Indigenous people Indigenous people are found in over half of the world's countries and their cultures customs traditions identities and natural resource management systems are of great interest to scientists tourists and travelers Many Indigenous peoples reside in conservation hotspots and places with high biological biodiversity As shown in this book ecotourism has both promises and pitfalls for Indigenous peoples who seek to enhance their livelihoods while conserving the habitats in which they reside and the sacredness of their traditions Drawing on cases from South America North America Africa and Asia Ecotourism Impacts on Indigenous Peoples examines the social economic political and environmental impacts of ecotourism A common plea of Indigenous people is that they have greater control over incoming ecotourists and receive more equitable social economic and cultural benefits from what they recognize as a highly complex industry with significant environmental economic and political effects

**The 1930s: A Decade of Modern British Fiction** Nick Hubble, Luke Seaber, Elinor Taylor, 2021-01-14 With austerity biting hard and fascism on the march at home and abroad the Britain of the 1930s grappled with many problems familiar to us today Moving beyond the traditional focus on the Auden

generation this book surveys the literature of the period in all its diversity from working class women queer and postcolonial writers to popular crime and thriller novels In this way the book explores the uneven processes of modernization and cultural democratization that characterized the decade A major critical re evaluation of the decade the book covers such writers as Eric Ambler Mulk Raj Anand Katharine Burdekin Agatha Christie Lewis Grassie Gibbon Christopher Isherwood Storm Jameson Ethel Mannin Naomi Mitchison George Orwell Christina Stead Evelyn Waugh and many others

*The Design of Implicit Interactions* Wendy Ju, 2015-03-01 People rely on implicit interaction in their everyday interactions with one another to exchange queries offers responses and feedback without explicit communication A look with the eyes a wave of the hand the lift of the door handle small moves can do a lot to enable joint action with elegance and economy This work puts forward a theory that these implicit patterns of interaction with one another drive our expectations of how we should interact with devices I introduce the Implicit Interaction Framework as a tool to map out interaction trajectories and we use these trajectories to better understand the interactions transpiring around us By analyzing everyday implicit interactions for patterns and tactics designers of interactive devices can better understand how to design interactions that work or to remedy interactions that fail This book looks at the smart automatic and interactive devices that increasingly permeate our everyday lives doors switches whiteboards and provides a close reading of how we interact with them These vignettes add to the growing body of research targeted at teasing out the factors at play in our interactions I take a look at current research which indicates that our reactions to interactions are social even if the entities we are interacting with are not human These research insights are applied to allow us to refine and improve interactive devices so that they work better in the context of our day to day lives Finally this book looks to the future and outlines considerations that need to be taken into account in prototyping and validating devices that employ implicit interaction
