Renaissance Florence Patricia Lee Rubin, Alison Wright, Nicholas Penny, National Gallery (Great Britain), 1999 Images and Identity in Fifteenth-century Florence Patricia Lee Rubin, 2007-01-01 An exploration of ways of looking in Renaissance Florence where works of art were part of a complex process of social exchange Renaissance Florence of endless fascination for the beauty of its art and architecture is no less intriguing for its dynamic political economic and social life In this book Patricia Lee Rubin crosses the boundaries of all these areas to arrive at an original and comprehensive view of the place of images in Florentine society The author asks an array of questions Why were works of art made Who were the artists who made them and who commissioned them How did they look and how were they looked at She demonstrates that the answers to such questions illuminate the contexts in which works of art were created and how they were valued and viewed Rubin seeks out the meeting places of meaning in churches in palaces in piazzas places of exchange where identities were taken on and transformed often with the mediation of images She concentrates on questions of vision and visibility on seeing and being seen With a blend of exceptional illustrations close analyses of sacred and secular paintings by artists including Fra Angelico Fra Filippo Lippi Filippino Lippi and Botticelli and wide ranging bibliographic essays the book shines new light on fifteenth century Florence a special place that made beauty one of its defining features

Lorenzo de' Medici and the Art of Magnificence F. W. Kent, 2007-02-01 In the past half century scholars have downplayed the significance of Lorenzo de Medici 1449 1492 called the Magnificent as a patron of the arts Less wealthy than his grandfather Cosimo the argument goes Lorenzo was far more interested in collecting ancient objects of art than in commissioning contemporary art or architecture His earlier reputation as a patron was said to be largely a construct of humanist exaggeration and partisan deference Although some recent studies have taken issue with this view no synthesis of Lorenzo as art patron and art lover has yet emerged In *Lorenzo de Medici and the Art of Magnificence* historian F W Kent offers a new look at Lorenzo's relationship to

the arts aesthetics collecting and building especially in the context of his role as the political boss maestro della bottega of republican Florence and a leading player in Renaissance Italian diplomacy As a result of this approach which pays careful attention to the events of his short but dramatic life a radically new chronology of Lorenzo s activities as an art patron emerges revealing them to have been more extensive and creative than previously thought Kent s Lorenzo was broadly interested in the arts and supported efforts to beautify Florence and the many Medici lands and palaces His expertise was well regarded by guildsmen and artists who often turned to him for advice as well as for patronage Lorenzo himself was educated in the arts by such men and Kent explores his aesthetic education and taste taking into account what is known of Lorenzo s patronage of music and manuscripts and of his own creative work as a major Quattrocento poet Richly illustrated with photographs of Medici landmarks by Ralph Lieberman Lorenzo de Medici and the Art of Magnificence offers a masterful portrait of Lorenzo as a man whose achievements might have rivaled his grandfather s had he not died so young

Renaissance Florence ,1983 **The Renaissance Palace in Florence** JamesR. Lindow,2017-07-05 This book provides a reassessment of the theory of magnificence in light of the related social virtue of splendour Author James Lindow highlights how magnificence when applied to private palaces extended beyond the exterior to include the interior as a series of splendid spaces where virtuous expenditure could and should be displayed Examining the fifteenth century Florentine palazzo from a new perspective Lindow s groundbreaking study considers these buildings comprehensively as complete entities from the exterior through to the interior This book highlights the ways in which classical theory and Renaissance practice intersected in quattrocento Florence Using unpublished inventories private documents and surviving domestic objects The Renaissance Palace in Florence offers a more nuanced understanding of the early modern urban palace

Italian Renaissance Art Laurie Schneider Adams,2018-05-04 The chronology of the Italian Renaissance its character and context have long been a topic of discussion among scholars Some date its beginnings to the fourteenth century work of Giotto others to the generation of Masaccio Brunelleschi and Donatello that flourished from around 1400 The close of the Renaissance has also proved elusive Mannerism for example is variously considered to be an independent but subsidiary late aspect of Renaissance style or a distinct style in its own right **Art in Renaissance Italy** John T. Paoletti,Gary M. Radke,2005 Art in Renaissance Italy sets the art of that time in its context exploring why it was created and in particular looking at who commissioned the palaces and cathedrals the paintings and the sculptures **Florence** Richard J. Goy,2015-08-11 Each year millions of visitors travel to Florence to admire the architectural marvels of this famous Renaissance city In this compact yet comprehensive volume architect and architectural historian Richard J Goy offers a convenient accessible guide to the city s piazzas palazzos basilicas and other architectural points of interest as well as pertinent historical details regarding Florence s unique urban environment Clearly laid out and fully illustrated this handbook is designed around a series of expertly planned walking tours that encompass not only the city s most admired

architectural sites but also its lesser known gems Maps are tailored to each walking tour and provide additional references and insights along with introductory chapters on the city's architectural history urban design and building materials and techniques Featuring a complete bibliography glossary of key terms and other useful reference materials Goy's guide will appeal both to travelers who desire a greater architectural context and analysis than that offered by a traditional guide and to return visitors looking to rediscover Florence's most enchanting sites

Renaissance Siena A. Lawrence Jenkins, 2005-08-01 The art of Renaissance Siena is usually viewed in the light of developments and accomplishments achieved elsewhere but Sienese artists were part of a dynamic dialogue that was shaped by their city's internal political turmoil diplomatic relationships with its neighbors internal social hierarchies and struggle for self definition These essays lead scholars in a new and exciting direction in the study of the art of Renaissance Siena exploring the cultural dynamics of the city and its art in a specifically Sienese context This volume shapes a new understanding of Sienese culture in the early modern period and defines the questions scholars will continue to ask for years to come What emerges is a picture of Renaissance Siena as a city focused on meeting the challenges of the time while formulating changes to shape its future Central to these changes are the city's efforts to fashion a civic identity through the visual arts

Love and Marriage in Renaissance Florence Caroline Campbell, 2009 Love and Marriage in Renaissance Florence explores an important but historically neglected art form Cassoni are pairs of chests that were lavishly decorated with precious metals and elaborate paintings and were often the most expensive of a whole suite of decorative objects commissioned to celebrate marriage alliances between powerful families in Renaissance Florence Cassoni were displayed in the husband's chamber and were used to store precious clothes and textiles The painted panels set into them told tales and history from ancient Greece Rome and Palestine as well as from Florentine literature and more recent history These pictorial narratives were intended to entertain as well as to instruct the household and its visitors This book reflects the extensive iconographic range of cassone painting Its focus however is around a pair of chests ordered in 1472 by the Florentine Lorenzo Morelli to celebrate his marriage with Vaggia Nerli These are the only pair of cassoni to be still displayed with their painted backboards spalliere The unusual survival of both the chests and their commissioning documents enables a full examination of this remarkable art form Caroline Campbell is Schroder Foundation Curator of Paintings at the Courtauld Gallery London

Lorenzo De' Medici at Home Richard Stapleford, 2013 An inventory of the private possessions of Lorenzo il Magnifico de' Medici head of the ruling Medici family during the apogee of the Florentine Renaissance Provided by publisher

Magnifico Miles J. Unger, 2008-05-06 A vividly colorful portrait of one of the greatest and most fascinating figures of the Renaissance Lorenzo de' Medici focusing on his role as a brilliant sometimes ruthless statesman who was responsible for the artistic flowering of Florence the city where the Renaissance first blossomed Lorenzo de' Medici a leading statesman the uncrowned ruler of Florence during its golden age a true Renaissance man known to history as Il Magnifico the Magnificent Lorenzo was not

only the foremost patron of his day but also a renowned poet equally adept at composing philosophical verses and obscene rhymes to be sung at Carnival He befriended the greatest artists and writers of the time Leonardo Botticelli Poliziano and especially Michelangelo whom he discovered as a young boy and invited to live at his palace and in the process turned Florence into the cultural capital of Europe Though Lorenzo s grandfather Cosimo had converted the vast wealth of the family bank into political power Lorenzo s position was precarious Bitter rivalries among the leading Florentine families and competition among the squabbling Italian states meant that Lorenzo s life was under constant threat Those who plotted his death included a pope a king and a duke but Lorenzo used his legendary charm and diplomatic skill as well as occasional acts of violence to navigate the murderous labyrinth of Italian politics Florence in the age of Lorenzo was a city of contrasts of unparalleled artistic brilliance and unimaginable squalor in the city s crowded tenements of both pagan excess and the fire and brimstone sermons of the Dominican preacher Savonarola Florence gave birth to both the otherworldly perfection of Botticelli s Primavera and the gritty realism of Machiavelli s The Prince Nowhere was this world of contrasts more perfectly embodied than in the life and character of the man who ruled this most fascinating city The Ashgate Research

Companion to Giorgio Vasari David J. Cast,2016-04-01 The Ashgate Research Companion to Giorgio Vasari brings together the world s foremost experts on Vasari as well as up and coming scholars to provide at the 500th anniversary of his birth a comprehensive assessment of the current state of scholarship on this important and still controversial artist and writer The contributors examine the life and work of Vasari as an artist architect courtier academician and as a biographer of artists They also explore his legacy including an analysis of the reception of his work over the last five centuries Among the topics specifically addressed here are an assessment of the current controversy as to how much of Vasari s Lives was actually written by Vasari and explorations of Vasari s relationships with as well as reports about contemporaries including Cellini Michelangelo and Giotto among less familiar names The geographic scope takes in not only Florence the city traditionally privileged in Italian Renaissance art history but also less commonly studied geographical venues such as Siena and Venice

Leonardo Da Vinci Charles Nicholl,2005-04-07 Leonardo is the greatest most multi faceted and most mysterious of all Renaissance artists but extraordinarily considering his enormous reputation this is the first full length biography in English for several decades Prize winning author Charles Nicholl has immersed himself for five years in all the manuscripts paintings and artefacts to produce an intimate portrait of Leonardo He uses these contemporary materials his notebooks and sketchbooks eye witnesses and early biographies etc as a way into the mental tone and physical texture of his life and has made myriad small discoveries about him and his work and his circle of associates Among much else the book identifies what Nicholl argues is an unknown portrait of the artist hanging in a church near Lodi in northern Italy It also contains new material on his eccentric assistant Tomasso Masini on his homosexual affairs in Florence and on his curious relationship with a female model and or prostitute from Cremona A masterpiece of modern biography **1478, a Year in Leonardo da**

Vinci's Career Edoardo Villata, 2021-03-01 1478 was the year in which Leonardo da Vinci aged 26 obtained his first official commission and witnessed the Pazzi Conspiracy against the Medici family In that year he probably opened his independent workshop leaving that of his master Andrea del Verrocchio and in its final months he began to paint two paintings representing the Virgin Mary One of these paintings is very likely the Benois Madonna at the State Hermitage St Petersburg a work that marks a strong change in Leonardo's style and power of expression and his representation of light and human emotions This book provides an in depth analysis of Leonardo's growth as an artist in this year detailing his training his culture his collaboration with Verrocchio and his engagement in the artistic and cultural life of 1460s and 1470s Florence

Piero Di Cosimo Dennis Geronimus, 2006-01-01 Inverting rules with obvious relish Florentine artist Piero di Cosimo 1462-1522 is known today as he was in his own time for his highly personal visual language one capable of generating images of the most mesmerizing oddity In this book Dennis Geronimus overcomes the scarcity of information about the artist's life and works only one of the nearly sixty known works by Piero is actually signed and dated and pieces together from extensive archival research the most complete and accurate account of Piero's life and career ever written Unfettered imagination was the sign under which Piero exercised his pictorial invention and yet the complicated artist was also a product of his culture The book fills gaps in the artist's biography and provides intensive analysis of Piero's protean imagery discusses his various patrons and commissions and lists his extant lost and uncertainly attributed works *The Materiality of Terracotta Sculpture in Early Modern Europe* Zuzanna Sarnecka, Agnieszka Dziki, 2023-07-31 Through meticulously researched case studies this book explores the materiality of terracotta sculpture in early modern Europe Chapters present a broad geographical perspective showcasing examples of modelling firing painting and gilding of clay in Portugal Spain Italy Germany and the Netherlands The volume considers known artworks by celebrated artists such as Luca della Robbia Andrea del Verrocchio Filipe Hodart or Hans Reichle in parallel with several lesser studied terracotta sculptures and tin glazed earthenware made by anonymous artisans This book challenges arbitrary distinctions into the fine art and the applied arts that obscured the image of artistic production in the early modern world The centrality of clay in the creative processes of artists working with two and three dimensional artefacts comes to the fore The role of terracotta figures in religious practices as well as processes of material substitutions or mimesis confirm the medium's significance for European visual and material culture in general This book will be of interest to scholars working in art history Renaissance studies and material culture

Classical Myths in Italian Renaissance Painting Luba Freedman, 2011-06-30 The book is about a new development in Italian Renaissance art its aim is to show how artists and humanists came together to effect this revolution it is important because this is a long ignored but crucial aspect of the Italian Renaissance showing us why the masterpieces we take for granted are the way they are and there is no competitor in the field The book sheds light on some of the world's greatest masterpieces of art including Botticelli's Venus Leonardo's Leda Raphael's Galatea and Titian's Bacchus

and Ariadne Provided by publisher *Earth and Fire* Peta Motture, 2001-01-01

Renaissance Florence The Art Of The 1470s Introduction

In today's digital age, the availability of Renaissance Florence The Art Of The 1470s books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Renaissance Florence The Art Of The 1470s books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Renaissance Florence The Art Of The 1470s books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Renaissance Florence The Art Of The 1470s versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Renaissance Florence The Art Of The 1470s books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Renaissance Florence The Art Of The 1470s books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Renaissance Florence The Art Of The 1470s books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Renaissance Florence The Art Of The 1470s books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Renaissance Florence The Art Of The 1470s books and manuals for download and embark on your journey of knowledge?

FAQs About Renaissance Florence The Art Of The 1470s Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Renaissance Florence The Art Of The 1470s is one of the best book in our library for free trial. We provide copy of Renaissance Florence The Art Of The 1470s in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Renaissance Florence The Art Of The 1470s. Where to download Renaissance Florence The Art Of The 1470s online for free? Are you looking for Renaissance Florence The Art Of The 1470s PDF? This is definitely going to save you time and cash in something you should think about.
