Santas Great Reindeer Chase:

Santa's Great Reindeer Chase Vincent Bourgeau, 2004 It's Christmas Eve and two of Santa's reindeer are missing. It's up to young readers to help Santa find them. Lift the flaps and move the included Santa doll from scene to scene through hidden slots. Sure to be a Christmas favorite. **Santa's Puppy** Catherine Hapka, Cathy Hapka, 2019 When eight-year-old Chris discovers a fluffy white puppy wedged inside his family's chimney on Christmas morning, he knows exactly how it got there because the dog tells him. It turns out Peppermint Bark stowed away in Santa's sleigh, got left behind accidentally, and he can talk. Now Chris must convince his too-cool big sister Holly and her best friend Ivy that this is Santa's puppy. Chris seems to be the only one who understands what the dog is saying, but Peppermint Bark needs all of their help. If they don't find a portal back to the North Pole before Christmas Day ends, the little dog will be stuck in Poinsettia until next year. Do the kids have enough Christmas spirit to work together and help the jolly little dog jingle all the way home. *The British National*

Bibliography Arthur James Wells, 2006 *Don't Kill Santa!* Donald Davis, 2006 The author draws on his southern roots and the storytelling tradition to present a humorous collection of tales about celebrating the Christmas season as a child. **Son in the Sky** Libby Layfield, 2012-11 As Johnny prepares to play another set at the House of Blue Lights, he plugs in his amp and tunes his guitar, and then he sees her. Tall, blonde, and sexy, the mystery woman turns heads as she walks in and finds a seat at the bar. Right then and there, Johnny decides he will do whatever it takes to make her his. He saunters over to the bar and strikes up a conversation with Allison Miller, quickly realizing she is one of a kind: smart, gorgeous, and quick-witted. Allison is everything he has ever wanted in a woman, and more. Despite recently enduring a bad breakup and swearing off men forever, Allison agrees to go out for coffee with Johnny, igniting a passionate relationship that leaves them inseparable. Madly in love and immune to the rest of the world, Fate makes a surprise appearance several months later in the form of a pregnancy, and the couple decides to get married. In this compelling tale, two unsuspecting young lovers have no idea that an unspeakable tragedy is about to strike, rending the delicate fabric of their family and causing an upheaval that may tear them apart forever. **The Publishers Weekly**, 1926 **Santa's Best Friend, Rován** Sandra Mackey, Richard Mackey, 2009-08 Santa's Best Friend Rován is an extraordinary tale of loss, love, rejection, and heroism from the affection and loyalty of Rován, the Italian sheep dog. Although little is known about him, Rován is a true hero up at the North Pole. Learn about how this brave dog meets Santa and becomes an integral part of the Claus household. Find out about the love that develops between Santa and Rován and how misunderstandings and assumptions nearly cause their permanent separation from one another. Applaud when Rován is able to prove his worth and his ability to adapt through his unselfish devotion and courage. Children who listen to or read this story will not only get a glimpse into Santa Claus's life during the off-season but will also learn a lesson about the inherent dangers of prejudging and stereotyping others who are different from them. This is a must-read for all children and will surely expand their joy and understanding of what Santa Claus brings to the Christmas season. **How**

drones this book is for you **Santa Claus** Letlhokwa George Mpedi, 2020-11-30 The origins of Santa Claus or so I am told is that the young Bishop Nicholas secretly delivered three bags of gold as dowries for three young girls to their indebted father to save them from a life of prostitution Armed with immortality a factory of elves and a fleet of reindeer his has been a lasting legacy inextricably linked to Christmas Of course this Christmas looks a little different Amidst a global pandemic shimmying down the chimneys of strangers certainly does not adhere to social distancing guidelines Some borders remain closed and in some instances the quarantine period is far too long After all he only has 24 hours to spread cheer across the world As with the rest of us Santa Claus is likely to get the remote working treatment The reindeers this year are likely to be self driving reminiscent of an Amazon swarm of technology and the naughty and nice lists are likely to be based on algorithms derived from social media accounts In the age of the fourth industrial revolution it is difficult to imagine that letters suffice anymore How many posts were verified as real before shared Enough to get you a drone Fake news Here is a lump of coal Will we see elves in personal protective equipment PPE and will Santa Claus high risk because of age and his likely comorbidities from the copious amount of cookies have to self isolate in the North Pole In fact will there be any toys at all this year Surely production has been stalled with the restrictions on imports and exports into the North Pole Perhaps there is a view to outsourcing or perhaps there is a shift towards local production and supply chains More importantly as we have done in many instances in this period maybe we should pause to reflect on the current structures in place The sanctification of a figure so clearly dismissive of the Global South and to be critical quite classist must be called into question From some of the keenest minds the contributions in this book make a strong case against this holly jolly man We traverse important topics such as is the constitution too lenient with a clear intruder who has conveniently branded himself a Good Samaritan Allegations of child labour under the guise of elves blatant animal cruelty constant surveillance in stark contrast to many democratic ideals and his possible threat to national security come to the fore Nevertheless as the song goes he is aware when you are asleep and he knows when you are awake Is feminism a farce to this beloved man what role does Mrs Claus play and why are there inherent gender norms in his toys Then is the worry of closed borders and just how accurate his COVID 19 tests are Of course this brings his ethics into question While there is an agreement that transparency justice and fairness nonmaleficence responsibility and privacy are the core ethical principles the meaning of these principles differs particularly across countries and cultures Why are we subject to Santa Claus notions of good and evil when he is so far removed from our context As Richard Thaler and Cass Sunstein would tell you this is fundamentally a nudge from Santa Claus for children to fit into his ideals A nudge coined by Thaler is a choice that predictably changes people's behaviour without forbidding any options or substantially changing their economic incentives Even with pinched cheeks and an air of holiday cheer Santa Claus has to come under scrutiny In the process of decolonising knowledge and looking at various epistemologies does Santa still make the cut **The Christmas Encyclopedia, 4th ed.** William D.
