**Against The Odds** Vern Watson, 2024-08-14 A number of years ago in 2017 my wife Denise and I celebrated our fiftieth wedding anniversary Unlike many folks we didn't go to Hawaii or on a European trip or anything like that For one reason we couldn't make plans well in advance Though it was a milestone that few make in life we had family obligations that for us outweighed our celebration Denise's mother was ill and my mother was already in hospice care We had no way of knowing how long that was going to last so we just lived our lives a day at a time as we always have They were both among the most important people on this earth to us along with our children We couldn't make plans to leave them behind and celebrate and so we didn't Then a little more than two weeks before our fiftieth wedding anniversary my mother passed and our kids began to encourage us to go somewhere special We gave it thought and Denise's family reunion was going to be right at the time we would be gone on

our excursion if we left for our anniversary So we waited until the day of the family reunion of my wife Denise before deciding where we were going with no reservations made With I believe inspiration from above we made our plan and left the day after Denise s family reunion We were going to return to all the sights where we lived worked learned and grew together over the years of our marriage Our children helped us make reservations while we were still at the family reunion We were headed for Greenville South Carolina to go back to the courthouse where we were married fifty years ago to see where we started and where the journey had begun After arriving that night we stayed just above the South Carolina line in North Carolina The next morning we headed for Greenville and then we went on down to Clemson University in Clemson South Carolina and watched the total eclipse of the sun It was an amazing sight to see and so fitting for our journey together That was August 21 2017 When we returned home I wanted to go back to where I had grown up as a child and we went to a church on Fourteenth Street in Detroit for the services there When we left the parking lot that day I came up to the traffic light and looked across the street and in the distance I saw Michigan Central Station It was where I started this journey when I arrived in the state of Michigan when I was five years old and homeless I decided as I looked at that site this is my life and this will be my book It is an amazing story and must be told It is against the odds     The Complete Works of Sara Agnes Rice Pryor (Illustrated Edition) Sara Agnes Rice Pryor,2023-12-16 The Complete Works of Sara Agnes Rice Pryor Illustrated Edition presents a curated collection of Pryor s diverse literary contributions weaving together a rich tapestry of themes such as identity society and the complexities of the human experience This collection is marked by Pryor s eloquent prose and a keen eye for detail capturing the cultural nuances of the American South during the late 19th century Pryor s work falls within the context of post Civil War literature reflecting the shifting landscapes of social norms gender roles and regional pride all of which resonate profoundly in her narratives making this compilation not just a literary endeavor but a historical document as well Sara Agnes Rice Pryor was a prominent figure in the American literary scene deeply influenced by her Southern upbringing and the tumultuous period in which she lived Having experienced both the privileges and limitations of her society as a woman she deftly navigated through the societal challenges of her time Pryor s work often mirrors her experiences with personal struggle resilience and an unwavering commitment to articulate the voices often overlooked in history For readers seeking a nuanced exploration of historical and cultural themes through the lens of a skilled Southern writer this illustrated edition serves as an essential addition to any literary collection Pryor s insightful observations and vivid storytelling invite readers to engage with the past while drawing parallels to contemporary society making The Complete Works a compelling read for both literary enthusiasts and history buffs alike     **Black Outlaws** Carlyle Van Thompson,2010 In this provocative and original exploration of Black males and the legal establishment Carlyle Van Thompson illuminates the critical issues defining Black male subjectivity Since the days of Black people s enslavement and the days of Jim Crow segregation Black males have been at odds with the legal and extra legal restrictions that would maintain white supremacy

and white male privilege Grounded in the voices of Frederick Douglass and David Walker who challenged hegemonic systems designed to socio economically disenfranchise Black people Black Outlaws examines legal aspects with regard to Black males during the period of segregation By critically looking at Richard Wright s The Outsider Chester Bomar Himes The Third Generation Walter Mosley s Devil in a Blue Dress and Ernest J Gaines A Lesson Before Dying all of which examine Black males during the Jim Crow period Thompson investigates the challenges that Black males confront and surmount in their journeys to establish their individual and collective agency Black Outlaws helps decipher critical legal and racial issues in the works of four of the most important Black male writers and is suitable for readers in literary studies cultural studies and history
