the globe Fashion and clothing are part of material and visual culture cultural memory and heritage they contribute to shaping the way people see themselves interact and consume For each of the volume s eight parts scholars from across the world and a variety of disciplines offer analytical tools for further research Never neglecting the interconnectedness of disciplines and domains these original contributions survey specific topics and critically discuss the leading views in their areas They include discursive and reflective pieces as well as discussions of original empirical work and contributors include established leaders in the field rising stars and new voices including practioner and industry voices This is a comprehensive overview of the field ideal not only for undergraduate and postgraduate fashion studies students but also for researchers and students in communication studies the humanities gender and critical race studies social sciences and fashion design and business

The Costume Technician's Handbook Rosemary Ingham,Liz Covey,2024-03-11 Since its first publication in 1980 The Costume Technician s Handbook has established itself as an indispensable resource in classrooms and costume shops Ingham and Covey draw on decades of hands on experience to provide the most complete guide to developing costumes that are personally distinctive and artistically expressive No other book covers the same breadth of necessary topics for every aspect of costuming from the basics of setting up a costume shop to managing one and everything in between

The Berg Companion to Fashion Valerie Steele,2015-08-01 An essential reference for students curators and scholars of fashion cultural studies and the expanding range of disciplines that see fashion as imbued with meaning far beyond the material Over 300 in depth entries covering designers articles of clothing key concepts and styles Edited and introduced by Valerie Steele a scholar who has revolutionized the study of fashion and who has been described by The Washington Post as one of fashion s brainiest women Derided by some as frivolous even dangerous and celebrated by others as art fashion is anything but a neutral topic Behind the hype and the glamour is an industry that affects all cultures of the world A potent force in the global economy fashion is also highly influential in everyday lives even amongst those who may feel impervious This handy volume is a one stop reference for anyone interested in fashion its meaning history and theory From Avedon to Codpiece Dandyism to the G String Japanese Fashion to Subcultures Trickle down to Zoot Suit The Berg Companion to Fashion provides a comprehensive overview of this most fascinating of topics and will serve as the benchmark guide to the subject for many years to come

The Migrants Table Krishnendu Ray,2004-09-16 To most of us the food that we associate with home our national and familial homes is an essential part of our cultural heritage No matter how open we become to other cuisines we regard home cooking as an intrinsic part of who we are In this book Krishnendu Ray examines the changing food habits of Bengali immigrants to the United States as they deal with the tension between their nostalgia for home and their desire to escape from its confinements As Ray says This is a story about rice and water and the violations of geography by history Focusing on mundane matters of immigrant life for example what to eat for breakfast in America he connects food choices to issues of globalization and modernization By showing how Bengali immigrants decide what defines their ethnic cuisine and

differentiates it from American food he reminds us that such boundaries are uncertain for all newcomers By drawing on literary sources family menus and recipes for traditional dishes interviews with Bengali household members and his own experience as an immigrant Ray presents a vivid picture of immigrants grappling with the grave and immediate problem of defining themselves in their home away from home *Encyclopedia of Asian American Folklore and Folklife* Jonathan H. X. Lee, Kathleen Nadeau, 2010-12-21 This comprehensive compilation of entries documents the origins transmissions and transformations of Asian American folklore and folklife Equally instructive and intriguing the *Encyclopedia of Asian American Folklore and Folklife* provides an illuminating overview of Asian American folklore as a way of life Surveying the histories peoples and cultures of numerous Asian American ethnic and cultural groups the work covers everything from ancient Asian folklore folktales and folk practices that have been transmitted and transformed in America to new expressions of Asian American folklore and folktales unique to the Asian American historical and contemporary experiences The encyclopedia's three comprehensive volumes cover an extraordinarily wide range of Asian American cultural and ethnic groups as well as mixed race and mixed heritage Asian Americans Each group section is introduced by a historical overview essay followed by short entries on topics such as ghosts and spirits clothes and jewelry arts and crafts home decorations family and community religious practices rituals holidays music foodways literature traditional healing and medicine and much much more Topics and theories are examined from crosscultural and interdisciplinary perspectives to add to the value of the work

Landscapes of Mobility Jennifer Johung, 2016-04-22 Our world is unquestionably one in which ubiquitous movements of people goods technologies media money and ideas produce systems of flows Comparing case studies from across the world including those from Benin the United States India Mali Senegal Japan Haiti and Romania this book focuses on quotidian landscapes of mobility Despite their seemingly familiar and innocuous appearances these spaces exert tremendous control over our behavior and activities By examining and mapping the politics of place and motion this book analyzes human beings embodied engagements with their built world and provides diverse perspectives on the ideological and political underpinnings of landscapes of mobility In order to describe landscapes of mobility as a historically socially and politically constructed condition the book is divided into three sections objects contacts and flows The first section looks at elements that constitute such landscapes including mobile bodies buildings and practices across multiple geographical scales As these variable landscapes are reconstituted under particular social economic ecological and political conditions the second section turns to the particular practices that catalyze embodied relations within and across such spaces Finally the last section explores how the flows of objects bodies interactions and ecologies are represented presenting a critical comparison of the means by which relations processes and exchanges are captured depicted reproduced and re embodied *Body Matters* Luci Attala, Louise Steel, 2019-05-01 *Body Matters* approaches the material world directly it seeks to remind people that they are the matter of their bodies This volume offers an assortment of contributions from anthropology archaeology and medieval

studies with case studies from northern Europe the Near East East Africa and Amazonia which variously draw attention to the multiple shifting materials that comprise impact upon and co create human bodies This lively collection foregrounds myriad material influences interacting with and shaping the human body the chapters come together to illustrate the fundamental fleshy bony suppurating leaky and oozing physicality of being human Ultimately by reminding readers of their indisputable materiality Body Matters seeks to draw people and the rest of the material world together to illustrate that bodies not only seep into and are part of the landscape but equally that people and the material world are inextricably co constitutive

Reading Cultural

Representations of the Double Diaspora Maya Parmar, 2019-08-08 Reading Cultural Representations of the Double Diaspora Britain East Africa Gujarat is the first detailed study of the cultural life and representations of the prolific twice displaced Gujarati East African diaspora in contemporary Britain An exceptional community of people this diaspora is disproportionately successful and influential in resettlement both in East Africa and Britain Often showcased as an example of migrant achievement their accomplishments are paradoxically underpinned by legacies of trauma and deracination The diaspora despite its economic success and considerable upward social mobility in Britain has until now been overlooked within critical literary and postcolonial studies for a number of reasons This book attends to that gap Parmar uniquely investigates what it is to be not just from India but too Africa how identity forms within as the study coins the double diaspora Parmar focuses on cultural representation post twice migration via an interdisciplinary methodology offering new contributions to debates within diaspora studies In doing so the book examines a range of cultures produced amongst or about the diaspora including literary representations culinary dance and sartorial practices as well as visual materials

The Lives of Others Neel Mukherjee, 2025-04-25 Shortlisted for the Man Booker Prize this dazzling Entertainment Weekly saga of epic scope is both a family and a political drama The aging patriarch and matriarch of the Ghosh family preside over their large household made up of their five adult children and their respective children unaware that beneath the barely ruffled surface of their lives the sands are shifting Each set of family members occupies a floor of the home in accordance to their standing within the family Poisonous rivalries between sisters in law destructive secrets and the implosion of the family business threaten to unravel bonds of kinship as social unrest brews in greater Indian society This is a moment of turbulence of inevitable and unstoppable change the chasm between the generations and between those who have and those who have not has never been wider The eldest grandchild Supratik compelled by his idealism becomes dangerously involved in extremist political activism an action that further catalyzes the decay of the Ghosh home Ambitious rich and compassionate The Lives of Others anatomizes the soul of a nation as it unfolds a family history at the same time as it questions the nature of political action and the limits of empathy It is a novel of unflinching power and emotional force

Fashion and Cultural Studies Susan B. Kaiser, Denise N. Green, 2021-11-04 Bridging theory and practice this accessible text considers fashion from both cultural studies and fashion studies perspectives and addresses the growing interaction between the two fields Kaiser and Green use a wide range of cross cultural case studies to explore how race ethnicity class gender and other identities intersect and are produced through embodied fashion Drawing on intersectionality in feminist theory and cultural studies Fashion and Cultural Studies is essential reading for students and scholars This revised edition includes updated case studies and two new chapters The first new chapter explores religion spirituality and faith in relation to style fashion and dress The second offers a critique of beauty and considers dressed embodiment inclusive of diverse sizes shapes and dis abilities Throughout the text Kaiser and Green use a range of examples to interrogate the complex entanglements of production regulation distribution consumption and subject formation within and through fashion

Creative Destruction Tyler Cowen, 2009-01-10 A Frenchman rents a Hollywood movie A Thai schoolgirl mimics Madonna Saddam Hussein chooses Frank Sinatra s My Way as the theme song for his fifty fourth birthday It is a commonplace that globalization is subverting local culture But is it helping as much as it hurts In this strikingly original treatment of a fiercely debated issue Tyler Cowen makes a bold new case for a more sympathetic understanding of cross cultural trade Creative Destruction brings not stale suppositions but an economist s eye to bear on an age old question Are market exchange and aesthetic quality friends or foes On the whole argues Cowen in clear and vigorous prose they are friends Cultural destruction breeds not artistic demise but diversity Through an array of colorful examples from the areas where globalization s critics have been most vocal Cowen asks what happens when cultures collide through trade whether technology destroys native arts why and whether Hollywood movies rule the world whether globalized culture is dumbing down societies everywhere and if national cultures matter at all Scrutinizing such manifestations of indigenous culture as the steel band ensembles of Trinidad Indian handweaving and music from Zaire Cowen finds that they are more vibrant than ever thanks largely to cross cultural trade For all the pressures that market forces exert on individual cultures diversity typically increases within society even when cultures become more like each other Trade enhances the range of individual choice yielding forms of expression within cultures that flower as never before While some see cultural decline as a half empty glass Cowen sees it as a glass half full with the stirrings of cultural brilliance Not all readers will agree but all will want a say in the debate this exceptional book will stir
