**Saul Bellow**

## **Saul Bellow Against The Grain:**

**Saul Bellow Against the Grain** Ellen Pifer, 1991-06 Pifer contends that Bellow's fiction is fundamentally radical. Going against the grain of contemporary culture and its secular pieties, he undermines accepted notions of reality and challenges the orthodoxies created by materialist values and rationalist thought. Charged by his belief in the soul, his 10 novels test the assumptions of traditional realism. Pifer stresses the importance to Bellow of the invisible world, the longing for revelation, and the capacity to love and to suffer. She also shows how Bellow's hero is a man torn between his modern predilection for secular rationalism and a primordial attachment to the soul, and how he is led to demolish reigning idols of contemporary thought and culture. ISBN 0 8122 8203 5 29 95

**The Cambridge Companion to Saul Bellow** Victoria Aarons, 2017 This book demonstrates the complexity of Bellow's work by emphasizing the ways in which it reflects the changing conditions of American identity.

*Saul Bellow* Mark Connelly, 2016-03-29 A three-time National Book Award for Fiction winner, Saul Bellow (1915-2005) is one of the most highly regarded American authors to emerge since World War II. His 60-year career produced 14 novels and novellas, two volumes of nonfiction, short story collections, plays, and a book of collected letters. His 1953 breakthrough novel *The Adventures of Augie March* was followed by *Seize the Day* (1956), *Herzog* (1964), and *Mr Sammler's Planet* (1970). His *Humboldt's Gift* won a Pulitzer Prize in 1976 and contributed to his receiving the Nobel Prize for Literature that year. This literary companion provides more than 200 entries about his works, literary characters, events, and persons in his life. Also included are an introduction and overview of Bellow's life, statements made by him during interviews, suggestions for writing and further study, and an extensive bibliography.

*The Life of Saul Bellow, Volume 1* Zachary Leader, 2015-05-05 For much of his adult life, Saul Bellow was the most acclaimed novelist in America, the winner of among other awards the Nobel Prize in Literature, three National Book Awards, and the Pulitzer Prize. *The Life of Saul Bellow* by the literary scholar and biographer Zachary Leader marks the centenary of Bellow's birth as well as the tenth anniversary of his death. It draws on unprecedented access to Bellow's papers, including much previously restricted material, as well as interviews with more than 150 of the novelist's relatives, close friends, colleagues, and lovers, a number of whom have never spoken to researchers before. Through detailed exploration of Bellow's writings and the private history that informed them, Leader chronicles a singular life in letters, offering original and nuanced accounts not only of the novelist's development and rise to eminence but of his many identities as writer, polemicist, husband, father, Chicagoan, Jew, American. The biography will be published in two volumes. The first volume, *To Fame and Fortune, 1915-1964*, traces Bellow's Russian roots, his birth and early childhood in Quebec, his years in Chicago, his travels in Mexico, Europe, and Israel, the first three of his five marriages, and the novels from *Dangling Man* and *The Adventures of Augie March* to the best-selling *Herzog*. New light is shed on Bellow's fellow writers, including Ralph Ellison, John Berryman, Lionel Trilling, and Philip Roth, and on his turbulent and influential life away from the desk, which was as full of incident as his fiction. Bellow emerges as a compelling character, and Leader's powerful accounts of

his writings published and unpublished forward the case for his being as the critic James Wood puts it the greatest of American prose stylists in the twentieth century *Saul Bellow at Seventy-five* Gerhard Bach, Jakob J. Köllhofer, 1991

**A Study Guide for Saul Bellow's "Humboldt's Gift"** Gale, Cengage Learning, 2016-06-29 A Study Guide for Saul Bellow's Humboldt's Gift excerpted from Gale's acclaimed Novels for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs

*A Companion to the American Novel* Alfred Bendixen, 2014-11-17 Featuring 37 essays by distinguished literary scholars A Companion to the American Novel provides a comprehensive single volume treatment of the development of the novel in the United States from the late 18th century to the present day Represents the most comprehensive single volume introduction to this popular literary form currently available Features 37 contributions from a wide range of distinguished literary scholars Includes essays on topics and genres historical overviews and key individual works including *The Scarlet Letter* *Moby Dick* *The Great Gatsby* *Beloved* and many more

**Polyphony in Fiction** Masayuki Teranishi, 2008 The overall aim of this book is the application of stylistic theories and frameworks to literary texts for a deeper level of interpretation For this purpose the author conducted an analysis based upon the concepts of polyphony and focalization of three novels from different literary periods commonly labeled Pre modernism Modernism and Postmodernism namely George Eliot's *Middlemarch* 1871 2 Joseph Conrad's *Nostromo* 1904 and Saul Bellow's *Herzog* 1964 Inspired by the work of Russian linguist philosopher Mikhail Bakhtin the author attempts to clarify stylistically how polyphony is textualized in each novel and how each mode of polyphony reflects less parochial literary and cultural trends

Repression and Realism in Post-War American Literature E. Mercer, 2011-05-09 This study of fiction produced in America in the decade following 1945 examines literature by writers such as Kerouac and Bellow It examines how though such fiction seemed to resolutely avoid the events and implications of World War II it was still suffused with dread and suggestions of war in imagery and language

Trailing Clouds David G. Cowart, 2018-07-05 We stand to learn much about the durability of or changes in the American way of life from writers such as Bharati Mukherjee born in India Ursula Hegi born in Germany Jerzy Kosinski born in Poland Jamaica Kincaid born in Antigua Cristina Garcia born in Cuba Edwidge Danticat born in Haiti Wendy Law Yone born in Burma Mylne Dressler born in the Netherlands Lan Cao born in Vietnam and such Korean born authors as Chang-rae Lee Theresa Hak Kyung Cha and Nora Okja Keller writers who in recent years have come to this country and in their work contributed to its culture David Cowart In *Trailing Clouds* David Cowart offers fresh insights into contemporary American literature by exploring novels and short stories published since 1970 by immigrant writers Balancing historical and social context with close readings of selected works Cowart explores the major themes raised in immigrant writing the acquisition of language the dual identity of the immigrant the place of the homeland and the nature of citizenship Cowart suggests that the attention to first generation writers those whose parents immigrated

has not prepared us to read the fresher stories of those more recent arrivals whose immigrant experience has been more direct and unmediated Highlighting the nuanced reflection in immigrant fiction of a nation that is ever more diverse and multicultural Cowart argues that readers can learn much about the changes in the American way of life from writers who have come to this country embraced its culture and penned substantial literary work in English *Worldly Acts and Sentient Things* Robert A. Chodat,2018-07-05 Ants ghosts cultures thunderstorms stock markets robots computers this is just a partial list of the sentient things that have filled American literature over the last century From modernism forward writers have given life and voice to both the human and the nonhuman and in the process addressed the motives behaviors and historical pressures that define lives or things both everyday and extraordinary In *Worldly Acts and Sentient Things* Robert Chodat exposes a major shortcoming in recent accounts of twentieth century discourse What is often seen as the death of agency is better described as the displacement of agency onto new and varied entities Writers as diverse as Gertrude Stein Saul Bellow Ralph Ellison and Don DeLillo are preoccupied with a cluster of related questions Which entities are capable of believing something saying something desiring hoping hating or doing Which things in turn do we treat as worthy of our care respect and worship Drawing on a philosophical tradition exemplified by Ludwig Wittgenstein and Wilfrid Sellars Chodat shows that the death of the Cartesian ego need not entail the elimination of purposeful action altogether Agents do not dissolve or die away in modern thought and literature they proliferate some in human forms some not Chodat distinguishes two ideas of agency in particular One locates purposes in embodied beings persons the other in disembodied entities presences *Worldly Acts and Sentient Things* is a an engaging blend of philosophy and literary theory for anyone interested in modern and contemporary literature narrative studies psychology ethics and cognitive science *Conversations with Saul Bellow* Saul Bellow,1994 Renowned writer Saul Bellow reflects on the times in which we live and the craft of writing Bellow asks what meaningful words are left to write in the face of such events as revolutions world wars the atom bomb and who would take the time to read them if new words were found or invented Fortunately Faulkner is no longer alive and unfortunately neither is Hemingway **The Complete Idiot's Guide to American Literature** Laurie Rozakis,1999-08-01 You re no idiot of course You know that Samuel Clemens had a better known pen name Moby Dick is a famous whale and the Raven only said Nevermore But when it comes to understanding the great works of Mark Twain Herman Melville and Edgar Allan Poe you d rather rent the videos than head to your local library Don t tear up your library card yet *The Complete Idiot's Guide to American Literature* teaches you all about the rich tradition of American prose and poetry so you can fully appreciate its magnificent diversity *Charles Johnson's Fiction* William R. Nash,2003 A fearless experimenter and one of the most important contemporary American writers Charles Johnson challenges separatist politics and tries to get beyond race as a literary category In *Charles Johnson's Fiction* William R Nash emphasizes and explores the tensions in Johnson's work between his ideal of race as illusion and his methods of articulating racial grievance Nash examines Johnson's short stories

novels *Faith and the Good Thing* *Oxherding Tale* *Middle Passage* and *Dreamer* and the nonfiction work *Being and Race* Tracing the themes of Johnson's political and artistic concerns as they evolved in his work Nash locates his fascination with the aesthetics of the Black Arts Movement and his dismissal of separatist black politics and racialist thought He also considers Johnson's adoption of Western and Eastern philosophies and belief that race is a blinding limiting category that impedes the exploration of individual and collective identity In formulating a mode of expression that balances the conflicting demands of race and aesthetics Johnson crafts a new vision of history and African American identity that signifies on a range of black and white literary predecessors including Zora Neale Hurston Theodore Dreiser Ralph Waldo Emerson Ralph Ellison James Baldwin and Herman Melville Nash argues that Johnson's hybrid philosophy of Buddhism and phenomenology defies the basic premises of identity formation and leads to the perception of a different self Juxtaposed with jarring storylines of racial injustice Johnson's notion that race is an illusion informs his aesthetic promotes his strategies for battling oppression and reminds readers what African Americans have already overcome in the quest to cultivate new visions of identity Charles Johnson's *Fiction* also includes eight of Johnson's cartoons published in *Black Humor* and *Half Past Nation* Time in the early 1970s

*Holocaust Literature: Agosin to Lentin* S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004

**Who's Who of Twentieth Century Novelists** Tim Woods, 2008-02-21 Taking in novelists from all over the globe from the beginning of the century to the present day this is the most comprehensive survey of the leading lights of twentieth century fiction Superb breadth of coverage and over 800 entries by an international team of contributors ensures that this fascinating and wide ranging work of reference will be invaluable to anyone with an interest in modern fiction Authors included range from Joseph Conrad to Albert Camus and Franz Kafka to Chinua Achebe *Who's Who of Twentieth Century Novelists* gives a superb insight into the richness and diversity of the twentieth century novel

**Quest for Salvation in Saul Bellow's Novels** Kyung-Ae Kim, 1994 This book is an enlightening study on some of the problems involved in interpreting Bellow's novels It examines the current critical approaches and discusses Bellow's literary position in close connection with Romanticism and Modernism This study is engaged in exploring the nature of the Bellowian hero's quasi religious or even mystical quest for salvation How does the hero encounter the moment of vision At what moment And what are the nature and the character of the epiphanic experiences in Bellow's novels These central issues are examined in links with the Jewish Christian tradition and Zen Buddhism The study concludes from the analysis of *Henderson* *The Rain King* *Herzog* and *Humboldt's Gift* that the Bellowian

hero's quest for salvation is presented with irony and skepticism though with a deep religious vein Masculinity and the Paradox of Violence in American Fiction, 1950-75 Maggie McKinley, 2016-10-20 An examination of the relationship between violence and masculinity in works by Richard Wright Norman Mailer Saul Bellow James Baldwin and Philip Roth highlighting the inherent paradox whereby masculinity in this fiction is both asserted and undermined by acts of aggression A Comparative Guide to Sartrean and Deleuzian Selves in Modernist and Post-Modernist Fiction Onur Ekler, 2021-07-12 This book provides insights into the maze of know thyself through a carefully detailed comparative study of the Sartrean no self and the Deleuzian rhizomic self It is informative argumentative and rich in literary context and mainly focuses on the shift in the notion of self from Sartre's elegiac suicidal and nihilistic tone seen pervasively in modernist fiction to the celebratory Deleuzian self in postmodernist fiction To trace this shift the book presents a comparative analysis of selected novels showing that authors like Bellow and Atwood have adopted a more positive attitude toward the self similar to the Deleuzian rhizomic self while authors like Hedayat and Beckett have more reductionist decadent nihilistic views on the self like the Sartrean no self Moreover as argued in the cases of the protagonists in the selected novels this book further asserts that the Deleuzian rhizomic self might be seen as a possible alternative to help one survive in times of crisis in contrast to the nihilistic Sartrean no self A Room of His Own Gloria L. Cronin, 2001-01-01 The world of Saul Bellow is peopled largely by men often intellectuals who manifest Bellow's unique conception of American masculinity In this timely analysis of the Bellow oeuvre from a feminist perspective Gloria Cronin offers a stunning and insightful critique of the Nobel Prizewinning novelist Drawing on her comprehensive knowledge of Western thought and Western philosophical tradition Cronin also incorporates the brilliant insights of French feminist theory on Western male philosophers into her critique Cronin's mastery of these intellectual traditions informs her fruitful examination of Bellow's explicit dialogue rich consideration of his misogyny and the many masculinities he presents Cronin demonstrates how Bellow's almost exclusively male protagonists simultaneously search for and destroy a lost feminine essence that they yearn for and in so doing create their own prisons She also looks at the self irony pervading Bellow the comic dimension of his character's gender struggles and the spiritual sensibility that attempts to reach beyond gendered and other paradigms of selfhood A Room of His Own makes an extraordinary contribution to gender studies of masculinity and its formations

## Decoding **Saul Bellow Against The Grain**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Saul Bellow Against The Grain**," a mesmerizing literary creation penned with a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring effect on our lives. In this appraisal, we shall explore the book's central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
