*Midnight Bite* Cynthia Eden, 2018-12-18 A kiss on New Year's Eve is supposed to be lucky but a vampire bite That's not exactly something a woman dreams of getting And when Lark Kinsley gets bit all bets are off She stakes her date runs into the night and tries to put the whole nightmare behind her Only she can't Because she immediately runs into trouble trouble in the form of a tall dark and deadly sexy vampire prince named Devereaux He claims that he's there to help her but she's not buying his story The guy is no Prince Charming After all Prince Charming isn't supposed to come with fangs and an appetite for blood But Devereaux says that he's been waiting centuries for her That she is meant to rule with him Obviously he's wrong And possibly insane She's not meant to be the queen of the vamps No matter what Devereaux says But he's not the only one after her Paranormal monsters are coming out of the woodwork And the bite that she got It's making her feel strange Hungry Her self control is shredding and Lark knows she's changing She just doesn't know what she'll become The new year won't go out with a bang it will end with a bite Author's note Hey paranormal romance fans MIDNIGHT BITE is a sexy vamp novella expect danger expect hot times and expect naughty language as you ring in the new year Let's celebrate with some undead style

*Sex and Sexuality in Early America* Merril D Smith, 1998-09-01 What role did sexual assault play in the conquest of America How did American attitudes toward female sexuality evolve and how was sexuality regulated in the early Republic Sex and sexuality have always been the subject of much attention both scholarly and popular Yet accounts of the early years of the United States tend to overlook the importance of their influence on the shaping of American culture *Sex and Sexuality in Early America* addresses this neglected topic with original research covering a wide spectrum from sexual behavior to sexual perceptions and imagery Focusing on the period between the initial contact of Europeans and Native Americans up to 1800 the essays encompass all of colonial North America including the Caribbean and Spanish territories Challenging previous assumptions these essays address such topics as rape as a tool of conquest perceptions and responses to Native American sexuality fornication bastardy celibacy and religion in colonial New England gendered speech in captivity narratives representations of masculinity in eighteenth century seduction tales the sexual cosmos of a southern planter and sexual transgression and madness in early American fiction The contributors include Stephanie Wood Gordon Sayre Steven Neuwirth Else L Hambleton Erik R Seeman Richard Godbeer Trevor Burnard Natalie A Zacek Wayne Bodle Heather Smyth Rodney Hessinger and Karen A Weyler

*Savage Lust* Ember Sparks, 2024-05-13 She upset the wrong people Journalist Nicole Andrews is known for her hard hitting no holds barred reporting about issues affecting her small hometown of Hell Michigan She's never shied away from a story including ones that threaten her safety like the recent expose she wrote about a local biker gang suspected of trafficking drugs guns and women Now they're determined to shut her up Permanently He owes a debt Harland Hothead Carter President of the Savage Bloods MC is a man of his word so when an old friend calls in a favor Harland can't say no But playing bodyguard to a nosy stubborn journalist is the last thing

he wants to do especially when his club is launching the biggest mission of their lives rescuing his younger brother who s supposed to be dead More than their lives are at risk When he learns she s been targeted by a rival club Harland s got a lot more to worry about than just keeping her safe As the sparks fly between Nicole and Harland a war brews between the two opposing clubs If he can t find a way to keep the peace he ll lose everything that s ever mattered to him *Spotted Goddesses* Roja Singh,2018 Roja Singh s critical ethnography on caste and gender is rooted in interactions and lived experiences in communities of Dalit women in Tamil Nadu India Situated in transnational feminist discourses Singh s perspective as a Dalit woman provides an intersectional social analysis of power structures that sustain caste dominance in South India today She describes strategies of social change in Dalit women s activism as rooted in subversive applications of imposed identities of difference thwarting social boundaries and punishment traditions The core of this Interdisciplinary work is Dalit women s songs oral and written testimonial narratives including Singh s personal story **A Question of Manhood, Volume 1** Darlene Clark Hine,Earnestine Jenkins,1999-10-22 Each of these essays illuminates an important dimension of the complex array of Black male experiences as workers artists warriors and leaders The essays describe the expectations and demands to struggle to resist and facilitate the survival of African American culture and community Black manhood was shaped not only in relation to Black womanhood but was variously nurtured and challenged honed and transformed against a backdrop of white male power and domination and the relentless expectations and demands on them to struggle resist and to facilitate the survival of African American culture and community *The Black Image in the White Mind* George M. Fredrickson,1987-03 A study of issues of race in 19th century America **War Machine** Daniel Pick,1996-01-01 This intriguing study examines Western perceptions of war in and beyond the nineteenth century surveying the writings of novelists anthropologists psychiatrists psychoanalysts philosophers poets natural scientists and journalists to trace the terms of modern thought on the nature of military conflict Daniel Pick brings together philosophical and historical models of war with fictions of invasion propaganda from the Great War interpretations of shellshock and speculations about the biological value of conquest He discusses the work of such familiar commentators as Clausewitz Engels and Treitschke and examines little known writings by Proudhon De Quincey Ruskin Valery and many others culminating in the extraordinary dialogue between Freud and Einstein Why War He analyses Victorian fears of French contamination through the Channel Tunnel as well as the widespread continuing dread of German domination And he charts the history of the pervasive European belief that war is beneficial or at least functionally necessary A central theme of the book is the disturbing relationship between machinery and destruction Visions of relentless technological progress and the inexorable advance of the military industrial complex often seem to distort our understanding of war even to reduce it to a sophisticated game played out by high precision automata Pick explores both the reassuring and troubling aspects of such representations Shorn of human agency or responsibility war apparently threatens to become technologically unstoppable the remorseless perfect

abattoir of the industrial age War Machine explores the enduring historical fascination with and recoil from brutal mechanical slaughter and the modern acquiescence in and enthusiasm for in Rilke's phrase these days of monstrously accelerated dying

*Everyday Ecofascism* Alexander Menrisky, 2025-05-06 A timely look into how fascist ideas permeate contemporary culture well beyond the far right As challenges posed by climate change have intensified in the twenty first century right wing figures in the United States and abroad have increasingly framed anti immigrant anti Indigenous and white supremacist sentiments in terms of environmental survival Everyday Ecofascism explores the insidious nature of this tendency revealing how permutations of these perspectives in fact resonate

across the political spectrum Drawing on comparative studies of fascism writ large Alexander Menrisky demonstrates that ecofascism is best understood not as a uniquely right wing ideology but as a political genre that reinforces white supremacy and other forms of domination Presenting a view of fascism as a complex power network that plays out on scales both large and small Menrisky shows how extremist sentiments have crept into everyday language stories and ideas Through a literary and cultural studies lens he illuminates ecofascism's narrative patterns and their easy permeation of environmentalist discourses from back to the land movements to the resurgence of psychedelic drugs food localism and pandemic politics Opposite his analysis of ecofascism in action Menrisky sheds important light on narrative resistances to dominant conceptions of race nation and territory by Native queer and women of color writers who have countered ethnonationalism for generations Bridging past and present Menrisky powerfully nails down the emergent concept of ecofascism and forms a basis for understanding phenomena like Covid 19 ecological utopianism and psychedelic environmentalism that detangles ecofascist tendencies from justice oriented visions of place based belonging Retail e book files for this title are screen reader friendly

*Lustmord* Maria Tatar, 2020-07-21 In a book that confronts our society's obsession with sexual violence Maria Tatar seeks the meaning behind one of the most disturbing images of twentieth century Western culture the violated female corpse This image is so prevalent in painting literature film and most recently in mass media that we rarely question what is at stake in its representation Tatar however challenges us to consider what is taking place both artistically and socially in the construction and circulation of scenes depicting sexual murder In examining images of sexual murder *Lustmord* she produces a riveting study of how art and murder have intersected in the sexual politics of culture from Weimar Germany to the present Tatar focuses attention on the politically turbulent Weimar Republic often viewed as the birthplace of a transgressive avant garde modernism where representations of female sexual mutilation abound Here a revealing episode in the gender politics of cultural production unfolds as male artists and writers working in a society consumed by fear of outside threats envision women as enemies that can be contained and mastered through transcendent artistic expression Not only does Tatar show that male artists openly identified with real life sexual murderers George Grosz posed as Jack the Ripper in a photograph where his model and future wife was the target of his knife but she also reveals the ways in which victims were disavowed and erased Tatar first analyzes actual cases of sexual murder that aroused wide public interest in Weimar Germany She then considers how the representation of murdered women in visual and literary works functions as a strategy for managing social and sexual anxieties and shows how violence against women can be linked to the war trauma to urban pathologies and to the politics of cultural production and biological reproduction In exploring the complex relationship between victim and agent in cases of sexual murder Tatar explains how the roles came to be destabilized and reversed turning the perpetrator of criminal deeds into a defenseless victim of seductive evil Throughout the West today the creation of similar ideological constructions still occurs in societies that have only recently begun to validate the voices of its victims Maria Tatar's book opens up an

important discussion for readers seeking to understand the forces behind sexual violence and its portrayal in the cultural media throughout this century     *Introductions and Reviews* D. H.
