Saving The Child:

Saving Children Jack Werber, 2017-07-05 In *Saving Children* Jack Werber describes in detail what life in Buchenwald was like painting a haunting picture of his daily struggle for survival But Werber did more than survive he made saving children his special mission In what is one of the most amazing stories of the Holocaust Jack Werber helped to save the lives of some seven hundred Jewish children who had arrived at Buchenwald in late 1944 including Nobel Prize winner Elie Wiesel and Rabbi Israel Meir Lau former Chief Rabbi of the State of Israel At great personal risk he arranged for the children to be hidden in various barracks with false working papers He and his group actually started a school where the children studied Jewish history music and Hebrew These activities gave the youngsters hope that they might survive and ultimately most of them did Werber's entire family his wife daughter parents and seven siblings were all murdered by the Nazis There was no reason to go on he had thought but seeing the children transformed his outlook He resolved to prevent them from meeting his daughter's fate Out of 3 200 Polish prisoners who entered the camp together with Werber only eleven were alive by war's end Of those he was the only Jew

Saving Our Kids Madonna King, 2023-08-30 The crime of sextortion has reached epidemic proportions fuelled by both sex offenders and organised scammers targeting our most vulnerable online Children are some of the internet's most prolific and most naive users and increasing numbers are finding themselves caught in an evil web of networked manipulators Up to 70 percent of all new sexual exploitation content online is victim produced and much of it follows the same script An adult abuser tricks a child into thinking they are a peer the child produces the content themselves and the abuser then blackmails their victim for money or for more content It's a script well known to Detective Inspector Jon Rouse who for three decades headed up Taskforce Argos the expert arm of Queensland Police dedicated to hunting down online predators and rescuing children from abuse In collaboration with Rouse Madonna King tells the story of their investigations from undercover cases to operations on a global scale exploring what makes a victim and what makes an abuser and distils the work that goes into bringing down perpetrators *Saving Our Kids* highlights the dangers lurking in every child's smartphone web browser and computer game It is the story of the tireless work of saving children from the online manipulation that is stealing their innocence and raises awareness on how we can all protect the children in our lives

Child Welfare, 1928 **How to Save Your Child's Life** Debra A. Brady, 2003-03 A practical handbook to help parents deal with a wide variety of medical emergencies explains how to recognize a true emergency and offers detailed instruction in the basics of first aid

Saving Children from a Life of Crime David P. Farrington, Brandon Welsh, 2007 A great deal is known about the early risk factors for offending High impulsiveness low attainment criminal parents parental conflict and growing up in a deprived high crime neighborhood are among the most important factors There is also a growing body of high quality scientific evidence on the effectiveness of early prevention programs designed to prevent children from embarking on a life of crime The authors review the data on early causes of offending and what works best to prevent it

Preschool intellectual enrichment child skills training parent management training and home visiting programs are among the most effective early prevention programs They also outline a policy strategy early prevention This is based on current research that lays the groundwork for a comprehensive national prevention strategy to save children from a life of crime

Childhood in a Global Perspective Karen Wells,2015-02-02 The second edition of this compelling and popular book offers a unique global perspective on children s lives throughout the world It shows how the notion of childhood is being radically re shaped in part as a consequence of globalization Taking an engaging historical and comparative approach the book explores social issues such as how children are constituted as raced classed and gendered subjects how children s involvement in war is connected to the globalization of capitalism and organized crime and how school and work operate as sites for the governing of childhood The book discusses wide ranging topics including children s rights the family children and war child labour and young people s activism around the globe In addition to updated literature throughout the revised edition includes new chapters on migration and trafficking and the role of play The book will continue to be of great value to students and scholars in the fields of sociology geography social policy and development studies It will also be a valuable companion to practitioners of international development and social work as well as to anyone interested in childhood in the contemporary world

The Rescue of the Prague Refugees 1938-39 William Chadwick,2010 The story of the Prague Kindertransports and the splendid achievements of Sir Nicholas Winton and Trevor Chadwick in getting some 660 children to safety has often been told This was only part of a much larger rescue operation Before Winton and Chadwick even arrived Doreen Warriner was making Lists of those most in danger negotiating for visas and shepherding trainloads of people to safety When she left Prague in April 1939 spirited out of the country before the Gestapo could arrest her for smuggling wanted refugees on her trains her successor was the indomitable Canadian Beatrice Wellington who was more than a match for the Gestapo and indeed for a slow moving British officialdom These two were directly responsible for saving some thousands of men women and children This book reveals the full extend of the British rescue effort for the first time It devotes a chapter to each of the major participants each one a fascinating character and four of them willing to drop whatever they were doing in their lives to come to the aid of those in danger

challenge of the twenty first century *Moral Responsibility and the Flicker of Freedom* Justin A. Capes,2023 In *Moral Responsibility and the Flicker of Freedom* Justin A Capes challenges that thought experiments such as the sort devised by Harry Frankfurt are counter examples to the principle that a person is morally responsible for what he did only if he could avoid doing it He argues that far from being counterexamples to the principle Frankfurt cases as they have come to be known actually provide further confirmation of it a conclusion that has important implications for our understanding of free will and moral responsibility **Saving One's Own** Mordecai Paldiel,2017-04-01 In this remarkable historically significant book Mordecai Paldiel recounts in vivid detail the many ways in which at great risk to their own lives Jews rescued other Jews during the Holocaust In so doing he puts to rest the widely held belief that all Jews in Nazi dominated Europe wore blinders and allowed themselves to be led like lambs to the slaughter Paldiel documents how brave Jewish men and women saved thousands of their fellow Jews through efforts unprecedented in Jewish history Encyclopedic in scope and organized by country *Saving One's Own* tells the stories of hundreds of Jewish activists who created rescue networks escape routes safe havens and partisan fighting groups to save beleaguered Jewish men women and children from the Nazis The rescuers dramatic stories are often shared in their own words and Paldiel provides extensive historical background and documentation The untold story of these Jewish heroes who displayed inventiveness and courage in outwitting the enemy and in saving literally thousands of Jews is finally revealed *The PTA Magazine* ,1919 **The Child Catchers** Kathryn Joyce,2013-04-23 Adoption has long been enmeshed in the politics of abortion But as award winning journalist Joyce makes clear adoption has lately become entangled in the conservative Christian agenda *Through the Eyes of a Child* Anne Richards,Peter Privett ,2018-06-29 Looking through the eyes of a child is not a twee cosy or easy experience It can be unsettling uncomfortable edgy from the Introduction Who has the right to do theology Only academics Only adults Or do we all have a voice in the kingdom of God *Through the Eyes of a Child* considers 14 key theological themes from one of the most neglected of perspectives that of children Honouring Jesus command to place the child at the centre theologians psychologists and educationalists take us from our comfort zone to look afresh at some of the most grave difficult and beautiful topics in Christian theology Challenging conventional readings of theology this landmark work will fascinate and challenge anyone who cares about children and their place in the world and the church **Social Work and Social Development** James Midgley,Amy Conley,2010-05-19 Social workers have been involved in social development for many years but it is only recently that these ideas have been explicitly applied to social work practice The result is that a new and distinctive approach to social work practice known as developmental social work has emerged Developmental social work emphasizes the role of social investment in professional practice These investments meet the material needs of social work's clients and facilitate their full integration into the social and economic life of the community Developmental social workers believe that client strengths and capabilities need to be augmented with public resources and services if those served by the

profession are to live productive and fulfilling lives Although developmental social work is inspired by international innovations particularly in the developing countries it highly relevant to practice in the United States and other Western nations In the first book to lay out a clear framework for developmental social work practice chapters will focus on the traditional fields of social work practice showing how social investment strategies can be adopted by social workers in their daily practice with populations including families and children people with mental illness homeless youth people with disabilities the elderly and those in the correctional system By facilitating clients full social and economic participation through a variety of strategies such as microenterprise or asset building programs practitioners can help bring about meaningful changes in clients lives and throughout their communities The editors and contributors offer a highly original exposition of developmental social work theory and practice providing a definitive guide to an emerging and exciting new approach to practice

Saving Baby Jo Anne Normile, Lawrence Lindner, 2014-10-21 If we see cruelty or wrong that we have the power to stop and do nothing we make ourselves sharers in the guilt Anna Sewell author of *Black Beauty* Jo Anne Normile was not supposed to keep the foal an exuberant Thoroughbred with only a few white hairs on his reddish brown forehead But she fell in love with the young horse who had literally been born into her arms The breeder finally said she could keep the colt whom she nicknamed Baby but only if she raced him It was difficult to take Baby away from the safety of his pasture But Normile had made a promise Besides horseracing had always come across as a glamorous blend of mint juleps and celebrity of equine grace and speed It was a vision she found appealing And she fell hard for it this Sport of Kings She experienced a thrill every time Baby sprinted around the track edging out other horses But the magic that enchants is a veneer For every Seabiscuit there are tens of thousands of racehorses whose lives end in pain and despair with indifference and corruption that runs rampant through the world of horse racing Normile knew none of this Not until an accident on a poorly maintained track That s when everything changed That s when Normile founded the most successful horse rescue in the country an organization that would go on to save more horses than anyone else ever had That s when she knew she had no other choice *Saving Baby* is Jo Anne Normile s story of perseverance and passion A heartbreaking and ultimately life affirming book it testifies to the transcending power of hope and the unshakeable bond of love

The First International Congress in America for the Welfare of the Child, 1908 **Social Policy for Effective Practice** Rosemary Kennedy Chapin, Melinda Lewis, 2023-03-31 *Social Policy for Effective Practice* A Strengths Approach sharpens students awareness of social welfare policy and offers a considerable array of resources and knowledge foundations to both understand and thrive within a continually evolving policy landscape Throughout the text the authors tell the stories of social workers who impact policy incorporate frameworks for policy analysis center social work values and strengths principles and integrate the series interactive and downloadable cases to demonstrate policy s relevance and application to practice settings and situations in concrete ways Students may use the text as an introduction to social policy a tool for deeper examination of policy topics and

as a lifelong companion for their policy relevant practice Now in its sixth edition the textbook is fully updated to reflect substantial changes in policy arenas such as health care family economic support immigration and asylum criminal justice housing reproductive rights substance use disorder mental health treatment and childcare as well as the implications of the evolving COVID 19 pandemic With additional support and extensions available at www.routledgesw.com Social Policy for Effective Practice makes policy relevant accessible and meaningful for social work students and is a perfect complement to undergraduate and graduate courses on social policy and practice

Conceptualizing Cruelty to Children in Nineteenth-Century England Monica Flegel, 2016-05-23 Moving nimbly between literary and historical texts Monica Flegel provides a much needed interpretive framework for understanding the specific formulation of child cruelty popularized by the National Society for the Prevention of Cruelty to Children NSPCC in the late nineteenth century Flegel considers a wide range of well known and more obscure texts from the mid eighteenth century to the early twentieth including philosophical writings by Locke and Rousseau poetry by Coleridge Blake and Caroline Norton works by journalists and reformers like Henry Mayhew and Mary Carpenter and novels by Frances Trollope Charles Dickens Wilkie Collins and Arthur Morrison Taking up crucial topics such as the linking of children with animals the figure of the child performer the relationship between commerce and child endangerment and the problem of juvenile delinquency Flegel examines the emergence of child abuse as a subject of legal and social concern in England and its connection to earlier primarily literary representations of endangered children With the emergence of the NSPCC and the new crime of cruelty to children new professions and genres such as child protection and social casework supplanted literary works as the authoritative voices in the definition of social ills and their cure Flegel argues that this development had material effects on the lives of children as well as profound implications for the role of class in representations of suffering and abused children Combining nuanced close readings of individual texts with persuasive interpretations of their influences and limitations Flegel's book makes a significant contribution to the history of childhood social welfare the family and Victorian philanthropy

Children, Youth and Development Nicola Ansell, 2016-08-08 The new updated edition of Children Youth and Development explores the varied ways in which global processes in the form of development policies economic and cultural globalisation and international agreements interact with more locally specific practices to shape the lives of young people living in the poorer regions of the world It examines these processes and the effects they have on young people's lives in relation to developing theoretical approaches to the study of children and youth This landmark title brings together the stock of knowledge and approaches to understanding young people's lives in the context of development and globalization in the majority world for the first time It introduces different theoretical approaches to the study of young people and explores the ways in which these along with predominantly Western conceptions of childhood and youth have influenced how majority world children have been viewed and treated by international agencies Contexts of globalisation and growing international inequality are explored alongside

more immediate contexts such as family and peer relationships Chapters are devoted to groups of children deemed to be in need of protection and to debates concerning children s rights and their participation in development projects Young people s health and education are considered as is their involvement in work of various kinds and the impacts of environmental change and hazards including climate change The book introduces material and concepts to readers in a very accessible way and within each chapter employs features such as boxed case studies summaries of key ideas discussion questions and guides to further resources This edition has been updated to take account of significant changes in the contexts in which poor children grow up notably the financial crisis and changing development policy environment as well as recent theoretical developments It is aimed at students on higher level undergraduate and postgraduate courses as well as researchers who are unfamiliar with this area of research and practitioners in organisations working to ameliorate the lives of children in majority world countries
