School Refusal Behavior In Youth A Functional Approach To Assessment And Treatment

Paula M. Barrett, Thomas H. Ollendick

School Refusal Behavior In Youth A Functional Approach To Assessment And Treatment:

School Refusal Behavior in Youth Christopher A. Kearney, 2009 In this book the author discusses the historical context and common strategies for treating the problem of school refusal behavior offering a cutting edge empirically based and systematic approach that focuses on the specific factors that maintain the behavior in each case Drawing on an extensive clinical database the author carefully describes each of the functions served by school refusal behavior avoidance of stimuli that provoke negative affectivity escape from aversive social evaluative situations attention seeking and tangible rewards Through extensive and realistic examples the author provides specific recommendations for assessing and treating each type of case In the final chapter he takes a hard look at extreme cases and the prevention of relapse PsycINFO Database Record c 2004 APA all rights reserved

Understanding School Refusal M. S. Thambirajah, Karen J. Grandison, Louise De-Hayes, 2008 School refusal is a crippling condition in which children experience extreme anxiety or panic attacks when faced with everyday school life This book aims to explore raise awareness of the problem and provide plans and strategies for education health and social care professionals for identifying and addressing this problem

Helping School Refusing Children and Their Parents Christopher Kearney, 2008-03-19 Children who miss substantial amounts of school pose one of the most vexing problems for school officials In many cases school personnel must assess these students and successfully help them to return to the academic setting This can be difficult considering most school based professionals are pressed for time and do not have access to proper resources The information in this book can help school officials combat absenteeism and reduce overall dropout rates Designed for guidance counselors teachers principals and deans school psychologists school based social workers and other school professionals this book outlines various strategies for helping children get back to school with less distress that can easily be implemented in schools The book describes four clinical interventions that can be used to effectively address moderate cases of absenteeism as well as instructions for adapting these procedures for use within the school system A chapter on assessment describes several methods for identifying school refusal behavior including time limited techniques for school officials who have little opportunity to conduct detailed evaluations Worksheets for facilitating assessment are included and can easily be photocopied from the book Other chapters provide advice for working collaboratively with parents preventing relapse and tackling special issues such as children with anxiety children who take medication and children who are victims of bullying Topics such as poverty homelessness teenage pregnancy violence and school safety are also addressed

Encyclopedia of School Psychology T. Stuart Watson, Christopher H. Skinner, 2012-12-06 School psychologists are on the front lines in dealing with the most significant challenges facing children and the educational community today And in a world of ever increasing risks and obstacles for students school psychologists must be able to use their in depth psychological and educational training to work effectively with students parents teachers administrators and other mental health professionals to help create safe learning environments By recognizing each

individual student's unique circumstances and personality school psychologists are able to offer specialized services to address such crucial children's issues as family troubles e.g. divorce death school assignments depression anger management substance abuse study skills learning disabilities sexuality and self discipline The Encyclopedia of School Psychology provides school psychologists and other educational and mental health professionals with a thorough understanding of the most current theories research and practices in this critical area In addition the Encyclopedia offers the most up to date information on important issues from assessment to intervention to prevention techniques

Handbook of Evidence-Based Practice in Clinical Psychology, Child and Adolescent Disorders Michel Hersen, Peter Sturmey, 2012-06-05 Handbook of Evidence Based Practice in Clinical Psychology Volume 1 covers the evidence based practices now identified for treating children and adolescents with a wide range of DSM disorders Topics include fundamental issues developmental disorders behavior and habit disorders anxiety and mood disorders and eating disorders Each chapter provides a comprehensive review of the evidence based practice literature for each disorder and then covers several different treatment types for clinical implementation Edited by the renowned Peter Sturmey and Michel Hersen and featuring contributions from experts in the field this reference is ideal for academics researchers and libraries

Cognitive-Behavioral Interventions in Educational Settings Ray W. Christner, Rosemary B. Mennuti, 2013-06-19 Schools and school staff play a critical role in the cognitive behavioral emotional social and interpersonal development of children and adolescents This second edition of Cognitive Behavioral Interventions in Educational Settings teaches readers to think strategically about the individual and plan for effective and specific interventions based on the student's age developmental level and presenting problems It is written by forward thinking established professionals whose writing represents the state of the art in cognitive behavioral interventions in educational settings and presents evidence based interventions for a variety of issues commonly seen in schools Including both innovative and well established approaches they offer assessment methods and interventions for a variety of issues and concerns faced by school aged youth The use of case studies and session outlines as well as the balance of theoretical and clinical concerns enhances this book's value as a reference for both clinicians and students New to this edition are topics on cyber bullying parent and school consultation school wide positive behavioral support and bipolar disorder This is the ideal reference for those who wish to select and utilize precise interventions in school settings

Handbook of Evidence-Based Treatment Manuals for Children and Adolescents Craig Winston LeCroy, 2008-04-18 With the advance of evidence based practice has come the publication of numerous dense volumes reviewing the theoretical and empirical components of child and adolescent treatment There are also a variety of detailed treatment manuals that describe the step by step procedures to guide ongoing research and practice The second edition of Craig Winston LeCroy's Handbook of Evidence Based Child and Adolescent Treatment Manuals is a forceful combination of the two approaches as he gathers fifteen varied treatment manuals and brief summaries of the research supporting each to

ensure that practitioners will truly understand how to implement the treatments they are using A completely revised and expanded edition of the handbook s first edition this is an essential guide to some of the best programs for helping children and teens Each chapter begins with an explanatory section that discusses the theoretical and empirical underpinnings of the programs The treatment manual follows leading readers through sessions with specific details about conducting the treatment that have been refined and improved through extensive testing and research Organized into three sections the major clinical disorders social problems confronting children and teens and preventive interventions the Handbook brings together some of the most esteemed researcher practitioners in the child and adolescent field The book presents an impressive variety of innovative treatment programs and techniques including the SiHLE program intended to prevent problems confronting children and teens and preventive interventions the Handbook brings together some of the most esteemed researcher practitioners in the child and adolescent field The book presents an impressive variety of innovative treatment programs and techniques including the SiHLE program intended to prevent HIV through education and self esteem building the Children of Divorce Intervention Program a therapy for younger children stressing resilience and skill building and Strengths Oriented Family Therapy which reaches out to substance involved adolescents and their families The Handbook of Evidence Based Child and Adolescent Treatment Manuals is an indispensable reference for researchers graduate students and practitioners working with children and adolescents in a multitude of settings from schools and juvenile correction centers to group homes and family service agencies

When Children Refuse School Christopher A. Kearney, Anne Marie Albano, 2007-03-29 School refusal behavior is a common and difficult problem facing parents of children and teenagers The behavior can have severe consequences by contributing to a child s academic social and psychological problems A child s absence from school can also significantly increase family conflict If your child experiences anxiety or noncompliance about attending school and has trouble remaining in classes for an entire day this workbook and the corresponding Therapist Guide can help This Parent Workbook is designed to help you work with a qualified therapist to resolve your child s school refusal behavior The Workbook outlines four possible treatment procedures that may be prescribed by a therapist depending on your child s reasons for refusing school Scientific evidence has shown these programs to be highly effective in treating youth 5 17 years old who exhibit school refusal behavior Regardless of whether your child refuses school to relieve school related distress to avoid negative social situations at school to receive attention from you or another family member or to obtain tangible rewards outside of school the flexible treatments described in this book will help you and your child overcome school refusal behavior The Workbook describes what you can expect during your child s assessment and treatment and provides answers to questions you may have about the process It also provides instructions for continuing certain aspects of the program at home including relaxation and breathing techniques as well as exposure exercises to decrease your child s anxiety Instructions are also given for completing daily logbooks with your child

to track progress creating a morning routine to keep you both on schedule and developing written contracts to enhance attendance and discourage nonattendance With this user friendly manual you can take an active role in your child's successful return to school

Using Workbooks in Mental Health Luciano L'Abate, 2014-01-14 The use of workbooks in therapy might represent one of the biggest breakthroughs that has occurred in decades Using Workbooks in Mental Health Resources in Prevention Psychotherapy and Rehabilitation for Clinicians and Researchers examines the effectiveness of mental health workbooks designed to address problems ranging from dementia and depression to addiction spousal abuse eating disorders and more Compiled by Dr Luciano L Abate a leading authority on mental health workbooks this resource will help clinicians and researchers become aware of the supportive evidence for the use of workbooks Using Workbooks in Mental Health examines workbooks designed to specifically help clients affected by dementia or depression abused women gambling addicts women who have substance abuse addictions incarcerated felons couples preparing for marriage children with school refusal disorder and more An essential reference for mental health professionals graduate students administrators and researchers Using Workbooks in Mental Health also explores the role of workbooks in psychological intervention over the past decade Although workbooks are not yet part of the mainstream of psychological intervention they are growing in popularity as their many advantages are recognized They are easy to use by almost any client they are cost effective to both therapist and client in terms of money and time they provide therapists with written assignments to use as homework for individuals couples and families and they can be used in any setting especially in computer assisted offline or online interventions In addition this book shows how workbooks can be used to administer therapy to previously unreachable clients such as people who are reluctant to talk to an authoritative figure or a stranger people who cannot afford face to face treatments incarcerated offenders who have not been helped by talk therapies Internet users who are searching for help via computer rather than in person

Handbook of Interventions that Work with Children and Adolescents Paula M. Barrett, Thomas H. Ollendick, 2004-01-09 Handbook of Interventions that Work with Children and Adolescents considers evidence based practice to assess the developmental issues aetiology epidemiology assessment treatment and prevention of child and adolescent psychopathology World leading contributors provide overviews of empirically validated intervention and prevention initiatives Arranged in three parts Part I lays theoretical foundations of treatments that work with children and adolescents Part II presents the evidence base for the treatment of a host of behaviour problems whilst Part III contains exciting prevention programs that attempt to intervene with several child and adolescent problems before they become disorders This Handbook presents encouraging evidence that we can intervene successfully at the psychosocial level with children and adolescents who already have major psychiatric disorders and as importantly that we can even prevent some of these disorders from occurring in the first place

Embracing the Tune of Phrase: An Psychological Symphony within **School Refusal Behavior In Youth A Functional Approach To Assessment And Treatment**

In a global used by displays and the ceaseless chatter of instantaneous communication, the melodic elegance and psychological symphony produced by the published word often diminish into the backdrop, eclipsed by the constant noise and disturbances that permeate our lives. However, situated within the pages of **School Refusal Behavior In Youth A Functional Approach To Assessment And Treatment** a marvelous literary treasure brimming with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that captivating masterpiece conducts viewers on an emotional journey, skillfully unraveling the hidden tunes and profound affect resonating within each cautiously crafted phrase. Within the depths of this moving examination, we shall discover the book is main harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
