#### **Selected Letters Of William Allen White:**

Selected Letters of William Allen White, 1899-1943 William Allen White, 1968 **Selected Letters of William** Selected Letters of William Allen White 1899-1943 Walter Allen White, 1899-1943 William Allen White, 1968 Selected Letters of William Allen White 1899 1943 Winthrop Professor of History and Professor of African Johnson, 1947 and African American Studies Walter Johnson, 2016-05-06 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this William Allen White Jack Wayne Traylor, 2019-02-12 Once upon a time William Allen White knowledge alive and relevant of Emporia Kansas was a household name in America An acquaintance of every twentieth century president from Theodore Roosevelt to Franklin Roosevelt he held a close friendship with the former and generally was an admirer of the latter White allied himself with the Progressive movement early in the twentieth century originally from the influence of T R but also from others such as Woodrow Wilson The author of numerous books both fiction and non fiction and an important political advisor within the Republican party although he traveled and spoke often both in the United States and sometimes abroad White nevertheless was most proud of the fact that he was a small town newspaper editor in Emporia until his death there in 1944 He was an important supporter of middle class and middle western values but a close examination of his writings from the end of World War I until 1944 shows that he was most concerned about support for democracy which he defined as Christianity institutionalized This came at a time when democratic principles were coming under scrutiny or outright attack both at home and abroad Politically he always sought to promote the moderate course attempting to bring both major parties together in a common ground Even though he is not widely known today perhaps his message has a significant value to twenty first century America A Bibliography of William Allen White Kansas State Teachers College of Emporia, 1969 This bibliography was prepared and published by the Kansas State Teachers College Emporia Kansas in recognition of the 1968 centennial anniversary of the birth of William Allen White the late editor of The Emporia Gazette It is a listing of all manuscripts and articles by or about Mr White that are preserved in the White Collection in the William Allen White Library on the college campus William Allen White E. Jay Jernigan, 1983 <u>Letters of the Century</u> Lisa Grunwald, Stephen J.

Adler, 2008-04-08 Immediate and evocative letters witness and fasten history catching events as they happen write Lisa Grunwald and Stephen J Adler in their introduction to this remarkable book In more than 400 letters from both famous figures and ordinary citizens Letters of the Century encapsulates the people and places events and trends that shaped our nation during the last 100 years Here is Mark Twain's hilarious letter of complaint to the head of Western Union an ecstatic letter from a young Charlie Chaplin upon receiving his first movie contract Einstein's letter to Franklin Roosevelt warning about atomic warfare Mark Rudd's generation gap letter to the president of Columbia University during the student riots of the 60s and a letter from young Bill Gates imploring hobbyists not to share software so that innovators can make some money In these pages our century s most celebrated figures become everyday people and everyday people become part of history Here is a veteran's wrenching letter left at the Vietnam Wall a poignant correspondence between two women trying to become mothers a heart breaking letter from an AIDS sufferer telling his parents how he wants to be buried an indignant e mail from a PC user to his on line server Letters write Grunwald and Adler give history a voice Arranged chronologically by decade illustrated with over 100 photographs Letters of the Century creates an extraordinary chronicle of our history through the voices of the men and women who have lived its greatest moments "Too Good a Town" Edward G. Agran, 1999-07-01 For fifty years William Allen White first as a reporter and later as the long time editor of the Emporia Gazette wrote of his small town and its Mid American values By tailoring his writing to the emerging urban middle class of the early twentieth century he won his gospel of Emporia a nationwide audience and left a lasting impact on he way America defines itself Investigating White's life and his extensive writings Edward Gale Agran explores the dynamic thought of one of America's best read and most respected social commentators Agran shows clearly how White honed his style and transformed the myth of conquering the western frontier into what became the twentieth century ideal of community building Once a confidante of and advisor to Theodore Roosevelt White addressed and reflected in his work all the great social and political oscillations of his time urbanization and industrialism populism and progressivism isolationism internationalism Prohibition and New Deal reform Again and again he asked the question What's the matter about his times and townspeople then found the middle ground With great care and discernment Agran gathers the man strains of White s messages demonstrating one writer s pivotal contribution to our idea of what it means to be an American Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and

describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

William Allen White's America Walter Johnson, 1947 The University of Kansas; a History Clifford Stephen Griffin,1974 Here is a through assessment of the development of the University of Kansas during its first century Clifford S Griffin traces the University from little more than a high school or preparatory school to a college and then to a major institution No mere chronicle of the University's triumphs and progress this book gives equal attention to the many disappointments and frustrations over the years Griffin concerns himself not only with the physical growth of the institution but with the nature of the University's goals and character as well From John Fraser to W Clarke Wescoe each Chancellor of the University of Kansas faced unique problems in shaping the destiny of the ever expanding institution They struggled with the perils of an unstable economy enrollment crises departmentalization disagreements with faculty and regents disputes over open admission and the importance of scholarly research demands for higher salaries and alteration of the curriculum and even grasshopper plagues Each administration competed for legislative appropriations status and public support Anyone who has been associated with the University will find in this history many of the things he remembers best its social organizations athletic contests student pranks class feuds and campus politics Colorful Mount Oread personalities are described leaders scholars politicians and benefactors Thirty six photographs trace different phases of the University s growth Even those individuals well informed concerning the history of the University will learn much about its past and its potential for the future In addition Griffin explores ideas about the purposes and practices of higher education including the concept of the American state university as a servant of society In many respects the development of the University paralleled the growth of the state itself this book is therefore a valuable contribution to the cultural and intellectual history of the nineteenth and twentieth centuries in Kansas **The Perils of Prosperity, 1914-1932** William E. Leuchtenburg, 1993-09-15 Traces the trnsformation of the United States from an agrarian isolationist nation into a liberal industrialized power entagled in foreign affairs in spite of itself California's Prodigal Sons Spencer C. Olin, 2023-11-15 California's Prodigal Sons Hiram Johnson and the Progressives 1911 1917 provides an in depth examination of the transformative Progressive Era in California under the leadership of Governor Hiram W Johnson This study shifts the focus

from ideological analysis to practical governance chronicling Johnson's efforts to implement reform and establish efficient public services that prioritized the public good over special interests With its chronological approach the book explores key legislative accomplishments addressing railroad control corruption labor conditions and resource management Drawing on newly available manuscripts including the Hiram Johnson Papers the book offers fresh insights into Johnson's administration and its lasting impact on state and national progressivism In addition to highlighting Johnson's reforms the book delves into the intense conflict between progressives and conservatives during this era culminating in the pivotal 1916 Hughes campaign which tested Johnson's political dominance. The narrative captures the dynamic interplay of politics personality and policy revealing Johnson as a zealous leader whose identity was deeply intertwined with his reform agenda Through detailed analysis and rich historical context California's Prodigal Sons sheds light on the broader Progressive movement while offering a compelling portrait of a pivotal figure in California's history This title is part of UC Press's Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1968 **Righteous Pilgrim:** The Life and Times of Harold L. Ickes, 1874-1952 T. H. Watkins, 2019-08-15 Born in rural western Pennsylvania Harold LeClair Ickes 1874 1952 son of a gambler womanizer drunk father and of a strictly reared Presbyterian mother grew up desperately poor and desperately ambitious He became a Chicago newsman during its gilded era a key figure in the Progressive Party and in FDR's cabinet became America's longest serving and most influential Interior Secretary As Interior Secretary he helped change the face of America forging that department into the most powerful tool for the protection of our lands He was also a major force in reshaping the character and quality of American society often seeming to speak ex cathedra as the conscience of FDR's administration Opinionated vigorously outspoken as impassioned defending minorities as defending our wild places Ickes who happily styled himself the Old Curmudgeon was arguably the most controversial and most beloved figure in the New Deal When Ickes wrote his first column in the New Republic the editors of the magazine introduced him on May 2 1949 as old enough to be called an Elder Statesman but he is too salty for that label He himself has cheerfully accepted the epithet of Curmudgeon which likewise is insufficient to his case A more accurate description would be that he is America's most venerable progressive and one of the stoutest fighters at any age for justice and good government Righteous Pilgrim was a non fiction National Book Award finalist in 1990 and received the Los Angeles Times Book Prize for biography in 1991 and was a finalist for the National Book Critics Circle Award an outstanding biography that is also a major work of social history spanning the first half of the 20th century Ickes was a courageous public servant who in Righteous Pilgrim receives long overdue recognition Herbert Mitgang The New York Times highly successful Written in a delightful conversational style that disguises the impressive scholarly research that went into its preparation this is an

appreciative biography of a man who was so temperamental thin skinned and bluntly outspoken that he acknowledged these traits himself This thoughtful readable and yet gripping book is so persuasive it may well force a more positive reassessment of the New Deal Righteous Pilgrim is likely to be one of the most significant histories of the Progressive and New Deal reform impulse to appear in a decade Howard R Lamar Washington Post an elegant and exhaustive new biography of Ickes Using primary sources such as the diary Ickes religiously maintained through most of his life with great sensitivity Watkins provides an astonishingly intimate portrait of a public man Watkins editor of The Wilderness Society magazine Wilderness is a wonderfully skillful writer As Watkins powerfully demonstrates in this rewarding and illuminating work Ickes had no shortage of ego but his real fuel was conviction burning at an octane hardly ever seen in Washington any more Ronald Brownstein Los Angeles Times an engaging monumental biography Publishers Weekly Researched with amazing thoroughness and organized with a sure hand this will undoubtedly prove to be the definitive work on Harold L Ickes Watkins portrays the currents of political maneuvering that swirled and eddied about Ickes with admirable clarity A complex fascinating and convincing portrait Kirkus Reviews a worthy well written biography Clayton R Koppes Reviews in American History Harold Ickes was one of the most interesting political figures of the first half of the twentieth century and T H Watkins vividly sets forth both the complexities of his personality and personal life and the remarkable scope of his achievements Frank Freidel A superbly written story of the preeminent Progressive of this century I couldn t put it down Stewart L Udall Righteous Pilgrim is one of those rare and wonderful biographies that are at once incisive portraiture and important social history Wallace Stegner Harold Ickes stomps across the pages of T H Watkins s biography as one of the most arresting and essential figures of the American twentieth century Frederick Turner At last a biography worthy of its extraordinary subject vivid impassioned larger than life Geoffrey C Ward The Wisdom of the Great Sam Maidi.2012-03 For nearly two decades he has been reading studying researching and compiling the best and most impressive quotations for writing The Wisdom of The Great The book is about the lives works achievements and quotations of over 450 notables from 50 countries of the world It contains over 2600 quotations in the span of three millenniums 9th century B C to the present time Nearly 250 of the individuals have detailed biographies It is arranged chronically and has a comprehensive glossary names index and subject index What is great about this book is that there are 86 notables 68% whose names are mentioned in the book People Who Made America And 30 people in the book 100 People Who Influenced and Changed the World It is not only a quotation book but also a literary piece a book of biographies and an accurate reference book Read them again and again seeking their wisdom their joy their passion and their beauty The Wisdom of the Great has been accepted for the 2013 Kansas Notable Books List **Rhetoric As Currency** Davis W. Houck, 2001 Hoover the president of economic depression Roosevelt the president of recovery the public images of these two men are so firmly fixed that they offer shorthand ways to talk about the era we know as the Great Depression Yet their views on economic policy for taking the

country out of its greatest economic calamity were not so different as is often supposed Indeed the famed journalist Walter Lippmann once claimed that Roosevelt's legislative measures represented a continuous evolution of the Hoover measures Moreover both Hoover and Roosevelt shared a Keynesian conviction that public confidence was vital to recovery They differed markedly of course in their ability to restore that confidence Roosevelt's advantage lay not just in his position in the changing of the guard He employed a skilled staff of speech writers and he had the negative example of Hoover before him from which to plot rhetorical strategies that would be more effective In Rhetoric as Currency Houck uses the historical context of the Great Depression to explore the relationship of rhetoric to the economy and specifically economic recovery He closely analyzes Hoover's rhetorical corpus from March 4 1929 through March 3 1933 and Roosevelt's from January 3 1930 through June 16 1933 This longitudinal study allows him to understand rhetoric as a process rather than a series of isolated discrete products Houck first examines Hoover's presidential rhetoric tracing its paradoxes and the radical shift that occurred in the final year of his administration The Depression in his rhetoric was a foe to be vanquished by an optimistic Christian and civic faith not federal legislation Once he determined that federal intervention was indeed required he could not return to the dais rather he relied on an antagonistic press to carry his message of confidence Abdicating the rhetorical pulpit he left it in the hands of those opposed to him Houck then studies the economic rhetoric of Franklin Roosevelt as governor candidate president elect and finally president He traces the key similarities and differences in Roosevelt s economic rhetoric with particular attention to an embodied economics wherein recovery was premised less on mental optimism than a physical active confidence The Great Depression David F. Burg, 2009 Presents a history of the Great Depression including the events that led up to it and the New Deal that followed with chronologies personal narratives and documents Alternative Paths David W. McFadden, 1993-03-25 Between 1917 and 1920 from the Bolshevik Revolution to the definitive statement of American opposition to Bolshevik Russia Soviets and Americans searched for ways to effect meaningful interactions between their two nations in the absence of formal diplomatic relations During these years wide ranging discussions occurred on a variety of serious issues from military collaboration and economic relations to the comprehensive settlement of political and military disputes At the same time extensive debates took place in both countries about the nature of the relations between them As McFadden shows in this pathbreaking book based on research in Soviet archives as well as previously unused private collections and government archives in the United States and Great Britain a surprising number of concrete agreements were reached between the two countries These included continued operation of the American Red Cross in Russia the transfer of war materials from the Russian army to the Americans the sale of strategic supplies of platinum from the Bolsheviks to the United States and the exemption of a number of American corporations from Soviet government nationalization decrees Numerous important diplomats and politicians were involved in these negotiations McFadden offers a timely reevaluation in a post Cold War era Herbert Hoover in the White House Charles

Rappleye,2017-05-23 Describes the uphill battle faced by the thirty first president who served his single term during the Great Depression portraying the man as bright well meaning and energetic but ultimately lacking in the tools of leadership Publisher

This book delves into Selected Letters Of William Allen White. Selected Letters Of William Allen White is an essential topic that must be grasped by everyone, from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Selected Letters Of William Allen White, encompassing both the fundamentals and more intricate discussions.

- 1. This book is structured into several chapters, namely:
  - Chapter 1: Introduction to Selected Letters Of William Allen White
  - Chapter 2: Essential Elements of Selected Letters Of William Allen White
  - Chapter 3: Selected Letters Of William Allen White in Everyday Life
  - Chapter 4: Selected Letters Of William Allen White in Specific Contexts
  - ∘ Chapter 5: Conclusion
- 2. In chapter 1, the author will provide an overview of Selected Letters Of William Allen White. The first chapter will explore what Selected Letters Of William Allen White is, why Selected Letters Of William Allen White is vital, and how to effectively learn about Selected Letters Of William Allen White.
- 3. In chapter 2, the author will delve into the foundational concepts of Selected Letters Of William Allen White. This chapter will elucidate the essential principles that must be understood to grasp Selected Letters Of William Allen White in its entirety.
- 4. In chapter 3, this book will examine the practical applications of Selected Letters Of William Allen White in daily life. This chapter will showcase real-world examples of how Selected Letters Of William Allen White can be effectively utilized in everyday scenarios.
- 5. In chapter 4, this book will scrutinize the relevance of Selected Letters Of William Allen White in specific contexts. This chapter will explore how Selected Letters Of William Allen White is applied in specialized fields, such as education, business, and technology.
- 6. In chapter 5, the author will draw a conclusion about Selected Letters Of William Allen White. The final chapter will summarize the key points that have been discussed throughout the book.
  - This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of Selected Letters Of William Allen White.

#### **Selected Letters Of William Allen White Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Selected Letters Of William Allen White has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Selected Letters Of William Allen White has opened up a world of possibilities. Downloading Selected Letters Of William Allen White provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly

convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Selected Letters Of William Allen White has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Selected Letters Of William Allen White. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Selected Letters Of William Allen White. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Selected Letters Of William Allen White, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Selected Letters Of William Allen White has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

#### **FAQs About Selected Letters Of William Allen White Books**
