Selected Poems Of Dunbar And Henryson:

Selected Poems of Robert Henryson and William Dunbar Robert Henryson, 1998 Selected Poems of Henryson and Dunbar William Dunbar, Priscilla J. Bawcutt, Robert Henryson, Felicity Riddy, 1992-01-01 The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries **Selected Poems and Songs** Robert Burns, 2013-01-10 The Poetic Genius of my Country bade me sing the loves the joys the rural scenes and rural pleasures of my natal Soil in my native tongue Many of the poems and songs of Robert Burns 1759 96 are familiar to readers the world over lyrical acerbic comic bawdy democratic They include To a Mouse John Anderson my Jo A red red Rose Auld lang syne Tam o Shanter and many more whose vernacular energy and simple beauty have ensured lasting popularity This generous new selection offers Burns s work as it was first encountered by contemporary readers presenting the texts in the contexts in which they were originally published It reproduces the whole of Poems chiefly in the Scottish Dialect published at Kilmarnock in 1786 the volume which made Burns famous and it reunites a generous selection of songs from *The Scots Musical Museum* and *A Select Collection of Scottish Airs* with their full scores Comprehensive notes describe the circumstances in which other poems and songs found their way into print both before and after the poet s death The edition also includes some important letters and a full glossary to explain Scots words The Trials and Joys of Marriage Eve Salisbury, 2002-05-01 The disparate texts in this anthology produced in England between the late thirteenth and the early sixteenth centuries challenge and in some cases parody and satirize the institution of marriage In so doing according to the Introduction they allow us to interrogate the traditional assumptions that shape the idea of the medieval household The trials of marriage seem to outweigh its joys at times and as some of these texts suggest maintaining a sense of humor in the face of what must have been great difficulty could have been no easy task The texts bridge generic categories Some are obscure written by anonymous authors others are familiar written by the likes of John Lydgate John Wyclif and William Dunbar Taken together they suggest that despite the fact that marriage had become a sacrament in the twelfth century and was increasingly recognized by ecclesiastical and secular authorities as a valuable social institution it was not always a stabilizing and orderly social force Authors of the Middle Ages, Volume III, Nos 7-11 N.F. Blake, Douglas Gray, 2016-12-05 *Authors of the Middle Ages* is a series designed for research and reference The aim is to combine in one compact work a biography of a medieval author with all the information needed for further research The series is divided into

two sub series The first edited by M C Seymour focuses on English Writers of the Late Middle Ages and the second edited by Patrick Geary deals with Historical and Religious Writers of the Latin West William Caxton was the first English printer and publisher of printed books He translated many books into English and by the prologues and epilogues added to many of his printed works he helped to establish literary tastes and fashions at the end of the medieval period The life of Reginald Peacock bishop heretic and author reflects the many controversies of 15th century England Drawing on many contemporary sources and based on fresh research Wendy Scase offers a new interpretation of an enigmatic writer Douglas Gray traces the lives of the two poets Robert Henryson and William Dunbar Among the several distinguished poets of late medieval Scotland Henryson stands out for his humanity learned wit and imaginative power while Dunbar was one of the most spectacular flamboyant and versatile Scottish poets of the Middle Ages This study gives an account of the little that is known of their lives and extensively details both their works and later scholarship John Capgrave 1393-1464 was an Augustinian friar Cambridge theologian hagiographer and chronicler who became Prior Provincial of his order His life presented here in the light of fresh research and with full documentation illuminates the importance of the order in the troubled times of mid 15th century England

The narrative grotesque in medieval Scottish poetry Caitlin Flynn, 2022-04-05 The Narrative Grotesque examines late medieval narratology in two Older Scots poems Gavin Douglas's The Palyce of Honour c 1501 and William Dunbar's The Tretis of the Tua Mariit Wemen and the Wedo c 1507 The narrative grotesque is exemplified in these poems which fracture narratological boundaries by fusing disparate poetic forms and creating hybrid subjectivities Consequently these poems interrogate conventional boundaries in poetic making The narrative grotesque is applied as a framework to elucidate these chimeric texts and to understand newly late medieval engagement with poetics and narratology
