Selected Works of Djuna Barnes Djuna Barnes, 1980 *Silence and Power* Mary Lynn Broe, 1991 Seventeen essayists study this enigmatic author's works not in the traditional style in which they were first reviewed but rather through a range of contemporary interpretations that resituate Barnes in the context of literary theory and feminist revisions of modernism Paper edition unseen 13 95 Annotation copyrighted by Book News Inc Portland OR **AB Bookman's Weekly**, 1999

The Outside Thing Hannah Roche, 2019-05-28 In a lecture delivered before the University of Oxford's Anglo French Society in 1936 Gertrude Stein described romance as the outside thing that is always a thing to be felt inside Hannah Roche takes Stein's definition as a principle for the reinterpretation of three major modernist lesbian writers showing how literary and affective romance played a crucial yet overlooked role in the works of Stein Radclyffe Hall and Djuna Barnes The Outside Thing offers original readings of both canonical and peripheral texts including Stein's first novel *Q E D* *Things As They Are* Hall's *Adam's Breed* and *The Well of Loneliness* and Barnes's early writing alongside *Nightwood* Is there an inside space for lesbian writing or must it always seek refuge elsewhere Crossing established lines of demarcation between the in and the out the real and the romantic and the Victorian and the modernist The Outside Thing presents romance as a heterosexual plot upon which lesbian writers willfully set up camp These writers boldly adopted and adapted the romance genre Roche argues as a means of staking a queer claim on a heteronormative institution Refusing to submit or surrender to the straight traditions of the romance plot they turned the rules to their advantage Drawing upon extensive archival research The Outside Thing is a significant rethinking of the interconnections between queer writing lesbian living and literary modernism

Representations of Childhood in American Modernism Mason Phillips, 2016-10-31 This book documents American modernism's efforts to disenchant adult and child readers alike of the essentialist view of childhood as redemptive originary and universal For James Barnes Du Bois and Stein the twentieth century's move to position the child at the center of the self and society raised concerns about the shrinking value of maturity and prompted a critical response that imagined childhood and children's narratives in ways virtually antagonistic to both In this original study Mason Phillips argues that American modernism's widespread critique of childhood led to some of the period's most meaningful and most misunderstood experiments with interiority narration and children's literature Performing Queer Modernism Penny Farfan, 2017 Focusing on some of the

best known and most visible stage plays and dance performances of the late nineteenth and early twentieth centuries Penny Farfan's interdisciplinary study demonstrates that queer performance was integral to and productive of modernism that queer modernist performance played a key role in the historical emergence of modern sexual identities and that it anticipated and was in a sense foundational to the insights of contemporary queer modernist studies Chapters on works from Vaslav Nijinsky's *Afternoon of a Faun* to Noël Coward's *Private Lives* highlight manifestations of and suggest ways of reading queer modernist performance Together these case studies clarify aspects of both the queer and the modernist and how their co-productive intersection was articulated in and through performance on the late nineteenth and early twentieth century stage *Performing Queer Modernism* thus contributes to an expanded understanding of modernism across a range of performance genres the central role of performance within modernism more generally and the integral relation between performance history and the history of sexuality It also contributes to the ongoing transformation of the field of modernist studies in which drama and performance remain under represented and to revisionist historiographies that approach modernist performance through feminist and queer critical perspectives and interdisciplinary frameworks and that consider how formally innovative as well as more conventional works collectively engaged with modernity at once reflecting and contributing to historical change in the domains of gender and sexuality **Subject Guide to Books in Print**, 1997

Eliot Woolf Joyce Faulkner Hemingway Huxley and others responded to the immediate challenges of their time to the implications of Freudian psychology molecular theory relativist theory and the general weakening of religious faith Assuming that artists and writers in coping with those problems would develop techniques in many ways comparable even where there was no direct contact he positions Modernist literature within the context of contemporary painting architecture and sculpture thereby providing some fascinating insights into the nature of the literary works themselves *Teaching Modernist Women's Writing in English* Janine Utell, 2021-04-25 Offers pedagogical techniques for teaching anglophone modernist writing by Virginia Woolf Gertrude Stein Dorothy Richardson Jean Rhys Nella Larsen and others Gives syllabus suggestions for undergraduate and graduate courses in literature and writing Covers topics such as feminism gender identity canon formation politics activism and war Suggests many digital humanities approaches *S.A. Weller, 2012-09-27 This volume explores the impact of sexological and early psychoanalytic conceptions of sexual perversion on the representation of the erotic in the work of a range of major European modernists including Joyce Kafka Lawrence Mann Proust and Rilke as well as in that of some less well known figures of the period such as Dujardin and Jahn **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R
