William Cobbett: Selected Writings Leonora Nattrass, 2021-05-19 William Cobbett 1763 1835 was a prolific writer best known as the anti Radical founder of Cobbett s Political Register which ran from 1802 35 This collection of his writings presents the texts fully reset and annotated with biographical and analytical introductions **Select Writings Volume 1** Samuel Trott, 2015-10-18 Samuel Trott was one of the leading Baptist frontier ministers a firm Predestinarian an Exalter of Christ Alone one who contended in earnest for that faith once delivered unto the saints Along with Gilbert Beebe he was one the most influential of that group of Particular Baptists which came to be known as Old School With this volume of Trott s Writings as selected from the Signs of the Times we hope under the blessing of the LORD to attempt to establish afresh a renewed evaluation and appreciation of the writings of one who faithfully served his generation in setting forth the Glories of Christ s Redemption Grace not only to those who were privileged to sit under his Ministry but to many subsequent generations of Christ minded I Cor 2 16 believers even to this dark day wherein the Essential Truths of the Gospel are for the most part thrown aside or trampled underfoot by men whose minds have been corrupted from the simplicity or singleness

that is in Christ **Collected Writings of James Thornwell V4** James Henley Thornwell, 2009-06-04 With our American Philosophy and Religion series Applewood reissues many primary sources published throughout American history Through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of Americans who came before us Selected Writings on Soviet Law and Marxism P. Stučka, 1988 The Latvian born legal theorist P I Stuchka 1865 1932 generally recognized as one of the principal architects of modern Soviet legal theory and the Soviet legal system itself was a prodigious author and editor Twenty essays by Stuchka written between 1917 and 1931 were selected for translation in this volume Annotation copyrighted by Book News Inc Portland OR **Social Democracy in the Making** Gary Dorrien, 2019-04-23 An expansive and ambitious intellectual history of democratic socialism from one of the world s leading intellectual historians and social ethicists The fallout from twenty years of neoliberal economic globalism has sparked a surge of interest in the old idea of democratic socialism a democracy in which the people control the economy and government no group dominates any other and every citizen is free equal and included With a focus on the intertwined legacies of Christian socialism and Social Democratic politics in Britain and Germany this book traces the story of democratic socialism from its birth in the nineteenth century through the mid 1960s Examining the tenets on which the movement was founded and how it adapted to different cultural religious and economic contexts from its beginnings through the social and political traumas of the twentieth century Gary Dorrien reminds us that Christian socialism paved the way for all liberation theologies that make the struggles of oppressed peoples the subject of redemption He argues for a decentralized economic democracy and anti imperial internationalism **American Literature and the Culture of Reprinting, 1834-1853** Meredith L. McGill, 2013-10-11 The antebellum period has long been identified with the belated emergence of a truly national literature And yet as Meredith L McGill argues a mass market for books in this period was built and sustained through what we would call rampant literary piracy a national literature developed not despite but because of the systematic copying of foreign works Restoring a political dimension to accounts of the economic grounds of antebellum literature McGill unfolds the legal arguments and political struggles that produced an American culture of reprinting and held it in place for two crucial decades In this culture of reprinting the circulation of print outstripped authorial and editorial control McGill examines the workings of literary culture within this market shifting her gaze from first and authorized editions to reprints and piracies from the form of the book to the intersection of book and periodical publishing and from a national literature to an internally divided and transatlantic literary marketplace Through readings of the work of Dickens Poe and Hawthorne McGill seeks both to analyze how changes in the conditions of publication influenced literary form and to measure what was lost as literary markets became centralized and literary culture became stratified in the early 1850s American Literature and the Culture of Reprinting 1834 1853 delineates a distinctive literary culture that was regional in articulation and transnational in scope while questioning the grounds of the startlingly recent but nonetheless powerful equation of the national interest with

the extension of authors rights **Marxism and Art** Maynard Solomon,1979 Marxism and Art is a book of basic readings in Marxist criticism and aesthetics Maynard Solomon through his selections and critical introductions shows connections between the arts and society between imagination and history and between art and revolution He selects from thirty six authors to reveal the range of opinion from dogma to heresy beginning with excerpts from the works of Marx and Engels that are pertinent to an understanding of Marxist philosophy The book traverses a wide range of subjects from the origins of art to the nature of creativity the aesthetic experience the dialectics of consciousness the psychology of art and the evolution of art forms The sources of art in ritual in the labor process in the play drive and in social conflict are explored **The Collected Letters of Harriet Martineau** Deborah Logan,2024-07-31 This five volume set brings together the surviving letters penned by Harriet Martineau the nineteenth century writer and women s rights advocate Throughout her fifty year career Harriet Martineau s prolific literary output was matched only by her exchanges with a range of high profile British American and European correspondents This set focuses on the letters written by Martineau contextualising the correspondence through annotation of the highest standard This book is a unique and highly valuable resource for students of and others interested in the history of feminism *The Selected Letters of Charles Dickens* Charles Dickens,2012-02-02 Charles Dickens s letters provide vivid close up snapshots of a life lived at maximum intensity This volume offers the first selection to be made from the magisterial twelve volume British Academy Pilgrim Edition of his letters From over fourteen thousand editor Jenny Hartley has cherrypicked four hundred and fifty to give readers the essence of the Sparkler of Albion This eagerly awaited selection takes us straight to the heart of his life to show us Dickens at first hand Here he is writing out of the heat of the moment as a novelist journalist and magazine editor as a social campaigner and traveler in Europe and America and as friend lover husband and father These letters were an outlet for his high spirits sparkling wit and caustic commentary striking glimpses of the world around him as seen through his highly individual and acutely observing eye Whether you dip in or read straight through this selection of his letters captures anew the brilliance of Dickens and the sheer pleasure of being in his company *Blood Relations* Chris Knight,2013-10-15 The emergence of symbolic culture is generally linked with the development of the hunger gatherer adaptation based on a sexual division of labor This original and ingenious book presents a new theory of how this symbolic domain originated Integrating perspectives of evolutionary biography and social anthropology within a Marxist framework Chris Knight rejects the common assumption that human culture was a modified extension of primate behavior and argues instead that it was the product of an immense social sexual and political revolution initiated by women Culture became established says Knight when evolving human females began to assert collective control over their own sexuality refusing sex to all males except those who came to them with provisions Women usually timed their ban on sexual relations with their periods of infertility while they were menstruating and to the extent that their solidarity drew women together these periods tended to occur in synchrony The result was that every month

with the onset of menstruation sexual relations were ruptured in a collective ritualistic way as the prelude to each successful hunting expedition This ritual act was the means through which women motivated men not only to hunt but also to concentrate energies on bringing back the meat Knight shows how this hypothesis sheds light on the roots of such cultural traditions as totemic rituals incest and menstrual taboos blood sacrifice and hunters atonement rites Providing detailed ethnographic documentation he also explains how Native American Australian Aboriginal and other magico religious myths can be read as derivatives of the same symbolic logic *Auction catalogues of books* Puttick and Simpson (messrs.),1846

The Collected Writings of Thomas De Quincey Thomas De Quincey,David Masson,1897 **Rousseau's Platonic**

Enlightenment David Lay Williams,2010-11-01 In this sterling deeply researched study Williams explores how thinkers ranging from Hobbes to d Holbach highlight various sets of ideas that Rousseau combated in developing his philosophical teaching The account of Rousseau s predecessors who might be called Platonists is especially interesting as is the account of those who qualify as materialists Moreover Williams provides a good overview of Rousseau s teaching demonstrates a commendable grasp of the relevant secondary literature and argues ably for the superiority of his own interpretations Clearly written and superbly organized this book contributes much to Rousseau studies An indispensable book for Rousseau scholars this volume also will appeal to general readers and students at all levels C E Butterworth CHOICE *Encyclopedia of the Essay* Tracy Chevalier,2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies *Elective Affinities* Catriona MacLeod,Véronique Plesch,Charlotte Schoell-Glass,2009 Preliminary Material Introduction Catriona MacLeod Summaries Consulting the Manual Word and Image in Marcel Duchamp s tant donn s Michael R Taylor Living and Dying in the Limelight Performing the Self in Frida Kahlo s Diary and Paintings Adriana Dragomir Imbrication de l image du texte et de la musique dans un corpus de pri res nigmatiques la Vierge Laurence Wuidar The K nstlerroman as Romantic Arabesque Parody Collaboration and the Making of The Modern Vasari 1854 Cordula Grewe The Inscapes of Louis le Brocquy Karen E Brown American Scenery Canadian Scenery Conflicting Views of Indigenes in Mid Nineteenth Century British Portrayals of the American Continent Robert Grant Cartoonists as Matchmakers The Vibrant Relationship of Text and Image in the Work of Lynda Barry Miriam Harris The Truth of the Word the Falsity of the Image Transmetropolitan s Critique of the Society of the Spectacle Steen Christiansen Le magazine fran ais Vu 1928 40 Naissance de l information visuelle et utopie de la substitution de l image photographique au texte crit Danielle Leenaerts From Ekphrasis to History Verbal Transformations of the Display of Picture Galleries Wilhelm

Parallax of Growth Ole Bjerg, 2018-03-15 Parallax of Growth explores the ideas of economy and ecology and the factors that have put them on a collision course Bjerg argues that our current mode of economic organization is characterized by an inherent debt drive whereby the creation of money through the issuance of commercial bank credit has locked our economy into a vicious circle of forced growth and increasing debt Parallax of Growth is not a catalogue of solutions to the ecological or the economic crisis The book aims to shift the inquiry from what shall we do to why have we not already done it In order to address the challenges of our contemporary times of crisis we need to understand how the idea of growth is deeply ingrained in the ideology as well as the organization of our society The book aims to open the space for philosophical thinking about this important issue
