Someone to Love Norma Fox Mazer,2015-05-19 Nina always thought that if just one person would love her perfectly and completely she d never be alone again Nina s the first person in her family to leave home and go to college Maybe that s why she feels so isolated once she gets there especially compared to some of the other students like her roommates who have been friends for so long they can finish one another s sentences But it seems like her narrow small town past hasn t prepared her for this life in which everyone else knows things about the world that she doesn t Afraid of falling behind in her classes all Nina does is study and wonder if she ll always be this lonely But then she meets Mitch He introduces himself from the top of some scaffolding taking a break from painting the house next door to hers Their growing relationship frees Nina from her self doubt finally someone to love who loves her back Their togetherness is perfect but can it stay that way forever

Downtown Norma Fox Mazer,2015-05-19 In real life happily ever after can be hard to come by Pete Greenwood loves

history Any era or country will do as long as the books are lengthy and full of the past But that may be because Pete s own history is a work of fiction For the last eight years he s lived with his uncle Gene under an assumed name He s had to keep his parents existence a secret ever since they committed an act of political protest that went tragically wrong Living a double life makes Pete feel isolated and alone until he meets the cool and collected Cary Longstreet Cary s playing a role too looking perfect on the outside to hide secrets of her own Slowly learning to trust each other Pete and Cary start to share their truths both of them dreaming of happy endings to their stories and the chance to let go of all their worries But real life doesn t always wrap itself up as neatly as we d like *Three Sisters* Norma Fox Mazer,2015-05-19 How s a girl supposed to know when she s in love and more importantly how does she get out of it One remarkable older sister would be bad enough but Karen Freed has two Liz a beautiful poet and Tobi compellingly intense and argumentative Karen knows she couldn t possibly compete but it would be nice to be known for something of her own The three have been inseparable all through Karen s childhood but now her sisters have moved into a world that Karen can t yet share and their blossoming romances make her feel left out Karen wishes some of their romance would rub off on her She has Davey but he s more best friend than love interest and despite his many advances Karen knows it wasn t meant to be Is something wrong with her Will she even know when love comes her way Then she falls head over heels for someone she definitely can t have Scott Liz s boyfriend Her feelings cause a rift between her and Liz one that Karen might not be able to fix But if anything has ever brought these three sisters together it s coming to one another s rescue **Girlhearts** Norma Fox Mazer,2015-06-16 Some families you re born into some you have to find for yourself Sarabeth Silver knows that her mom is different Jane Silver is younger prettier harder working and poorer making just enough money cleaning houses for her and Sarabeth to live in a little trailer It s always been just the two of them but when tragedy suddenly strikes Sarabeth will have to figure things out on her own Sarabeth has never known either of her parents families who refused to help when Jane got pregnant at sixteen Is it worth trying to find them after they rejected her parents so long ago She knows her friends would be willing to help but how can she lean on them when what she really wants is the open hearts of relatives she s not even sure exist And if they are out there how will they feel about Sarabeth after all these years *Missing Pieces* Norma Fox Mazer,2015-06-16 Jessie s father has always been a missing piece of her life but if she were to find him how would he feel about her Jessie Wells thinks four is a good number Things with four sides are sturdy and strong A box a chair a room with four walls But ever since the day Jessie s dad left Jessie her mother and Aunt Zis have been a triangle three sided though solidly linked Jessie has heard the story Her beautiful young mother had married a prince who disappeared one day so she had raised her daughter with the help of Aunt Zis But lately the picture in Jessie s mind seems incomplete Who is James Wells she wonders He must be more than just a deadbeat dad who deserted his wife and child and Jessie is determined to find out even if she has to call every Wells in the phone book and there are a lot of them But if Jessie finds her father and asks him all her questions will she like the answers
