Daring to Speak of Darkness Pierre S. Freeman,2023-06-23 Daring to Speak of Darkness is a review of anti cult literature by cult whistleblower Pierre S Freeman Freeman was trapped in the religious cult AMORC for twenty six years As a poor immigrant with most of his family still living in Haiti Freeman could not afford professional counseling and was alone in his battle to break free from AMORC Desperately torn when he discovered the French government had labeled AMORC a cult Freeman began searching the Internet for help He found a group of authors who had written lucid clear anti cult literature By reading their works Freeman was able to slowly and painfully piece together the main cause of his lack of clarity for decades he had been subject to covert mind control Daring to Speak of Darkness pays homage to Margaret Thaler Singer and Stephen Hassan as well as other writers like Janja Lalich Robert Jay Lifton and Madeline Tobias It reviews some of the world s best anti cult literature and applies their insights to AMORC The book also highlights principles of indoctrination that cults of all kinds use The authors of these anti cult books risked much to take on powerful organizations and stop the tyranny of cult activities including harassment verbal and potential physical abuse and even their own lives They are truly those who dared to speak of darkness
