Selfabebment Of Hearing And Related Functions

William Noble

Selfassessment Of Hearing And Related Functions:

Self-Assessment of Hearing and Related Function William Noble, 1998 The opening chapter of the book examines matters of theoretical debate relevant to the self assessment approach overall It also looks at technical points from the world of psychometrics and considers the motive for using self assessment Chapter 2 records the principal self assessment devices concerning hearing impairment that have emerged to date plus subsequent published work using one or more of these scales Chapter 3 focuses on an analysis of data using one such scale derived from a sufficiently varied set of backgrounds so as to allow certain methodological and epidemiological questions to be scrutinized Chapters 4 6 address other areas of audiological and related practice and research where self assessment has emerged
