

6 Smart Strategies for Selling to China Without Being in China

Selling China

Vai lo Lo, Xiaowen Tian

Selling China:

Selling China Yasheng Huang, 2003 In this book Yasheng Huang makes a provocative claim the large absorption of foreign direct investment FDI by China is a sign of some substantial weaknesses in the Chinese economy The primary benefits associated with China's FDI inflows are concerned with the privatization functions supplied by foreign firms venture capital provisions to credit constrained private entrepreneurs and promotion of interregional capital mobility Huang argues that one should ask why domestic firms cannot supply the same functions China's partial reforms while successful in increasing the scope of the market have so far failed to address many allocative inefficiencies in the Chinese economy

China's Domestic Private Firms: Anne S. Tsui, Yanjie

Bian, 2014-12-18 One of the most important outcomes of market reforms in China over the past 20 years has been the emergence of a significant domestic private sector which now accounts for almost a third of China's GDP and is by far the country's most important source of employment growth. This book is the first in depth analysis of the management and operation of these domestic private firms which are defined as companies or organizations created by PRC citizens including township enterprises and collectives. The book provides a comprehensive and multidisciplinary perspective on the factors important to the successful operation and growth of these firms. It begins with a review of the literature on the topic in three different disciplines economics sociology and management each followed by several chapters covering recent developments in these areas. Featuring contributions by distinguished scholars and China experts the work concludes with an insightful chapter on the future of China's public sector in the global economy. **Anti-dumping Law and Practice of China**

Xiaochen Wu, 2009-01-01 For over a decade China has been globally recognized as the leading recipient of antidumping measures. On the other hand China's use of antidumping measures is equally noteworthy. Xiaochen Wu's timely book takes a

very practical approach as it examines its subject in a broad context Besides providing a rich and detailed interpretation of the legal provisions it discusses complex technical aspects of the Chinese antidumping law in a very pragmatic way notably by providing actual instances of their application in the antidumping investigations conducted by the Chinese Ministry of Commerce MOFCOM This book is also very handy since it consolidates detailed statistics pertaining to Chinese antidumping proceedings since 1997 as well as all important legal texts including China s antidumping law and the 15 MOFCOM implementing provisions along with relevant legal interpretation Readers will quickly discover that the book is thoroughly enriched with the thoughtful commentary and pertinent observations of its author Having addressed and understood antidumping matters both from the public and private sector perspective Xiaochen Wu provides a very unique and extensive analysis of the Chinese antidumping law and its practice In sum this work incorporates the essence of his personal experience as witnessed in the insightful examination of each antidumping provision and thoughtful reflections on complicated and exceptional situations which have come up in trade proceedings or which may very well arise in the not too distant future
