Selling Illusions The Cult Of Multiculturalism In Canada:

Selling Illusions Neil Bissoondath,1994 Since he immigrated to Canada two decades ago Neil Bissoondath has consistently refused the role of the ethnic and sought to avoid the burden of hyphenation a burden that would label him as an East Indian Trinidadian Canadian living in Quebec Bissoondath argues that the policy of multiculturalism with its emphasis on the former or ancestral homeland and its insistence that There is more important than Here discourages the full loyalty of Canada s citizens Through the 1971 Multiculturalism Act Canada has sought to order its population into a cultural mosaic of diversity and tolerance Seeking to preserve the heritage of Canada s many peoples the policy nevertheless creates unease on many levels transforming people into political tools and turning historical distinctions into stereotyped commodities It encourages exoticism highlighting the differences that divide Canadians rather than the similarities that unite them *Selling Illusions* is Neil Bissoondath s personal exploration of a politically motivated public policy with profound private ramifications a policy flawed from its inception but implemented with all the political zeal of a true believer

Selling Illusions Neil Bissoondath,2009 **Global Multiculturalism** Grant H. Cornwell,Eve Walsh Stoddard,2001 Global Multiculturalism offers a rich collection of case studies on ethnic racial and cultural diversity drawn from thirteen countries each unique in the way it understands negotiates and represents its diversity A multi disciplinary group of authors shows how in different nations identity groups are included or made invisible by forced assimilation or reviled even to the point of genocide Framed within a theoretical discussion of national identity transnationalism hybridity and diaspora each chapter surveys the demographics and history of its country and then analyzes the dynamics of diversity With cases ranging from Bosnia to Chiapas Cuba to China and Zimbabwe to France this volume offers a truly global perspective and scope Its genuinely comparative methodology and range of disciplinary perspectives make it a unique resource for all those seeking to understand ethnic conflict and diversity

Multiculturalism In Canada: Evidence and Anecdote Andrew Griffith,2015-08 With over 20 percent of the population foreign born and with more than 250 ethnic origins Canada is one of the world s most multicultural societies Canada s ethnic and religious diversity continues to grow alongside immigration Yet how well is Canada s model of multiculturalism and citizenship working and how well are Canadians whatever their ethnic or religious origin doing Will Canada s relative success compared to other countries continue or are there emerging fault lines in Canadian society Canadian Multiculturalism Evidence and Anecdote undertakes an extensive review of the available data from Statistics Canada Citizenship and Immigration Canada operational statistics employment equity and other sources to answer these questions and provide an integrated view covering economic outcomes social indicators and political and public service participation Over 200 charts and tables are used to engage readers and substantiate the changing nature of Canadian diversity *Multiculturalism in Canada* Hugh Donald Forbes,2019-10-12 Multiculturalism is often thought to be defined by its commitment to diversity inclusivity sensitivity and tolerance but these established values sometimes require contrary

practices of homogenization exclusion insensitivity and intolerance Multiculturalism in Canada clarifies what multiculturalism is by relating it to more basic principles of equality freedom recognition authenticity and openness Forbes places both official Canadian multiculturalism and Quebec s semi official interculturalism in their historical and constitutional setting examines their relations to liberal democratic core values and outlines a variety of practical measures that would make Canada a more open country and a better illustration of what a commitment to egalitarian cultural pluralism now means Consisting of a series of connected essays including careful considerations of the works of Will Kymlicka and Charles Taylor this book provides the first comprehensive account of multiculturalism in Canada Bringing Culture Back In Michael Böss,2015-09-30 Economists used to claim that material self interest and the rational choices of the individual were universal factors that transcended cultural values and differences This position has been challenged by critics who have pointed out the methodological and philosophical weaknesses of this approach They dispute the idea that social order can be explained as the product of the choices of individual agents and that social agents operate independently of their social and cultural values and norms Today there is virtual agreement not only among students of culture but also among social scientists that culture counts in both politics and society as well as in international relations In this book a number of international political scientists economists philosophers and humanist scholars address the role of culture ethnicity and religion in contemporary states and societies Language in Canada John Edwards,1998-07-09 Language in Canada provides an up to date account of the linguistic and cultural situation in Canada primarily from a sociolinguistic perspective The strong central theme connecting language with group and identity will offer insights into the current linguistic and cultural tension in Canada The book provides comprehensive accounts of the original charter languages French and English as well as the aboriginal and immigrant varieties which now contribute to the overall picture It explains how they came into contact and sometimes into conflict and looks at the many ways in which they weave themselves through and around the Canadian social fabric The public policy issues particularly official bilingualism and educational policy and language are also given extensive coverage Non specialists as well as linguists will find in this volume a companion to Language in Australia Language in the USA and Language in the British Isles an indispensable guide and reference to the linguistic heritage of Canada Canada from the Outside in / Le Canada Vu D'ailleurs Pierre Anctil,Zilá Bernd,2006 Selected papers presented at the International Council for Canadian Studies biennial conference held May 25 27 2005 **Reshaping the Mosaic** Ninette Kelley,Jeffrey G. Reitz,Michael J. Trebilcock,2025-04-30 Immigration remains a cornerstone of national policy although it has undergone significant transformations across economic family and refugee admission streams in the past two decades Reshaping the Mosaic offers an insightful exploration of Canada s immigration policy ranging from its historical roots to contemporary developments The book examines the growth in permanent and temporary immigration to Canada It explores changes in selection criteria and evaluates their impact on key policy objectives contributing to Canadian economic

prosperity facilitating family reunification providing refuge for those fleeing persecution and enabling the integration of immigrants and their descendants into Canadian society The book sheds light on the legal political economic and social paradoxes inherent in Canadian immigration policy highlighting shifts in exclusion powers deportation practices settlement support and citizenship rules as well as their implications for Canadian ideals of multiculturalism fairness and integration It documents the lack of transparency and informed public engagement in policy formation and the implications this lack may have on maintaining public confidence and ensuring that immigration policies align with the national interests Driven by a conviction that the contemporary changes in immigration policy need to be examined in a comprehensive and inclusive way Reshaping the Mosaic looks at recent shifts and their implications for society and offers invaluable insights for policymakers scholars and stakeholders aiming to assist the development of a new immigration policy framework

Ebony Roots, Northern Soil Charmaine A. Nelson, 2010-10-12 Ebony Roots Northern Soil is a powerful and timely collection of critical essays exploring the experiences histories and cultural engagements of black Canadians Drawing from postcolonial critical race and black feminist theory this innovative anthology brings together an extraordinary set of well recognized and new scholars engaging in the critical debates about the cultural politics of identity and issues of cultural access representation production and reception Emerging from a national conference in 2005 the book records critiques and yet transcends this groundbreaking event Drawn from a range of disciplines including Art History Communication Studies Cultural Studies Education English History and Sociology the chapters examine black contributions to and participation within the realms of popular music television and film the art world museums academia and social activism In the process the burning issues of access to cultural capital the practice of multiculturalism definitions of black Canadianness and the state of Black Canadian Studies are dissected Attentive to issues of sexuality and gender as well as race the book also explores and challenges the dominance of black Americanness in Canada especially in its incarnation as hip hop Acknowledging a differently constituted and heterogeneous black Canadianness it contemplates the possibility of an identity in dialogue with and yet distinct from dominant ideals of African Americanness Ebony Roots also explores the deficit in Black Canadian Studies across the nation's universities drawing a line between the neglect of black Canadian populations histories and experiences in general and the resulting lack of an academic disciplinary infrastructure Poignant blends of the personal and the political the chapters are both scholarly in their critical insights and rigour and daring in their honesty Ebony Roots defiantly foregrounds the often disavowed issues of institutional racism against blacks in Canadian academia education and cultural institutions as well as the injurious effects of everyday racism In so doing the book challenges the myth of Canada as a racially benevolent and tolerant state the great white north free from racism and the legacy of colonialism Instead the very definitions of Canada and black Canadianness are unpacked and explored Ebony Roots is a necessary history lesson a contemporary cultural debate and a call to action It is a momentous and overdue contribution to Black Canadian Studies and a must read for academics

Staying Italian Jordan Stanger-Ross, 2010-01-15 Despite their twin positions as two of North America's most iconic Italian neighborhoods South Philly and Toronto's Little Italy have functioned in dramatically different ways since World War II Inviting readers into the churches homes and businesses at the heart of these communities Staying Italian reveals that daily experience in each enclave created two distinct yet still Italian ethnicities As Philadelphia struggled with deindustrialization Jordan Stanger Ross shows Italian ethnicity in South Philly remained closely linked with preserving turf and marking boundaries Toronto's thriving Little Italy on the other hand drew Italians together from across the wider region These distinctive ethnic enclaves Stanger Ross argues were shaped by each city's response to suburbanization segregation and economic restructuring By situating malleable ethnic bonds in the context of political economy and racial dynamics he offers a fresh perspective on the potential of local environments to shape individual identities and social experience

The Canadian Alternative Klaus Martens, 2004

10 Days That Shaped Modern Canada Aaron Hughes, 2022-09 Revisiting ten notable days from recent history Aaron W Hughes invites readers to think about the tensions events and personalities that make Canada distinct These indelible dates interweave to offer an account of the political social cultural and demographic forces that have shaped the modern nation The diverse episodes include the enactment of the War Measures Act hockey's Summit Series the patriation of the Constitution the Multiculturalism Act the Cole Polytechnique Massacre victories for gay rights Quebec's second referendum on secession The Tragically Hip's farewell concert the Truth and Reconciliation Commission and ongoing Black equality struggles Each day represents a window on contemporary Canada jumpstarting reflection and conversation about who we are as a nation and how we got here Ten Days That Shaped Modern Canada is the perfect guide for all those curious about the forces that shape our country and about how we understand our place in the world The list of significant days are The 13th of October 1970 The day that then Prime Minister Pierre Elliot Trudeau uttered the phrase Just watch me when asked by a CBC reporter about how far he intended to go to end the FLQ crisis Front de lib ration du Qu bec Three days later

he invoked the War Measures Act that curtailed the civil liberties of Canadians across the country The 28th of September 1972 The day Paul Henderson scored his famous goal in the dying seconds of the final game with the Russians in Moscow to win the Summit Series for Canada at the height of Cold War The come from behind victory which united the nation in a way never seen before revealed as much about Cold War politics as it did about contrasting hockey styles The 17th of April 1982 The day that the Constitution was patriated and the Charter of Rights and Freedoms enshrined within The Charter would go on to shape many features of Canadian life including preventing discrimination on the basis of sexual orientation and allowing women safe and legal access to terminate their pregnancies The 21st of July 1988 The day that the Multiculturalism Act was signed into law thereby continuing the trend of transforming what had been a largely white and Christian Canada into one of the most diverse countries on earth The 6th of December 1989 The day of the Cole Polytechnic massacre in Montreal which began a national conversation on violence against women and subsequently led to a debate on gun ownership The 25th of May 1995 The day the Supreme Court of Canada ruled on Egan v Canada a case brought to the Supreme Court by two gay men who sued Ottawa for the right to claim a spousal pension under the Old Age Security Act Though the court ruled against them all nine judges agreed that sexual orientation was a protected ground and that protection extends to partnerships of lesbians and gay men paving the way for same sex unions and the redefinition of marriage The 30th of October 1995 The day that the Quebec Referendum brought Canada to the brink of a constitutional crisis one towards which it had been moving for years The 2nd of June 2015 The day that the Truth and Reconciliation Commission TRC released its summary report that documented decades of injustices against Indigenous populations in for example the residential school system and that set a path forward for reconciliation The 20th of August 2016 The day of The Tragically Hip s Last Concert in the band s hometown of Kingston ON The Hip a band for which at least the Anglophone part of country had a special place in its heart because of among other things its Canadian infused lyrics had often functioned as a symbolic antidote to the hegemony of American imports The 8th of March 2018 The day federal Finance Minister Bill Morneau and Bank of Canada Governor Stephen Poloz unveiled the new ten dollar bill at a ceremony in Halifax with the portrait of Viola Desmond on it
