Low, 1974      **Mr. William Shakespeare's Comedies, Histories & Tragedies** William Shakespeare, 1623      **The Norton Facsimile of the First Folio of Shakespeare** William Shakespeare, Charlton Hinman, 1996 When it was first published in 1968 this justly famous First Folio of Shakespeare's plays a full sized photographic facsimile that has won the admiration of actors and scholars throughout the world set a new standard for scholarly accuracy introducing among other features a standard system of reference through line numbering based on the lines printed in the 1623 edition Slipcase      *Shakespeare's First Folio: 400th Anniversary Facsimile Edition* William Shakespeare, 2023-10-10 A full size facsimile of one of the most complete early copies of the famed First Folio selected and luxuriously produced by the British Library is a must have for actors playwrights and bibliophiles as well as anyone who truly loves the art of the English language Published in association with the British Library on the 400th anniversary of the first publication of the First Folio this handsome facsimile edition is the clearest and cleanest expression of an original from the library's collection The slipcased edition includes an six page booklet with an introduction by the British Library's lead curator who explain the history and enduring significance of the First Folio First printed in 1623 the First Folio presents thirty six of Shakespeare's plays in one volume and is the only source for eighteen of his plays Without it works such as *The Tempest* *Twelfth Night* and *Macbeth* would be lost Also the First Folio introduced the now familiar organization into comedies histories and tragedies Of the 750 copies originally produced only some 200 remain today Interestingly no two copies are identical and few surviving First Folios are complete One work *Troilus and Cressida* appears in some copies but not others Printing stopped and started due to finances so corrections were made throughout the print run Small changes were also made to Martin Droeshout's now iconic Shakespeare portrait on the title page      **Applause First Folio of Shakespeare in Modern Type** William Shakespeare, 2023-11-14 This landmark publication is printed in clear legible type Each play has its own comprehensive introduction as well as extensive expert annotations Highlighted areas show where lines have been altered over time and also shows where verse has been changed to prose in the past but not here The original compositions are marked and folio clues are highlighted      **Monologues from Shakespeare's First Folio for Any**
