Shakespeare's Mystery Play A Study Of The Tempest 1921:

Shakespeare's Mystery Play Colin Still, 2014-03-30 This Is A New Release Of The Original 1921 Edition The Play That Solves the Shakespeare Authorship Mystery The Play That Solves the Shakespeare Authorship Mystery Donald Elfenbein, 2023-02-08 This short book gathers together and documents a number of incontrovertible but little noticed facts that speak Shakespeare's true name loudly and clearly Written for general readers and scholars alike it systematizes and extends the investigations of the pioneering researchers who first published more than a century ago the provocative contention that Shakespeare's THE TEMPEST contains an allegory of Francis Bacon's natural philosophy The essay demonstrates that fourteen elements of this play having to do with the magus Prospero the spirit Ariel and the witch Sycorax resemble and represent fourteen Baconian ideas several of which are peculiar to Bacon Those ideas include not only the general methodological prescriptions for which he is famous but also his unique and largely forgotten conjectures about the inner workings of nature These numerous and striking parallels between elements of the play and elements of Bacon's philosophy the author argues together constitute persuasive proof that Bacon wrote this celebrated drama **The Tempest** Brinda Charry, 2022-01-13 The Tempest Critical Tradition increases our knowledge of how Shakespeare's plays were received and understood by critics editors and general readers The volume offers in separate sections both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play The volume features criticism from key literary figures such as Ben Jonson Samuel Taylor Coleridge John Dryden John Ruskin and Edward Malone The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue whereas the introduction offers a critical evaluation from a current stance including modern theories and methods Thus the volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century Shakespeare's Last Plays Stephen W. Smith, Travis Curtright, 2002-01-01 What were Shakespeare's final thoughts on history tragedy and comedy Shakespeare's Last Plays focuses much needed scholarly attention on Shakespeare's Late Romances The work a collection of newly commissioned essays by leading scholars of classical political philosophy and literature offers careful textual analysis of Pericles Prince of Tyre Cymbeline The Winter's Tale The Tempest All is True and The Two Noble Kinsmen The essays reveal how Shakespeare's thought in these final works compliments challenges fulfills or transforms previously held conceptions of the playwright and his political philosophical views Shakespearean Stage Production Cécile de Banke, 2014-08-13 An absorbing and original addition to Shakespeareana this handbook of production is for all lovers of Shakespeare whether producer player scholar or spectator In four sections Staging Actors and Acting Costume Music and Dance it traces Shakespearean production from Elizabethan times to the 1950s when the book was originally published This book suggests that Shakespeare should be performed today on the type of stage for which his plays were written It analyses the development of the Elizabethan stage

from crude inn yard performances to the building and use of the famous Globe Since the Globe saw the enactment of some of the Bard s greatest dramas its construction properties stage devices and sound effects are reviewed in detail with suggestions on how a producer can create the same effects on a modern or reconstructed Elizabethan stage Shakespeare s plays were written to fit particular groups of actors The book gives descriptions of the men who formed the acting companies of Elizabethan London and of the actors of Shakespeare s own company giving insights into the training and acting that Shakespeare advocated With full descriptions and pages of reproductions the costume section shows the types of dress necessary for each play along with accessories and trimmings A table of Elizabethan fabrics and colours is included The final section explores the little known and interesting story of the integral part of music and dance in Shakespeare s works Scene by scene the section discusses appropriate music or song for each play and supplies substitute ideas for Elizabethan instruments Various dances are described among them the pavan gailliard canary and courante This book is an invaluable wealth of research with extensive bibliographies and extra information The Wheel of Fire George Wilson Knight,2001 Originally published in 1930 The Wheel of Fire is the masterwork of the brilliant English scholar G Wilson Knight in which he founded a new and influential school of Shakespearean criticism **T.S. Eliot and Early Modern Literature** Steven Matthews,2013-02-21 T S Eliot and Early Modern Literature provides a comprehensive discussion of the engagement of Eliot with that earlier English literary period which he declared to be his favorite It offers a full sense of the critical and literary context against which Eliot measured his own ideas on Early Modern poets and playwrights **The Tempest** Patrick M. Murphy,2013-10-28 The Tempest Critical Essays traces the history of Shakespeare s controversial late romance from its early reception and adaptation in the seventeenth and eighteenth centuries to the present The volume reprints influential criticism and it also offers eight originalessays which study The Tempest from a variety of contemporary perspectives including cultural materialism feminism deconstruction performance theory and postcolonial studies Unlike recent anthologies about The Tempest which reprint contemporary articles along with a few new essays this volume contains a mixture of old and new materials pertaining to the play s use in the theater and in literary history **South African Essays on 'Universal' Shakespeare** Chris Thurman,2016-04-01 South African Essays on Universal Shakespeare collects new scholarship and extant but previously unpublished material reflecting the changing nature of Shakespeare studies across various generation gaps Each essay in exploring the nuances of Shakespearean production and reception across time and space is inflected by a South African connection In some cases this is simply because of the author s nationality or institutional affiliation in others there is a direct engagement with what Shakespeare means or has meant in South Africa By investigating the universality of Shakespeare from both implicitly and explicitly southern perspectives the book presents new possibilities for considering and reassessing shifting manifestations of Shakespeare s work in major Shakespearean centres such as Britain and the United States as well as across the global North and South **The Jung-Kirsch Letters** Ann Conrad Lammers,2016-02-22 This

book charts Carl Gustav Jung's 33 year 1928-61 correspondence with James Kirsch adding depth and complexity to the previously published record of the early Jungian movement Kirsch was a German Jewish psychiatrist a first generation follower of Jung who founded Jungian communities in Berlin Tel Aviv London and Los Angeles Their letters tell of heroic survival brilliant creativity and the building of generative institutions but these themes are darkened by personal and collective shadows The Nazi era looms over the first half of the book shaping the story in ways that were fateful not only for Kirsch and his career but also for Jung and his Kirsch trained with Jung and acted as a tutor in Jewish psychology and culture to him In 1934 fearing that anti-Semitism had seized his teacher Kirsch challenged Jung to explain some of his publications for the Nazi dominated Medical Society for Psychotherapy Jung's answer convinced Kirsch of his sincerity and from then on Kirsch defended him fiercely against any allegation of anti-Semitism We also witness Kirsch's lifelong struggle with states of archetypal possession his identification with the interior God image on the one hand and with unconscious feminine aspects of his psyche on the other These complexes were expressed for Kirsch in physical symptoms and emotional dilemmas and they led him into clinical boundary violations which were costly to his analysands his family and himself The text of these historical documents is translated with great attention to style and accuracy and generous editorial scaffolding gives glimpses into the writer's world Four appendices are included two essays by Kirsch a series of letters between Hilde Kirsch and Jung and a brief incisive essay on the Medical Society for Psychotherapy This revised edition includes primary material that was unavailable when the book was first published as well as updated footnotes and minor corrections to the translated letters

The Tempest William Shakespeare, 1998-09-01 The Signet Classics edition of William Shakespeare's fantastical play that combines elements of tragedy and comedy Prospero sorcerer and rightful Duke of Milan has lived a reclusive life with his daughter Miranda in the years since his position was usurped by his brother Antonio Now as Antonio's ship passes near Prospero's island home the sorcerer conjures up a terrible storm that will change all of their destinies This revised Signet Classics edition includes unique features such as An overview of Shakespeare's life world and theater A special introduction to the play by the editor Robert Langbaum Selections from William Strachey Sylvester Jourdain Montaigne and Ovid sources from which Shakespeare derived The Tempest Dramatic criticism from Samuel Taylor Coleridge E M W Tillyard Lori Jerrell and others A comprehensive stage and screen history of notable actors directors and productions Text notes and commentaries printed in the clearest most readable text And more

T.S. Eliot's Orchestra John Xiros Cooper, 2020-04-13 First Published in 2000 Nearly everyone who addresses T S Eliot's imaginative and critical work must acknowledge the importance of music in thematic and formal terms This collection of original essays thoroughly explores this aspect of his work from a number of perspectives

Shakespeare's Books Stuart Gillespie, 2001-08-01 This encyclopedia style Dictionary is a comprehensive reference guide to Shakespeare's literary knowledge and recent scholarship on it Nearly 200 entries cover the full range of literary writing Shakespeare was acquainted with and which influenced his own work including

classical historical religious and contemporary works It provides an overview of his use of authors such as Virgil Chaucer Erasmus Marlowe and Samuel Daniel whose influence is across the canon Other entries cover anonymous or collective works such as the Bible Emblems Homilies Chronicle History plays and the Morality tradition in drama Entries cover writers and works whose importance to Shakespeare has emerged more clearly in recent years due to new research Others describe and explain current thinking on long recognized sources such as Plutarch Ovid Holinshed Ariosto and Montaigne Entries for all major sources over 80 in number feature surveys of the writer's place in Shakespeare's time detailed discussion of the relationship to Shakespeare's plays and poems and full bibliography Sample passages from writers and texts of early modern England allow the volume to be used also as a reader in the literature commonly known in Shakespeare's era these excerpts together with reproductions of pages and illustrations from the original texts convey the flavor of the material as Shakespeare would have encountered it

The Imperial Theme G. Wilson Knight, 2013-10-08 First Published in 2002 This is a collection of essays and commentary on the later Shakespearian tragedies of Julius Caesar Hamlet Macbeth Coriolanus Anthony and Cleopatra and Richard II

The Feminine Reclaimed Stevie Davies, 2021-11-21 The Feminine Reclaimed breaks new ground in the field of Renaissance scholarship Stevie Davies considers the feminine principle as it was developed through the humanist and Neoplatonic revival of ancient classical learning and from this perspective approaches the major works of the three great literary figures of the English Renaissance Spenser Shakespeare and Milton Through close perceptive readings of their most crucial works informed by a familiarity with the whole range of their context in the European literature and thought of their time Stevie Davies is able to demonstrate the great importance of the feminine principle in the consciousness of these writers and their age a time of political religious and social upheaval in which perceptions of woman and her status in society underwent momentous changes She analyzes guiding symbols mythical allusions and literary structures in major works by the three poets to show that this rediscovered image of the feminine was incorporated into The Faerie Queene Shakespeare's last plays and Paradise Lost in such a manner as to create an alternative system of values which either redefined or criticized the patriarchal structures of the contemporary world

T.S.Eliot and Mysticism Paul Murray, 1991-01-01 At last we have a study that tackles these questions and does so with a wealth of learning a poet's sensibility and a thorough theological literacy Murray has given us a superb study Rowan Williams Doctrine and Life His point of view is always that of someone practised in meditation and his book is in consequence one of the half dozen really valuable guides to Eliot's poetry Stephen Medcalf Times Literary Supplement The story of the composition of Four Quartets in relation to mysticism constitutes one of the most interesting pages in modern literary history T S Eliot drew his inspiration not only from the literature of orthodox Christian mysticism and from a variety of Hindu and Buddhist sources but also from the literature of the occult and from several unexpected and so far unacknowledged sources such as the mystical symbolism of Shakespeare's later plays and the visionary poetry of Rudyard Kipling But the primary concern of this

study is not with sources as such nor with an area somewhere behind the work but rather with that point in Four Quartets where Eliot's own mystical attitude and his poetry unite and intersect Religions in Shakespeare's Writings David V. Urban, 2020-12-10 Offering a wide range of scholarly perspectives Religions in Shakespeare's Writings explores Shakespeare's depictions throughout his canon of various religions and matters related to them This collection's fifteen essays explore matters pertaining to Catholic Anglican and Puritan Christianity the Albigensian heresy of the high middle ages Islam Judaism Roman religion different manifestations of religious paganism and even the religion of Shakespeare practiced by Shakespeare's nineteenth century admirers These essays analyze how Shakespeare depicts both tensions between religions and the syntheses of different religious expressions on topics as diverse as Shakespeare's varied portrayals of the afterlife religious experience in Measure for Measure and Black natural law and The Tempest This collection also explores the political ramifications of religion within Shakespeare's works as well as Shakespeare's multifaceted uses of the Bible Additionally while this collection does not present a Shakespeare whose particular religious beliefs can definitely be known or are displayed uniformly throughout his canon various essays consider to what extent Shakespeare's individual works demonstrate a Christian foundation Contributors include John D Cox Cyndia Susan Clegg Grace Tiffany Matthew J Smith Bethany C Besteman Sarah Skwire Feisal Mohamed Benedict J Whalen Benjamin Lockerd Bryan Adams Hampton Debra Johanyak John E Curran Emily E Stelzer David V Urban and Julia Reinhard Lupton *Studies in Philology*, 1922

Berryman's Shakespeare John Berryman, 2000-12-30 Edited by John Haffenden With a Preface by Robert Giroux John Berryman one of America's most talented modern poets was winner of the Pulitzer Prize for 77 Dream Songs and the National Book Award for His Toy His Dream His Rest He gained a reputation as an innovator whose bold literary adventures were tempered by exacting discipline Berryman was also an active prolific and perceptive critic whose own experience as a major poet served to his advantage Berryman was a protégé of Mark Van Doren the great Shakespearean scholar and the Bard's work remained one of his most abiding passions he would devote a lifetime to writing about it His voluminous writings on the subject have now been collected and edited by John Haffenden **The Languages of Criticism and the Structure of Poetry** Ronald S. Crane, 1953-12-15 These vigorous lectures deal with some of the many ways in which the question of structure in poetry here synonymous with the whole range of artistic creation in words can be discussed Criticism has never been Professor Crane argues a single discipline but a collection of more and less distinct conceptual languages within any one of which a literary problem takes on a special solution The Alexander Lectures for 1952
