# Shakespeares Rival

**John Dover Wilson**

## Shakespeares Rival:

The Rivalrous Renaissance Bradley J. Irish, 2024-12-10 Envy and jealousy are the emotions that fuel interpersonal rivalry and interpersonal rivalry is a cornerstone of literature Emerging from growing scholarly interest in the history of emotion The Rivalrous Renaissance is the first full length study of envy and jealousy in Renaissance England The book introduces readers both to the cultural dynamics of affective rivalry in the period and to how these crucial feelings inspired literary works across a wide range of genres by luminary authors such as Philip Sidney Edmund Spenser Mary Wroth William Shakespeare and John Milton Early modern concepts of envy and jealousy were more actively theorized as central components of human experience than is typical today Bradley J Irish argues that literature is the key domain where this Renaissance theorization of affective rivalry was brought to life Poetry drama and narrative prose created the conditions for these concepts to become most socially meaningful simulating the interpersonal experiences in which the emotions practically manifest This volume will appeal to scholars interested in the history of emotion and affect as well as more broadly to scholars of the literature and social dynamics of early modern England and to undergraduate and graduate students in specialized seminars

*Shakespeare's Sonnets* Kenneth Muir, 2013-09-13 This edition first published in 1979 Discussing Shakespeare's sonnets in relation to sonnets by Italian French and English poets Kenneth Muir shows how they were influenced by Shakespeare's reading of Sidney Erasmus and Ovid and discusses their art in terms of construction sound patterns and imagery He considers the relationship of the sonnets to Shakespeare's dramatic writing while stressing the dramatic element in the sonnets themselves Finally he surveys the changing attitudes to the sonnets during the last three centuries

Shakespeare and the Rival Poet Arthur Acheson, 1903

**Shakespeare's Sonnets** William Shakespeare, 1899

**Shakespeare's rival** Robert Gittings, 1976

*Shakespeare's Sonnet Story* Arthur Acheson, 1971

Shakespeare's Sonnets Alfred Leslie Rowe, 1984-03-01

**Shakespeare Unbound** René Weis, 2013-10-22 At last a key that unlocks the secrets of Shakespeare's life Intimacies with Southampton and Marlowe entanglements in London with the elusive dark lady the probable fathering of an illegitimate son these are among the mysteries of Shakespeare's rich and turbulent life that have proven tantalizingly obscure Despite an avalanche of recent scholarship René Weis an acknowledged authority on the Elizabethan period believes the links between the bard's life and the poems and plays have been largely ignored Armed with a wealth of new archival research and his own highly regarded interpretations of the literature the author finds provocative parallels between Shakespeare's early experiences in the bustling market town of Stratford including a dangerous poaching incident and contacts with underground Catholics and the plays Breaking with tradition Weis reveals that it is the plays and poems themselves that contain the richest seam of clues about the details of Shakespeare's personal life at home in Stratford and in the shadowy precincts of theatrical London details of a code unbroken for four hundred years

**Shakespeare Performed** R. A. Foakes, 2000 Many of the contributors to this collection including E A J Honigmann M M Mahood Jonathan

Bate and Stanley Wells among others have been centrally involved in examining promoting and sometimes questioning the critical dominance of the stable Shakespeare text particularly as a result of performance The essays range from the traditional poetical and theater history inquiries through bibliographical examinations and hermeneutical interpretations

*Shakespeare's Lives* Samuel Schoenbaum,1991 This volume presents a study of the changing images and differing ways that the life of English poet and playwright William Shakespeare 1564 1616 has been interpreted throughout history The author takes readers on a tour of the countless myths and legends which have arisen to explain the great dramatist's life and work bringing the story right up to 1989 He reconstructs as much of the elusive author's life as possible considering his family history his economic standing and his reputation with his peers the Shakespeare who emerges may not always be the familiar one

An introduction to the sonnets of shakespeare John Dover Wilson,1963

*Shakespeare and the Book Trade* Lukas Erne,2013-04-25 Shakespeare and the Book Trade follows on from Lukas Erne's groundbreaking Shakespeare as Literary Dramatist to examine the publication constitution dissemination and reception of Shakespeare's printed plays and poems in his own time and to argue that their popularity in the book trade has been greatly underestimated Erne uses evidence from Shakespeare's publishers and the printed works to show that in the final years of the sixteenth century and the early part of the seventeenth century Shakespeare became a name from which money could be made a book trade commodity in which publishers had significant investments and an author who was bought read excerpted and collected on a surprising scale Erne argues that Shakespeare far from indifferent to his popularity in print was an interested and complicit witness to his rise as a print published author Thanks to the book trade Shakespeare's authorial ambition started to become bibliographic reality during his lifetime

The Fictional Lives of Shakespeare Kevin Gilvary,2017-12-12 Modern biographies of William Shakespeare abound however close scrutiny of the surviving records clearly show that there is insufficient material for a cradle to grave account of his life that most of what is written about him cannot be verified from primary sources and that Shakespearean biography did not attain scholarly or academic respectability until long after Samuel Schoenbaum published William Shakespeare A Documentary Life in 1975 This study begins with a short survey of the history and practice of biography and then surveys the very limited biographical material for Shakespeare Although Shakespeare gradually attained the status as a national hero during the seventeenth and eighteenth centuries there were no serious attempts to reconstruct his life Any attempt at an account of his life or personality amounts however merely to biografiction Modern biographers differ sharply on Shakespeare's apparent relationships with Southampton and with Jonson which merely underlines the fact that the documentary record has to be greatly expanded through contextual description and speculation in order to appear like a Life of Shakespeare

**Serial Shakespeare** Elisabeth Bronfen,2020-10-27 Shakespeare is everywhere in contemporary media culture This book explores the reasons for this dissemination and reassemblage Ranging widely over American TV drama it discusses the use of citations in Westworld and The Wire demonstrating how they tap into

but also transform Shakespeare's preferred themes and concerns. It then examines the presentation of female presidents in shows such as *Commander in Chief* and *House of Cards*, revealing how they are modelled on figures of female sovereignty from his plays. Finally, it analyses the specifically Shakespearean dramaturgy of *Deadwood* and *The Americans*. Ultimately, the book brings into focus the way serial TV drama appropriates Shakespeare in order to give voice to the unfinished business of the American cultural imaginary.

**The Shakespeare Society's Papers** Shakespeare Society., 1849      **The Shakespeare Society's Papers**, 1849      *The Shakespeare Society Papers* Shakespeare Society (Great Britain)., 1844

**The Shakespeare Society's Papers ...** Shakespeare Society (Great Britain), 1849      *The Papers of the Shakespeare Society* Shakespeare Society (Great Britain), Shakespeare Society (Great Britain)., 1849      **The Shakespearean World** Jill L. Levenson, Robert Ormsby, 2017-03-27. The *Shakespearean World* takes a global view of Shakespeare and his works, especially their afterlives. Constantly changing, the Shakespeare central to this volume has acquired an array of meanings over the past four centuries. Shakespeare signifies the historical person as well as the plays and verse attributed to him. It also signifies the attitudes towards both author and works determined by their receptions. Throughout the book, specialists aim to situate Shakespeare's world and what the world is because of him. In adopting a global perspective, the volume arranges thirty-six chapters in five parts: Shakespeare on stage internationally since the late seventeenth century; Shakespeare on film throughout the world; Shakespeare in the arts beyond drama and performance; Shakespeare in everyday life; Shakespeare and critical practice. Through its coverage, *The Shakespearean World* offers a comprehensive transhistorical and international view of the ways this Shakespeare has not only influenced but has also been influenced by diverse cultures during 400 years of performance, adaptation, criticism, and citation. While each chapter is a freshly conceived introduction to a significant topic, all of the chapters move beyond the level of survey, suggesting new directions in Shakespeare studies such as ecology, tourism, and new media, and making substantial contributions to the field. This volume is an essential resource for all those studying Shakespeare from beginners to advanced specialists.

As recognized, adventure as competently as experience nearly lesson, amusement, as competently as treaty can be gotten by just checking out a ebook **Shakespeares Rival** also it is not directly done, you could agree to even more approaching this life, almost the world.

### **Shakespeares Rival Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Shakespeares Rival has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeares Rival has opened up a world of possibilities. Downloading Shakespeares Rival provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeares Rival has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeares Rival. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeares Rival. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeares Rival, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespeares Rival has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers.

worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Shakespeares Rival Books

1. Where can I buy Shakespeares Rival books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Shakespeares Rival book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Shakespeares Rival books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Shakespeares Rival audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
