

# Shakespeare's Critics

FROM JONSON TO AUDEN:  
A MEDLEY OF JUDGMENTS

Edited by A. M. Eastman  
and G. B. Harrison

# Shakespeares Critics From Jonson To Auden

**Allardyce Nicoll**

## **Shakespeare's Critics From Jonson To Auden:**

**Shakespeare's Critics; from Jonson to Auden** Arthur M. Eastman, George Bagshawe Harrison, 1964 In *Shakespeare's Critics* A M Eastman and G B Harrison bring together Shakespearean criticism of 120 poets and writers from across more than three and a half centuries They discuss every aspect of Shakespeare's art his style with characterization adaptability to the modern stage even the decency of his language The variety, diversion and contradiction of their points of view as well as their different approaches heighten our enjoyment and appreciation of his art This Baedeker of Shakespearean criticism stresses both general and specific problems of interpretation and demonstrates that for Shakespeare there is no single agreed upon truth The plays from *As You Like It* to *The Winter's Tale* are discussed and analyzed giving us a total picture of Shakespeare's art that is concise and comprehensive The result is a unique compendium of the shifting tides of taste during the past 370 years *Shakespeare's Critics* Arthur M. Eastman, George Bagshawe Harrison, 1964 **Shakespeare's Critics from Jonson to Auden** Arthur M. Eastman, George Bagshawe Harrison, 1969 *Shakespeare's Critics. From Jonson to Auden: a Medley of Judgments. Edited by A.M. Eastman and G.B. Harrison* A. M. EASTMAN (and HARRISON (George Bagshawe)), 1964 *Disseminating Shakespeare in the Nordic Countries* Nely Keinänen, Per Sivefors, 2022-01-27 Charting the early dissemination of Shakespeare in the Nordic countries in the 19th century this opens up an area of global Shakespeare studies that has received little attention to date With case studies exploring the earliest translations of *Hamlet* into Danish the first translation of *Macbeth* and the differing translations of *Hamlet* into Swedish adaptations into Finnish Kierkegaard's reworking of *King Lear* and the reception of the African American actor Ira Aldridge's performances in Stockholm as *Othello* and *Shylock* it will appeal to all those interested in the reception of Shakespeare and its relationship to the political and social conditions The volume intervenes in the current discussion of global Shakespeare and more recent concepts like rhizome which challenge the notion of an Anglocentric model of centre versus periphery It offers a new assessment of these notions revealing how the dissemination of Shakespeare is determined by a series of local and frequently interlocking centres and peripheries such as the Finnish relation to Russia or the Norwegian relation with Sweden rather than a matter of influence from the English Cultural Sphere *Shakespeare* Roland Mushat Frye, 2013-10-11 This edition first published in 1982 Previous edition published in 1972 by Houghton Mifflin Outlining methods and techniques for reading Shakespeare's plays Roland Frye explores and develops a comprehensive understanding of Shakespeare's drama focussing on the topics which must be kept in mind the formative influence of the particular genre chosen for telling a story the way in which the story is narrated and dramatized the styles used to convey action character and mood and the manner in which Shakespeare has constructed his living characterizations As well as covering textual analysis the book looks at Shakespeare's life and career his theatres and the actors for whom he wrote and the process of printing and preserving Shakespeare's plays Chapters cover *King Lear* in the Renaissance Providence Kind Fortune Anarchy and Order Reason and Will Show and

Substance Redemption and Shakespeare's Poetics      Shakespeare the Man R. W. Desai, 2014-03-13 While over the past four hundred years numerous opinions have been voiced as to Shakespeare's identity these eleven essays widen the scope of the investigation by regarding Shakespeare his world and his works in their interaction with one another Instead of restricting the search for bits and pieces of evidence from his works that seem to match what he may have experienced these essays focus on the contemporary milieu political developments social and theater history and cultural and religious pressures as well as the domestic conditions within Shakespeare's family that shaped his personality and are featured in his works The authors of these essays employing the tenets of critical theory and practice as well as intuitive and informed insight endeavor to look behind the masks thus challenging the reader to adjudicate among the possible the probable the likely and the unlikely With the exception of the editor's own piece on Hamlet Shakespeare the Man New Decipherings presents previously unpublished essays inviting the reader to embark upon an intellectual adventure into the fascinating terrain of Shakespeare's mind and art      **Study Guide to Coriolanus by William Shakespeare** Intelligent Education, 2020-03-27 A comprehensive study guide offering in depth explanation essay and test prep for William Shakespeare's Coriolanus one of Shakespeare's last two tragedies As an unusual and intense intellectual drama Shakespeare employs single narrative line and striking images but the most effective moments in the play are developed through understated silence Moreover he implements late lean and compact style in which images are used for their intellectual and thematic importance rather than their emotional content This Bright Notes Study Guide explores the context and history of Shakespeare's classic work helping students to thoroughly explore the reasons it has stood the literary test of time Each Bright Notes Study Guide contains Introductions to the Author and the Work Character Summaries Plot Guides Section and Chapter Overviews Test Essay and Study Q As The Bright Notes Study Guide series offers an in depth tour of more than 275 classic works of literature exploring characters critical commentary historical background plots and themes This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research      *Philosophy and the Puzzles of Hamlet* Leon Harold Craig, 2014-07-31 Shakespeare's famous play Hamlet has been the subject of more scholarly analysis and criticism than any other work of literature in human history For all of its generally acknowledged virtues however it has also been treated as problematic in a raft of ways In Philosophy and the Puzzles of Hamlet Leon Craig explains that the most oft cited problems and criticisms are actually solvable puzzles Through a close reading of the philosophical problems presented in Hamlet Craig attempts to provide solutions to these puzzles The posing of puzzles some more conspicuous others less so is fundamental to Shakespeare's philosophical method and purpose That is he has crafted his plays and Hamlet in particular so as to stimulate philosophical activity in the judicious as distinct from the unskillful readers By virtue of showing what so many critics treat as faults or flaws are actually intended to be interpretive challenges Craig aims to raise appreciation for the overall coherence of Hamlet that there is more logical rigor to its plot and psychological plausibility to its

characterizations than is generally granted even by its professed admirers Philosophy and the Puzzles of Hamlet endeavors to make clear why Hamlet as a work of reason is far better than is generally recognized and proves its author to be not simply the premier poet and playwright he is already universally acknowledged to be but a philosopher in his own right

**Shakespeare, Jonson, Molière** Nicholas Grene, 1985-06-18     A Selective Bibliography of Shakespeare James G. McManaway, Jeanne Addison Roberts, 1978-07 This bibliography provides easy access to the most important Shakespeare studies in the past four decades Brief annotations a detailed table of contents cross references and a complete index make this bibliography especially useful     **Such a King Harry** Phyllis N. Braxton, 2012-05-18 This study of Shakespeares Falstaff versus Shakespeare Criticism takes a view of Falstaff that is critically unorthodox but which is supported by the text This reading of the Falstaff plays sees the playwright basing his fiction on natural law but bending natural law to present a world of personified natural phenomena This reading is logically consistent and conforms to all fictional requirements for necessity and probability thus eliminating the supposed errors that criticism which sees the plays as strictly realistic vehicles appears to find in these plays     Joyce, T. S. Eliot, Auden, Beckett Adrian Poole, 2014-03-27 Great Shakespeareans offers a systematic account of those figures who have had the greatest influence on the interpretation understanding and cultural reception of Shakespeare both nationally and internationally In this volume leading scholars assess the contribution of James Joyce T S Eliot W H Auden and Samuel Beckett to the afterlife and reception of Shakespeare and his works Each essay assesses the double impact of Shakespeare on the figure covered and of that figure on the understanding interpretation and appreciation of Shakespeare providing a sketch of its subject s intellectual and professional biography and an account of the wider cultural context     Hamlet Harold Bloom, 2008 In Shakespeare s powerful drama of destiny and revenge Hamlet the troubled prince of Denmark must overcome his own self doubt and avenge the murder of his father Contains a selection of the finest criticism through the centuries on Hamlet as well as a biography on Shakespeare     Shakespeare Survey Allardyce Nicoll, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback     The Oxford Companion to Twentieth-century Literature in English Jenny Stringer, 1996 Survey of twentieth century English language writers and writing from around the world celebrating all major genres with entries on literary movements periodicals more than 400 individual works and articles on approximately 2 400 authors     Twelfth Night John R. Ford, 2005-12-30 Twelfth Night is one of the most accessible and yet elusive of Shakespeare s plays It has enjoyed enormous popularity in performance but it continues to challenge students This guide provides a thorough introduction to the play Included are chapters on the play s background contexts themes dramatic art critical reception and performance history The volume cites current scholarship and closes with a bibliography Twelfth Night is one of the most accessible yet elusive of Shakespeare s plays It has enjoyed enormous popularity in performance but it continues to challenge students It has experienced numerous revivals and has provoked some of the most brilliant critical responses from Shakespeare s critics

Written for students and general readers this guide is a comprehensive introduction to Shakespeare's play. The volume begins with a look at the play's textual history. This is followed by an exploration of its historical and cultural contexts and its sources and analogues. The book next turns to Shakespeare's dramatic art and then examines his themes of identity, sexuality and madness. The final chapters look at the critical response to the play and give special attention to the play's performance history. The guide closes with a bibliography.

A Short History of Shakespearean Criticism Arthur M. Eastman, 1968

Shakespeare and the Modern Poet Neil Corcoran, 2010-04-01 Shakespeare is a major influence on poets writing in English but the dynamics of that influence in the twentieth century have never been as closely analysed as they are in this important study. More than an account of the ways in which Shakespeare is figured in both the poetry and the critical prose of modern poets, this book presents a provocative new view of poetic interrelationship. Focusing on W B Yeats, T S Eliot, W H Auden, Ted Hughes and Sylvia Plath, Neil Corcoran uncovers the relationships combative as well as sympathetic between these poets themselves as they are intertwined in their engagements with Shakespeare. Corcoran offers many enlightening close readings, fully alert to contemporary theoretical debates. This original study of influence and reception beautifully displays the nature of poetic influence both of Shakespeare on the twentieth century and among modern poets as they respond to Shakespeare.

**The Tainted Muse** Robert Sanford Brustein, 2009-01-01 This book is a masterful and engaging exploration of both Shakespeare's works and his age. Concentrating on six recurring prejudices in Shakespeare's plays such as misogyny, elitism, distrust of effeminacy and racism, Robert Brustein examines how Shakespeare and his contemporaries treated them. More than simply a thematic study, the book reveals a playwright constantly exploiting and exploring his own personal stances. These prejudices Brustein finds are not unchanging over time; they vary in intensity and treatment. Shakespeare is an artist who invariably reflects the predilections of his age and yet almost always manages to transcend them. Brustein considers the whole of Shakespeare's plays from the early histories to the later romances, though he gives special attention to Hamlet, King Lear, Othello and The Tempest. Drawing comparisons to plays by Marlowe, Middleton and Marston, Brustein investigates how Shakespeare's contemporaries were preoccupied with similar themes and how these different artists treated the current prejudices in their own ways. Rather than confining Shakespeare to his age, this book has the wonderful quality of illuminating both what he shared with his time and what is unique about his approach.

## **Shakespeares Critics From Jonson To Auden Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Shakespeares Critics From Jonson To Auden has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeares Critics From Jonson To Auden has opened up a world of possibilities. Downloading Shakespeares Critics From Jonson To Auden provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeares Critics From Jonson To Auden has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeares Critics From Jonson To Auden. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeares Critics From Jonson To Auden. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeares Critics From Jonson To Auden, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespeares Critics From Jonson To Auden has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## **FAQs About Shakespeares Critics From Jonson To Auden Books**

**What is a Shakespeares Critics From Jonson To Auden PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Shakespeares Critics From Jonson To Auden PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Shakespeares Critics From Jonson To Auden PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Shakespeares Critics From Jonson To Auden PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Shakespeares Critics From Jonson To Auden PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
