**Shaking it Rough** Andreas Schroeder, 1976 With insight and compassion Schroeder presents many aspects of life in a British Columbia prison 1976      **Shaking it Rough [sound Recording] : a Prison Memoir** Andreas Schroeder, 1976

*The Cage of Days* Michael G. Flaherty, K. C. Carceral, 2022-02-22 Prisons operate according to the clockwork logic of our criminal justice system we punish people by making them serve time *The Cage of Days* combines the perspectives of K C Carceral a formerly incarcerated convict criminologist and Michael G Flaherty a sociologist who studies temporal experience Drawing from Carceral's field notes his interviews with fellow inmates and convict memoirs this book reveals what time does to prisoners and what prisoners do to time Carceral and Flaherty consider the connection between the subjective dimensions of time and the existential circumstances of imprisonment Convicts find that their experience of time has become deeply distorted by the rhythm and routines of prison and by how authorities ensure that an inmate's time is under their control They become obsessed with the passage of time and preoccupied with regaining temporal autonomy creating elaborate strategies for modifying their perception of time To escape the feeling that their lives lack forward momentum prisoners devise distinctive ways to mark the passage of time but these tactics can backfire by intensifying their awareness of temporality Providing rich and nuanced analysis grounded in the distinctive voices of diverse prisoners *The Cage of Days* examines how prisons regulate time and how prisoners resist the temporal regime      **Criminal Intimacy** Regina Kunzel, 2022-03-22 Sex is usually assumed to be a closely guarded secret of prison life But it has long been the subject of intense scrutiny by both prison administrators and reformers as well as a source of fascination and anxiety for the American public Historically sex behind bars has evoked radically different responses from professionals and the public alike In *Criminal Intimacy* Regina Kunzel tracks these varying interpretations and reveals their foundational influence on modern thinking about sexuality and identity Historians have held the fusion of sexual desire and identity to be the defining marker of sexual modernity but sex behind bars often involving otherwise heterosexual prisoners calls those assumptions into question By exploring the sexual lives of prisoners and the sexual culture of prisons over the past two centuries along with the impact of a range of issues including race class and gender sexual violence prisoners rights activism and the HIV epidemic Kunzel discovers a world whose surprising plurality and mutability reveals the fissures and fault lines beneath modern sexuality itself Drawing on a wide range of sources including physicians psychiatrists sociologists correctional administrators journalists and prisoners themselves as well as depictions of prison life in popular culture Kunzel argues for the importance of the prison to the history of sexuality and for the centrality of ideas about sex and sexuality to the modern prison In the process she deepens and complicates our understanding of sexuality in America      *Time and Punishment* Nicola Carr, Gwen Robinson, 2022-11-02 This book provides a novel exploration of time and temporality in relation to punishment and criminal sanctioning It goes beyond focussing on the prison to address punishment more broadly with contributions on punishment in

the community including after periods of imprisonment and in areas of the criminal justice system which have typically received less attention such as prison transportation between prisons The collection also includes a focus on temporality in criminal justice policy and its potential impacts on speeding up justice as well as the experiential nature of punishment The book includes contributions from scholars in UK and Europe with largely original research and draws on the international literature It hopes to encourage punishment scholars to consider how ideas from the sociology of time can inform their own research

**Solidarity Beyond Bars** Jordan House, Asaf Rashid, 2022-11-15T00:00:00Z Prisons don't work but prisoners do Prisons are often critiqued as unjust but we hear little about the daily labour of incarcerated workers what they do how they do it who they do it for and under which conditions Unions protect workers fighting for better pay and against discrimination and occupational health and safety concerns but prisoners are denied this protection despite being the lowest paid workers with the least choice in what they do the most vulnerable among the working class Starting from the perspective that work during imprisonment is not rehabilitative this book examines the reasons why people should care about prison labour and how prisoners have struggled to organize for labour power in the past Unionizing incarcerated workers is critical for both the labour movement and struggles for prison justice this book argues to negotiate changes to working conditions as well as the power dynamics within prisons themselves

Across Canada by Story Douglas Gibson, 2015-09-01 More adventures from one of Canada's premier editors and storytellers Canada is a country rich in stories and few take as much joy as Douglas Gibson in discovering them As one of the country's leading editors and publishers for 40 years he coaxed modern classics out of some of Canada's finest minds and then took to telling his own stories in his first memoir *Stories About Storytellers* Gibson turned his memoir into a one man stage show that eventually played almost 100 times in all ten provinces from coast to coast As a literary tourist he discovered even more about the land and its writers and harvested many more stories from distant past and recent memory to share Now in *Across Canada by Story* Gibson brings new stories about Robertson Davies Jack Hodgins W O Mitchell Alistair MacLeod and Alice Munro and adds lively portraits of Al Purdy Marshall McLuhan Margaret Laurence Guy Vanderhaeghe Margaret Atwood Wayne Johnson Linwood Barclay Michael Ondaatje and many many others Whether fly fishing in Haida Gwaii or sailing off Labrador Douglas Gibson is a first rate ambassador for Canada and the power of great stories

### **Shaking It Rough A Prison Memoir Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Shaking It Rough A Prison Memoir has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shaking It Rough A Prison Memoir has opened up a world of possibilities. Downloading Shaking It Rough A Prison Memoir provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shaking It Rough A Prison Memoir has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shaking It Rough A Prison Memoir. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shaking It Rough A Prison Memoir. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shaking It Rough A Prison Memoir, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable

antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shaking It Rough A Prison Memoir has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
