Ikpu-Ala and Igbo Church Okey Jude Uche, 2017-11-10 This book explores in depth Ikpu ala as a social justice value in the Igbo social justice system. The traditional social justice concept of ikpu ala provides an important conceptual framework through which adult Igbo Christians can engage in a critical and conscious theological reflection upon how they can make the Igbo Christian community fully authentic and faithful to the Gospel of Jesus Christ. This is a process that will highlight the total transformation of the Igbo society which began with the arrival of the missionaries in 1885. This reflection is based on the Igbo experience and understanding of Omenala, the Igbo moral code in which the world of the material and the spiritual while occupying distinct domains nonetheless remain deeply intertwined. In this book, the author explores that for the Igbo community, the reality of theology has evolved as a distinct form of experience that is deeply connected with tradition for the sake of praxis. Don Browning, 1995. Consequently, the author not only sees Ikpu ala as an authentic Igbo social justice value but also considers it as something that can be integrated into the Christian social values without either destroying Igbo's longstanding cultures or traditions. The author highlights two key lessons from the Igbo integration of ikpu ala into Christian social justice: 1 that the Igbo Catholic Church should engage the Igbo culture and traditions in a theological interactive reflection for the incarnation of the Word among the Igbo Catholics and 2 that Ikpu ala with its theological values can assist the Igbo Catholic Church in the sacrament of reconciliation and so transform the twenty-first century Igbo Catholic into an integrated and authentic Christian.

The Gospel According to St. Paul Cardinal Carlo Maria Martini SJ, 2008-05-01 Pope Benedict XVI has proclaimed a year dedicated to St Paul beginning on June 29, 2008. Readers can celebrate the Year of St Paul by praying through this unique collection of meditations by renowned biblical scholar and retired archbishop of Milan, Cardinal Carlo Maria Martini. In simple and moving language, Martini weaves together St Paul's life, character, and teachings in such a way that we come to know the apostle as a human being with the same hopes and struggles that we have. At the end of each chapter, Cardinal Martini leads us through a series of questions to help us reflect on our own lives in light of St Paul's experiences. The depth and significance of St Paul's New Testament teachings and their relevance to our lives today come to light in these meditations, most of which are being published in English for the first time.
