

Differences between guilt and shame

Guilt

Arises from actions

Implies that you're a good person who made a mistake

Gives way to self-reflection

Can be healthy, allowing you to grow

vs.

Shame

Stems from negative beliefs and perceptions of self

Implies that you're a bad person, in general

Triggers self-doubt and self-criticism

Is destructive and can damage your self-esteem

Shame And Guilt:

Shame and Guilt June Price Tangney, Ronda L. Dearing, 2003-11-01 This volume reports on the growing body of knowledge on shame and guilt integrating findings from the authors original research program with other data emerging from social clinical personality and developmental psychology Evidence is presented to demonstrate that these universally experienced affective phenomena have significant implications for many aspects of human functioning with particular relevance for interpersonal relationships From publisher s description

Pride, Shame, and Guilt Gabriele Taylor, 1985 In this book the author s discussion of pride shame and guilt centres on the beliefs involved in the experience of any of these emotions Through a detailed study she shows how these beliefs are alike in that they are directed towards the self and its status and how they differ in the specific view taken of the self She illustrates the experience of these three emotions by examples taken from English literature Unlike invented cases these supply a a context and indicate the complexity of the web in which these emotions usually occur An examination of integrity makes clear the relevant notion of the self and provides the sense in which some of the emotions of self assessment are also moral emotions
