If you like this book, write a review on Google Books: [Human Form, Human Function: Essentials of Anatomy & Physiology, Enhanced Edition](#) Thomas H. McConnell, Kerry L. Hull, 2020-03-27. *Human Form, Human Function* is the first essentials-level text that seamlessly weaves together form, anatomy, with function, physiology, an approach that caters to how instructors teach and students learn. Authors Tom McConnell and Kerry Hull incorporate real-life case studies as the vehicle for learning how form and function are linked. Through careful organization, thoughtful presentation, and a conversational narrative, the authors have maintained a sharp focus on communication between body organs and body systems, between artwork and student learning, between content and student comprehension. Each feature reinforces critical thinking and connects anatomy and physiology to the world of health-care practice. This original text offers an exceptional student learning experience: an accessible and casual narrative style, dynamic artwork, and a complete suite of ancillaries help build a solid foundation and

A Spirituality That Secularizes

Emerito P. Nacpil,2015-03-17 Bishop Nacpil s book connects the creator with the creation It deals with the longing for the elusive and unfathomable something that strengthens reader s relationship with the creator It delves into his or her relationship with God and God s relationship with the person as an unbreakable bond which Bishop Nacpil describes as a spirituality that secularizes He describes how the Spirit is at work within each person empowering them to make choices that promote preserve and enrich creation Without the Spirit everyone would float above their vessel of clay rather than fully living in it The book enables the reader to see not only a meaningful wholeness out of his or her frenzied life but also that the good each person do in the secular world is their active participation in the work of the Spirit

The Shape of the Soul

Paul Marshall,2019-03-18 An essential read for any true seeker Eben Alexander MD Neurosurgeon author of Proof of Heaven and Living in a Mindful Universe When Paul Marshall began to pay attention to his dreams he could not have anticipated the transformative experience that would follow A tremendous expansion of consciousness exposed the insignificance of his everyday self but also revealed unsuspected depths of mind and hinted at a deeper self that holds the universe within In The Shape of the Soul Marshall now a mysticism scholar draws on personal experiences along with a wealth of religious philosophical and scientific ideas to explore this deeper self sometimes experienced in mystical and near death states as

spherical in form Drawing inspiration from the philosophers Plotinus and Leibniz Marshall takes mind to be more fundamental than matter and views the basic units of nature as perceptual beings We ourselves are such beings striving for fulfilment in a long evolutionary journey of soul making Bringing together mysticism philosophy biology and even some physics The Shape of the Soul offers a deeply integrated vision of the self and the universe Addressing the mind body problem the origin of the world evolution reincarnation suffering and the nature of God Marshall delivers what will surely prove an intellectual classic
