## Share A Dream With Me:

**Dream with Me** John M. Perkins,2017-01-31 According to recent surveys and studies race relations in the United States are the worst they ve been since the 1990s and many would argue that life for most minorities has not significantly improved since the civil rights era of the 1960s For so many the dream of true equality has dissolved into a reality of prejudice fear and violence as a way of life John M Perkins has been there from the beginning Raised by his sharecropping grandparents Perkins fled Mississippi in 1947 after his brother was fatally shot by a police officer He led voter registration efforts in 1964 worked for school desegregation in 1967 and was imprisoned and tortured in 1970 Through it all he has remained determined to seek justice and reconciliation based in Christ s redemptive work Justice is something that every generation has to strive for he says And despite the setbacks of recent years Perkins finds hope in the young people he has met all across the nation who are hard at work bringing about reconciliation in God s name and offering acceptance to all Dream with Me is his look back at a life devoted to seeking justice for all God s people as well as a look forward to what he sees as a potentially historic breakthrough for people of every race *Mindsharing* Lior Zoref,2015-04-28 Whether we need to make better financial choices find the love of our life or transform our career crowdsourcing is the key to making quicker wiser more objective decisions But few of us even come close to tapping the full potential of our online personal networks Lior Zoref offers proven guidelines for applying what he calls mind sharing in new ways For instance he shows how a mother s Facebook update saved the life of a four year old boy and how a manager used LinkedIn to create a year s worth of market research in less than a day Zoref s clients are using his techniques to innovate and problem solve in record time Now he reveals how crowdsourcing has the ability to supercharge our thinking and upgrade every aspect of our lives **Ears to Hear My Melodious Love Songs and Poems** Ellis C. Cao,2019-02-19 In most cases the higher something costs the more value and importance people put on an item like a house a car a computer a cell phone or in this case a book If I were the one to determine the sales price of my book I would sell it for at least 85 to 110 to limit the number of people from reading my book The reason is that people mostly likely will value an expensive book more than a book that is less than 25 Unfortunately I am not in the position to decide the selling price of my book To be honest I actually don t need too many people to read my book so that it is not saturated and people who read my book will appreciate the knowledge that they receive from my book Regardless whether people value the importance of my book or not as far as I am concerned the knowledge that I have written down is the backbone and the essence of my well being today I would not have the strength or stamina to write this book without the knowledge that I have It enables me to go on with my life I am more energetic and more productive now than I was before I want to see people live a life full of vitality and energy Did you ever find yourself lacking the drive strength and stamina to continue your day in the past Do you want to get the fire energy power and enjoyment back in your life If you do you have come to the right place You have the energy and the potential in you You just don t know it yet Once you receive the knowledge you will know it for the rest of your life     **Dream of Me** Seven Rodgers,2024-09-16 Jozelyn Hardt a multi talented but brokenhearted divorcee vows she will never marry again When she meets Sir Frank Loveland III at an art gallery on St Croix in the U S Virgin Islands she assumes he won t give her a second thought once he learns of her physical and emotional deficits But he s more than interested and soon this kind adventurous mysterious man has awakened a passion in Joz that she thought was gone for good Convinced she has found her soulmate she marries the man of her dreams and life gets even better until a covert agency orders Frank to the field for one last dangerous assignment Left in the care of Frank s best friend Buck Bigelow Joz vows to ride out the separation with good cheer but when Frank stops communicating with her her fear turns to alarm when Buck who has his own mysterious past warns Joz that communist agents are stalking them The two flee Montana destination London to learn if her true love is alive or dead     **A New Life Is Expecting You** Minister Leandro Olivarez,2015-05-21 The year was 1978 in early June Vivian and Lucia Olivarez had just accepted Jesus Christ to be their Lord and Savior They had been prophesied too many times that their children would all serve the Lord and that all their children would testify and be ministers of the Word of God This prophecy has been fulfilled Then in early 2009 they were prophesied again for the third time that they would have a son This son would be the most rebellious of all their children and he would be used greatly by God My name is Leandro Lenn Olivarez I am the youngest of five children I am also the copastor of Templo De Alabanza Temple of Praise ministry in Rockport Texas Under the direct leadership of Senior Pastor Vivian Olivarez I have been preaching now for over five years After growing up in the Lord and

backsliding I have seen the ministry of God change so much that it hurts I can only imagine how God feels I have spent the majority of my life running from God and that very rebellion brought some very bad evil spirits into my life I was at one point of my life a drug user I was also a heavy metal drummer and radio DJ chasing after all the wrong things My parents who also happen to be my pastors never stopped praying for me This book is to show that your life has a greater purpose and it may have already begun Submitting to God is the first step What you are about to read are real life testimonies from me and my family We have seen the mighty hand of God in our family and in the ministry that God has placed before us You are also going to see Gods hand in depth on how he worked in our lives and the difference between believing and true faith deep down At a very young age I was exposed to the real full power of God and this very truth rattled my soul to the very core of my inner being Another thing God showed me is that everyone believes in something but believing in the unknown and the unseen is a step of faith Jesus said that all you have to do is believe because if you can start there with your belief nothing is impossible I have encountered evil spirits I have fought them through the name and the blood of Jesus I have had encounters with demons and a witch even sat at my dining room table looked me in the eye and threatened me to my face God showed me that true repentance and the name and the blood of Jesus are the only way to break the curses and be set free Please pray to the Lord that he will open your spiritual eyes so that you may see what he wants you to see There is nothing in this whole world that anyone can say to me to change my mind that God still heals people and sets people free from demonic forces I am a witness to Gods full power I have seen with my eyes demons back away at the name of Jesus I asked the Lord that in the name of Jesus Christ you will receive a blessing from God while you are reading this book All honor and all glory to my savior Jesus Christ
