## **Shared Lives A Remembrance:**

**Death, Memory and Material Culture** Elizabeth Hallam, Jenny Hockey, 2020-05-26 How do the living maintain ongoing relationships with the dead in Western societies How have the residual belongings of the dead been used to evoke memories Why has the body and its material environment remained so important in memory making Objects images practices and places remind us of the deaths of others and of our own mortality At the time of death embodied persons disappear from view their relationships with others come under threat and their influence may cease Emotionally socially politically much is at stake at the time of death In this context memories and memory making can be highly charged and often provide the dead with a social presence amongst the living Memories of the dead are a bulwark against the terror of forgetting as well as an inescapable outcome of a life s ending Objects in attics gardens museums streets and cemeteries can tell us much about the processes of remembering This unusual and absorbing book develops perspectives in anthropology and cultural history to reveal the importance of material objects in experiences of grief mourning and memorializing Far from being invisible the authors show how past generations dead friends and lovers remain manifest through well worn garments letters photographs flowers residual drops of perfume funerary sculpture Tracing the rituals gestures and materials that have been used to shape and preserve memories of personal loss Hallam and Hockey show how material culture provides the deceased with a powerful presence within the here and now

The Bushman Winter has Come Paul John Myburgh, 2013-03-01 This is a true story of exodus the inevitable journey of the last of the First People as they leave the Great Sand Face and head for the modern world and cultural oblivion Paul John Myburgh spent seven years with the People of the Great Sand Face a group of Gw'ikwe Bushmen in the Kalahari Desert They were years of physical and spiritual immersion into a way of life of which only an echo remains in living memory But all does not end there In The Bushman Winter Has Come the author imagines a continuing journey towards a place where we may once again know who we are in the context of our life on this earth towards a time when we may answer the Gw'ikwe's morning greeting Tsamkwa tge Are your eyes nicely open with a confident Yes

Reconciliation and Pedagogy Pal Ahluwalia, Stephen Atkinson, Peter Bishop, Pam Christie, Robert Hattam, Julie Matthews, 2012-05-16 Reconciliation is one of the most significant contemporary challenges in the world today In this innovative new volume educational academics and practitioners across a range of cultural and political contexts examine the links between reconciliation and critical pedagogy putting forward the notion that reconciliation projects should be regarded as public pedagogical interventions with much to offer to wider theories of learning While ideas about reconciliation are proliferating few scholarly accounts have focused on its pedagogies This book seeks to develop a generative theory that properly maps reconciliation processes and works out the pedagogical dimensions of new modes of narrating and listening and effecting social change The contributors build conceptual bridges between the scholarship of reconciliation studies and existing education and pedagogical literature bringing together the concepts of reconciliation and pedagogy into a dialogical encounter and evaluating how each might be of mutual benefit to the other theoretically and practically This study covers a broad range of territory including ethnographic accounts of reconciliation efforts practical implications of reconciliation matters for curricula and pedagogy in schools and universities and theoretical and philosophical considerations of reconciliation pedagogy It will be of great interest to students and scholars of peace and reconciliation studies educational studies and international relations

*9/11 and the Visual Culture of Disaster* Thomas Stubblefield, 2014-12-17 An insightful view on how 9/11 is perceived in American society the day that refuses to enter history the tragedy that has in effect not yet passed Journal of Popular Culture The day the towers fell indelible images of plummeting rubble fire and falling bodies were imprinted in the memories of people

around the world Images that were caught in the media loop after the disaster and coverage of the attack its aftermath and the wars that followed reflected a pervasive tendency to treat these tragic events as spectacle Though the collapse of the World Trade Center was the most photographed disaster in history it failed to yield a single noteworthy image of carnage Thomas Stubblefield argues that the absence within these spectacular images is the paradox of 9 11 visual culture which foregrounds the visual experience as it obscures the event in absence erasure and invisibility From the spectral presence of the Tribute in Light to Art Spiegelman s nearly blank New Yorker cover from the elimination of the Twin Towers from TV shows and films to the monumental cavities of Michael Arad s 9 11 memorial the void became the visual shorthand for the incident By examining configurations of invisibility and erasure across the media of photography film monuments graphic novels and digital representation Stubblefield interprets the post 9 11 presence of absence as the reaffirmation of national identity that implicitly laid the groundwork for the impending invasions of Iraq and Afghanistan A concise engaging and thought provoking work that asks the reader to reassess their knowledge and relationship to that moment and the resulting milieu of post 9 11 life in America ARLIS NA Reviews Extraordinarily brilliant will change how we think about disasters and tragedies The book is a must read for both students and practitioners of media studies Repository

**The Secret Cemetery** Doris Francis, Leonie Kellaher, Georgina Neophytou, 2020-07-12 Burial sites have long been recognized as a way to understand past civilizations Yet the meanings of our present day cemeteries have been virtually ignored even though they reveal much about our cultures Exploring an extraordinarily diverse range of memorial practice Greek Orthodox Muslim Jewish Roman Catholic and Anglican as well as the unchurched The Secret Cemetery is an intriguing study of what these places of death mean to the living Most of us experience cemeteries at a ritualized moment of loss What we forget is that these are often places to which we return either as a general space in which to contemplate or as a specific site to be tended These are also places where different communities can reinforce boundaries and even recreate a sense of homeland Over time ritual artefact and place shape an intensely personal landscape of memory and mourning a landscape more alive more actively engaged with than many of the other places we inhabit
