Sharing It All The Rewards And Struggles Of Two Career Families

Neal Bernards, Terry O'Neill

Sharing It All The Rewards And Struggles Of Two Career Families:

Sharing it all Lucia Albino Gilbert, 2013-11-11 I realize more and more that to some degree psychologists study their own lives My first studies in the mid 1970s looked at the conflicts that emerge in dual career couples as the partners combine their various roles Ideas for the early studies initially came from conversations with clients friends and people I met traveling Soon after the topic of dual careers came up discussions of guilt and frustration followed The participants in my first studies turned out to be predominantly women Men expressed little interest in participating A common response was Talk to my wife 7 8 PREFACE Ostensibly husbands saw their partners but not themselves as dealing with conflicting roles Although I presumed this to be somewhat true I knew from observing my own husband that my having a career had an immeasurable impact on him Were men denying something Were women overly sensitive Discussions with my husband which helped me to get a better grasp on what male partners might be feeling planted the seed for my subsequent book on men in dual career families published in 1985 In gathering material for that book I was struck by the contrast with men's earlier disinterest Husbands appeared eager to talk about their lives Their greatest concern what happens to the children became the focus of my last set of studies Why this book *Sharing it all* symbolizes the essence of a two career marriage *A Cross Section of Psychological Research* Andrea Milinki, 2016-09-01 First Published in 2006 This book is designed for students who are learning how to evaluate published psychological research The 41 research articles in this collection provide the stimulus material for such a course *Career Counseling for African Americans* W. Bruce Walsh, Rosie P. Bingham, Michael T. Brown, Connie M. Ward, Samuel H. Osipow, 2000-12 Topics in this volume include basic issues in career counselling for African Americans career assessment vocational and personal considerations and future directions in career counselling theory **Annual Progress in Child Psychiatry and Child Development, 1990** Stella Chess, Margaret E. Hertzog, 1990-12 *Gender and Sex in Counseling and Psychotherapy* Lucia Albino Gilbert, Murray Scher, 2009-09-01 Gender is still largely ignored as an active variable in counseling and is typically viewed as pertaining to women's issues or problems The field has leapfrogged over gender perhaps because it is too complex perhaps because we resist change or perhaps because our gender socialization is sufficiently effective as is This book makes clear as to why gender must be considered in understanding the client's concerns the process of therapy and the counselor's role in the therapeutic interaction Effective therapy requires an understanding of gender theory and gender processes The approach taken in this book explains complex concepts in understandable terms provides summaries of pertinent research findings and applies theory and research about gender to client case examples *Faces of Women and Aging* Ellen Cole, Esther D Rothblum, Nancy C Davis, 2014-06-03 Discover the diverse ways aging women attempt to deal with the universal challenges of loss sickness and death along with the problems of being old women in a society that values women mainly as sexual partners or producers of children Old women are often seen as poor powerless and pitiful in our sexist and youth oriented society The truth is that women age

much more successfully than do men and they are increasingly in the majority as our population ages These truths and others are presented in *Faces of Women and Aging* a collection written by women a number of whom are themselves older women who bring their unique life experiences and personalities to the topic This uplifting book emphasizes that middle and old age are merely stages of growth and development not just seasons of loss and decline as the end approaches A wealth of topics are covered in *Faces of Women and Aging* that broaden the reader's awareness of the problems of women and aging including how to maintain self esteem in the face of sexism ageism and severe illness the problems of being single or divorced in the later years the problems of maintaining a good body image for older women in a society which values the young and the beautiful the additional difficulties of minority women specifically lesbians and native American women increased dependency brought on by illness and loss of partners *Faces of Women and Aging* combines personal narratives that serve as reminders of the human beings behind statistics and case studies with theoretical observations which help therapists assist older women cope with the daily hardships as well as the more catastrophic problems of aging **Women at the Top** Diane F. Halpern, Fanny Cheung, 2011-09-07 Using case studies of top level women and research in the field

Women at the Top breaks new ground and offers new insight into how women can create dually successful lives explores the work histories motivation leadership styles mentors and family backgrounds of a diverse assortment of top level women includes the case studies of the President of Old Navy Gap the Chairman of Deloitte and Touche the VP of IBM operations a Supreme Court Judge in China President of Legislative Council in Hong Kong several university presidents and more weighs the positive effects of multiple roles and positive and negative work life spill over discusses strategies for success e g scaling back juggling the need for social support and the importance of cultural context **Equal Partners - Good Friends** Claire Rabin, 2002-09-11 Marriage as an equal partnership is the goal of many couples in the western world today and yet equality is often limited by the ways that power and gender interact in the relationship leading to dissatisfaction and ultimately the break up of the marriage In *Equal Partners Good Friends* Claire Rabin examines the connection between inequality in marriage and marital distress Drawing on extensive research and personal interviews in the UK USA and Israel she stresses the role of friendship in establishing a truly equal relationship Focusing on issues of gender sex roles and power she provides a new clinical treatment model for therapists working with couples which is much needed in today's climate of change

Two Careers, One Family Lucia Albino Gilbert, 1993-03-09 Can a woman and a man both of whom are career oriented achieve a loving and enduring relationship with children and also advance in their careers Why is it that women more often than men push for dual career marriages What personal and societal difficulties and obstacles do they face What special difficulties do men experience as a result of this phenomenon Taking us to the frontier of close relationships where traditional gender roles are being reevaluated in light of what is both functional and optimal for persons in dual career partnerships *Two Careers One Family* describes the current world of women and men trying to negotiate new realities at

home and at work It offers a glimpse of the future and the potential that exists for creative restructuring of our concepts of gender The first part of this unusual and compelling volume describes the societal context of young adults today the second addresses in detail both expectations for and realities of dual career family life In the final section the author makes predictions about the benefits of increased gender equity for same sex and heterosexual dual career couples and identifies continuing obstacles and sources of stress for partners in dual career families Stimulating informative and insightful this volume is especially helpful to students and professionals in close relationships gender studies family studies psychology communication counseling clinical psychology social work and sociology It is Lucia Albino Gilbert s recognition of the complexities of the dual career situation the interrelations between family work and society and the influence of theory on the very research questions being framed that make *Two Careers One Family The Promise of Gender Equality* more than a summary of current research data Although Gilbert s own research focuses on the family and career choices of young adults the book reaches far beyond that topic to place the dual career family into historical philosophical and societal contexts This brief but comprehensive book would be of interest to any scholar of gender or family issues whether in psychology sociology communications or women s studies Gilbert s readable style and useful chapter summaries also make it suitable as a supplementary text for advanced classes Contemporary Psychology The inclusion of a discussion of what trends in dual career families may mean for same sex couples is particularly noteworthy Family professionals students and interested lay people should all find this book valuable It is both well written and successful in providing a meaningful summary of what we currently know about dual career families Family Relations It wasn t until after my neighbor and I he s a nationally known constitutional lawyer got into a discussion of which detergents we preferred when doing the families laundries that I realized how profoundly some parts of society are changing We had often talked about feminist aspects of civil rights legislation but it was the laundry detergent discussion that did it Now Lucia Gilbert chronicles the changes we and our children face Gilbert s *Two Careers One Family* is a dramatic and graceful description of the emergence of the two career family form Gilbert covers it all theory and research history and future prospects female and male views and more During 93 the media will be preoccupied with the Hillary question but in the meantime change marches on Read *Two Careers One Family* to understand not just this year s media fuss but what s in store for close relationships in the coming years Milton D Hakel Bowling Green State University Ohio In this volume Gilbert describes and astutely analyzes the interplay between work and family in the lives of dual career couples She looks at this in terms of the past the present and the future as well as from the perspective of the individual the family the work organization and society as a whole I cannot think of anyone better qualified for this task than Lucia Gilbert Her analysis blends her experiences as a counseling psychologist with her skills as a researcher and scholar Her experiences as a counseling psychologist give the book a valuable richness and compassion for each individual s situation Her experience as a scholar one who has been a leader on this topic since the early 80s serves as a solid foundation

on which Gilbert paints an up to date empirical portrait of dual career couples with rigor breadth and balance Gilbert's writing is well organized concise and lucid Sprinkled throughout the text are well selected excerpts from other sources cartoons and informative figures and tables Combining sensitivity with rationality her writing epitomizes an androgynous style Daniel Perlman The University of British Columbia For psychologists personal relationships scholars women's or family studies experts already familiar with this body of knowledge Gilbert describes the conceptual shift in the focus of sociopsychological inquiry from sex as a biological difference to gender as a socially constructed difference She casts her analysis in terms of the new gender as socially constructed difference perspective emphasizing gender as an organizing feature of our lives and as a social process Daniel Perlman The University of British Columbia This book offers a wealth of information and understanding of gender issues The implications are mind boggling in terms of potential for relationship and power shifts between wives and husbands between women and men at home in the workplace in larger social spheres for shifts in child parent roles and relationships and for new parental role models It is rich in detail appealing in lucidity and compassion and delightfully entertaining in sprinkles of humor that sparkle and nip Earl Koile Professor Emeritus University of Texas at Austin I enjoyed reading this book By placing the dual career family literature firmly within a framework of gender dynamics it goes much further than just chronicling the problems faced by dual career spouses It also offers explanations and the vision of a way forward The tone is optimistic while in no way underestimating the hurdles to be overcome in the path to gender equality The book also broadens the scope of the discussion to include same sex dual career relationships who have so long been overlooked by researchers studying work and family The author demonstrates that they too can benefit from the progress being made by heterosexual couples at home and at work The lifetime perspective on dual career relationships together with the book's accessible style and some delightful hard hitting cartoons should make it an invaluable reading for anyone contemplating a dual career relationship as well as an academic readership Suzan Lewis Manchester Metropolitan University Lucia Gilbert's *Two Careers One Family* is a thorough and current discussion of today's two career families The book is energetic and insightful in its review of social science research on these families including the author's own research The gender analysis is sophisticated This book is important reading for those interested in the psychology of gender or the psychology of work and work family issues Janet Shibley Hyde Ph D University of Wisconsin

Counseling Psychology Mark M. Leach, 2017-03-02 Since its beginnings after WWII Counseling Psychology has grown to become an applied specialty within psychology with unique areas of emphasis This book introduces readers to the field by presenting its history emphasizes trends and relationships to other areas within psychology followed by seminal articles that have significantly influenced counselors and researchers The volume is organized around the six general themes of history and professional development personal counseling career counseling cross cultural counseling counseling process and outcome and internationalizing Counseling Psychology In presenting articles representing these six themes that have defined

counseling psychology readers are given an essential overview to the past the present and future directions of this applied specialty in psychology **Counseling Across the Lifespan** Cindy L Juntunen, Donald R Atkinson, 2002 Counseling Across the Lifespan expands the perimeters of counseling with its emphasis on preventive techniques for adjustment problems in the lifespan of a normal individual This cogent work focuses on counseling intervention strategies from the unique perspective of an individual s lifespan placing techniques in the proper development context By concentrating on life stages from childhood through old age the authors identify the nature and origin of various psychological issues such as self identity and healthy lifestyle development in adolescents family violence in young adults or retirement transitions for older adults The intervention tools needed to confront these issues are presented through succinct pedagogical features including case examples checklists for evaluating clients and exercises *The Greater Generation* Leonard Steinhorn, 2007-03-06 It s fashionable to mock Boomers as self involved and materialistic but what really is their true legacy To understand how the Boomers have changed America think back to the 1950s but without the nostalgia women were kept at home minorities were denied their dignity homosexuality was a crime and anyone who marched to a different drummer was labeled un American Today we live in a far more open inclusive tolerant and equal America That s because Baby Boomers fought a great cultural war to free America from its prejudices inequalities and fears This book tells the story of their accomplishments From publisher description Dual-Earner Families Suzan Lewis, Dafna Izraeli, Helen M Hootsmans, 1992-02-21 Addressing a significant gap in the literature to date this book focuses on dual earner families in the international context It brings together contributions from a range of countries and continents to examine the issues and developments for dual earner families located in different socio cultural political and economic systems In particular the book explores the ways in which dual earner couples in these different contexts are reconstructing gender and family roles to balance the demands of work and the family Friendship Matters William Rawlins, 2017-07-05 In this volume Dr Rawlins traces and investigates the varieties tensions and functions of friendship for males and females throughout the life course Using both conceptual and illustrative chapters the book portrays the degrees of involvement choice risk ambivalence and ambiguity within friendships and explores the emotional texture of interactions among friends A concluding section examines the prospects for friendship in the course of our post modern blurring of public and private domains and discursive sites **Working Women and Their Families** Jacqueline V. Lerner, 1994 With so many of today s mothers employed in the workforce this concise volume considers the impact that this dual role has both on the mothers themselves and their children The author examines the complex issue of children s social emotional and intellectual development indicating the various factors which can influence child development including age sex temperament family wealth or poverty father s attitudes and the quality of child care **Male/female Roles** Neal Bernard, Terry O'Neill, 1989 Various authors debate how sex roles were established and how men and women respond to changes in sex roles Includes critical thinking skills activities *Organizational Behavior II*

Richard Schwindt,1995 **Family in Transition** Arlene S. Skolnick,Jerome H. Skolnick,1994 Includes bibliographical
references and index **Liking, Loving and Relating** Susan Hendrick,Clyde Hendrick,1992 *Male/female Roles* ,1989

Sharing It All The Rewards And Struggles Of Two Career Families Introduction

In today's digital age, the availability of Sharing It All The Rewards And Struggles Of Two Career Families books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sharing It All The Rewards And Struggles Of Two Career Families books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sharing It All The Rewards And Struggles Of Two Career Families books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sharing It All The Rewards And Struggles Of Two Career Families versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sharing It All The Rewards And Struggles Of Two Career Families books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sharing It All The Rewards And Struggles Of Two Career Families books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sharing It All The Rewards And Struggles Of Two Career Families books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sharing It All The Rewards And Struggles Of Two Career Families books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sharing It All The Rewards And Struggles Of Two Career Families books and manuals for download and embark on your journey of knowledge?

FAQs About Sharing It All The Rewards And Struggles Of Two Career Families Books

1. Where can I buy Sharing It All The Rewards And Struggles Of Two Career Families books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Sharing It All The Rewards And Struggles Of Two Career Families book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
