*Critical Sexuality Studies, Lavender Languages, and Everyday Life* Michelle Marzullo, William L. Leap, 2024-09-05 Critical Sexuality Studies CSS and Lavender Languages Linguistics LLL are leading modes of inquiry in two different fields of sexuality studies In this edited collection chapters reveal how these can be combined to produce a new approach to analyzing language use sexuality and gender and discourse on authority and power The book demonstrates how together LLL and CSS iterate each other through their mutual concern with sexuality gender and power especially when considering the materiality of daily life Authors then compare CSS to other fields of sexuality studies to reveal commonalities and tensions that are addressed via the LLL based interventions exemplified in this volume The body of the book organizes examples of Lavender Languages projects around a four part CSS framework with an introductory essay for each section indicating the connections between the CSS theme and the LLL examples The volume concludes with reflections showing how CSS interests in sexuality and power benefits from LLL with its emphasis on socially focused studies of discourse and text Strengthening pathways to future knowledge making this book provides a detailed roadmap for scholarly and activist engagements in language centered critical sexuality studies [Help is just a click away: Social Network Sites and Support for Parents of Children with Special Needs](#) I-Jung Grace Lu, 2019-07-15 Feeling alone searching for help searching for a sense of belonging and identity parents of children with special needs face various difficulties in their daily lives But help and support can be extremely hard to obtain for these parents since they are limited by resources location and time However things started to change when the World Wide Web began to connect people together We now live in an era when networks of power can be achieved and maintained through virtual connections on the internet where instant communication can be a form of power This book hopes to shed light on how the simple act of clicking

can empower and contrariwise in some cases disempower parents to locate help and support This book also discusses the shifting role of these parents from those seeking help to those who provide help for other parents through the virtual networks they have built on various social networking sites When examining these issues this book takes into consideration the Asian concept of Face in which identity is an image agreed by society This book will offer insights for parents researchers and social workers as well as for anyone else who hopes to understand what is taking place on the net and how to be involved in the networking process of providing support for people around you It allows the readers to see how support nowadays can really be just a click away

**The Sex Offender Register** Terry Thomas, Daniel J. Marshall, 2021-04-12 The Sex Offender Register examines the origins history structure and legalities of the UK sex offender register and explores how political and public opinion has influenced the direction the policy of registration has taken Delving into the origins of the UK sex offender register and how the registration policy has evolved this book provides an understanding of the register and its contribution to public protection while attempting to see the register as a policy that has grown and developed and as having an organic life of its own The sex offender register is designed as a form of public protection rather than a punishment requiring offenders to notify the police of their circumstances and to accept a degree of offender management from the police The book puts the development of the register in its political social and ethical context considers the position of children and young people as offenders outlines the movement of registered offenders across international borders analyses how offenders can be removed from the register explores how other countries in the UK manage sex offenders through registers asks questions about the efficacy of the register and what contribution it makes to public protection looks at specific aspects of registration including the management of information delves into the experience of life on the register examines the influence of public opinion discusses the role of the police as custodians of the register and as offender managers Exploring the different pressures brought to bear on the register this book provides an authoritative starting point for police officers social workers probation officers magistrates students of Criminology Criminal Justice and Policing and the general reader wanting to understand where the UK sex offender register originated from and how it operates today

**Family and HIV/AIDS** Willo Pequegnat, Carl Bell, 2011-10-22 Three decades into the HIV pandemic the goals remain clear reduce the number of infections improve the health outcomes of those who are infected and eliminate disparities in care And one observation continues to gain credence families are a powerful resource in preventing adapting to and coping with HIV Recognizing their complex role as educators mentors and caregivers Family and HIV AIDS assembles a wealth of findings from successful prevention and intervention strategies and provides models for translating evidence into effective real world practice Chapters spotlight the differing roles of mothers and fathers in prevention efforts clarify the need for family community collaborations and examine core issues of culture ethnicity gender and diagnosis e g minority families adolescents with psychological disorders Throughout risk reduction and health promotion are shown as a viable public health strategy A

reference with considerable utility across the health mental health and related disciplines Family and HIV AIDS will be a go to resource for practitioners working with families researchers studying at risk populations administrators seeking to create new or evaluate existing prevention and care programs and policymakers involved in funding such programs Exploring the Dimensions of Human Sexuality Jerrold S. Greenberg, Clint E. Bruess, Sara B. Oswalt, 2016-02-16 Fully revised and updated with the latest data in the field the Sixth Edition of Exploring the Dimensions of Human Sexuality represents all aspects of human sexuality and explores how it affects personality development and decision making Using a student friendly interpersonal approach the text discusses contemporary concepts as well as controversial topics in a sensitive manner and covers the physiological biological psychological spiritual and cultural dimensions of human sexuality Exploring the Dimensions of Human Sexuality is an essential text for teaching sexuality and presents an integrated view of human sexuality that encourages students to pursue positive decisions sexual health and a lifetime of wellness **Resources in Education**, 1999 *Pediatric Primary Care - E-Book* Catherine E. Kuther,2019-11-12 In the chronologically organized Child and Adolescent Development in Context award winning author Tara L Kuther frames development research in real life contexts including gender race and ethnicity socioeconomic status and more Understanding Children's Development Anne B. Smith,Keith Ballard,1998 This fully revised and updated edition of a fundamental New Zealand psychology text examines how and why children develop and how they are influenced by the people and events in their lives Discussed are theories of development and learning the importance of early experience intelligence and assessment and the family The development of social behavior gender roles language and thinking are also covered The question of mainstreaming the integration of children with special educational needs into

regular preschools and classrooms is also debated There is a strong emphasis on local conditions and the New Zealand historical and social context This new edition addresses the important issue of giving children themselves a voice in order to better understand their development and to involve them in decisions about their lives

**Contexts for Young Child Flourishing** Darcia Narvaez, Julia M. Braungart-Rieker, Laura E. Miller-Graff, Lee T. Gettler, Paul D. Hastings, 2016-07-01 Human beings have the most immature newborn and longest maturational schedule of any animal Only 25% of the adult brain size is developed at full term birth and most of the brain s size and volume is co constructed by caregivers in the first years of life As a result early life experience has long term effects on physiological and psychological wellbeing Contexts for Young Child Flourishing uses an evolutionary systems framing to address the conditions and contexts for child development and thriving Contributors focus on flourishing optimizing individual physiological psychological emotional and communal social community functioning Converging events make this a key time to reconsider the needs of children and their optimal development in light of increasing understanding of human evolution the early dynamism of development and how these influence developmental trajectories There is a great deal of misunderstanding both among researchers and the general public about what human beings need for optimal development As a result human nature unnecessarily can be misshaped by policies practices and beliefs that don t take into account evolved needs Empirical studies today are better able to document and map the long term effects of early deficits or early assets mostly in animal models but also through longitudinal studies An interdisciplinary set of scholars considers child flourishing in regards to issues of development childhood experience and wellbeing Scholars from neuroscience anthropology and clinical and developmental studies examine the buffering effects of optimal caregiving practices and shed light on the need for new databases new policies and altered childcare practices

**Autism: Innovations and Future Directions in Psychological Research** Emma Gowen, Christine M. Falter-Wagner, Laura Crane, 2022-02-14 **Study Guide for Psychology in Everyday Life** David G. Myers, Richard O. Straub, 2008-11-28
