Shattered Debra Puglisi Sharp, Marjorie Preston, 2003 A riveting inside account of one woman's abduction imprisonment rape and near death trauma Shattered is also an indelible portrait of hope determination and the agonizing journey back to life

Shattered Debra Puglisi Sharp, 2010-05-11 In April 1998 Debra Puglisi Sharp wife nurse and mother of teenage twins was tending the roses in her garden when a factory worker with a cocaine habit slipped in through an open door and waited for her to come in Nino her husband of twenty five years got in the way and was shot The man then attacked and raped Debra placed her in the trunk of his car and drove away Kept hog tied in her abductor's house Debra finally learned of her husband's murder from a newscast on a radio that the man blared to muffle her screams while he was out After five excruciating days Debra's mounting rage at her captor and the wrenching thought of her children burying their father alone gave her the courage and strength she desperately needed She loosened her ties groped her way to the phone and dialed 911 Shattered is an indelible portrait of hope determination and the agonizing journey back to life Struggling to heal from her horrendous ordeal and the devastating loss of her husband Debra also had to endure an agonizing court trial the raw grief of her children and her own crippling fear But through her work in hospice care and as an advocate for victims of violence and trauma she has slowly discovered the measure of her own strength A compelling survival story tragic and ultimately heroic Shattered represents one woman's attempts to make sense of a senseless crime
