

The background of the entire image is a dramatic, war-torn landscape. In the foreground, a large, tattered American flag is partially visible on the right side. In the center, several soldiers in silhouette are walking through a field of fire and smoke. The sky is filled with orange and yellow flames, suggesting a battlefield at night or during a major conflict. The overall tone is somber and intense.

Shattering the Gods Within David F Allen, 2018-12-23 In this book the second edition of the second book of his classic trilogy renowned Christian psychotherapist Dr David F Allen teaches us about the many false gods that are waiting to be raised up as deities within us We learn how to identify them and how they must be shattered so that we ultimately find our way into the worship of the true God The starting point in this journey is understanding this important truth Life is wounded This principle is the underlying explanation for our constant creation of false gods Unmanageable unbearable and seemingly inescapable pain is the reason we are forever shoving our faith aside and granting god-like status to both our pleasures and our problems Life is wounded and in this book Dr Allen helps the reader understand the inextricable connection between our pain and our false gods These pseudo gods are false illusions of reality they must ultimately shatter or be shattered The shattering may be a result of illness disappointment death or some other tragedy or God himself might explode our box of illusions The shattering of one's pseudo gods is always painful leaving a hole in one's soul and an emptiness of heart We become vulnerable to depression suicide or other self-destructive behaviors e.g. drugs or alcohol But at this point of extreme vulnerability we can also be open to true faith in God In a Christian context the coming of Christ the Holy Son of God is the most powerful antidote to idolatry or pseudo gods From the opening chapters on Life is Wounded and The Creation of a Pseudo God Dr Allen presents the reader with the false gods of modern culture Narcissism The God of Self Image Conformity The God of Fitting In Materialism The Visible God The Sacredness of the Affect Anger Addiction and Sexuality Extraordinary Illusions Facing the Wounded Self But the reader is not left in despair Out of more than four decades as a psychiatrist and a lifetime of understanding human nature through the stories in the Holy Scriptures Dr Allen brings hope in Broken Idols Coping with Defeat and Facing Giants Character Amidst Chaos Ultimately with Dr Allen as our guide we are led to God's

On Inception Martin Heidegger, 2023-09-05 On Inception is a translation of Martin Heidegger's *Werden Anfang* GA 70 This work belongs to the crucial period before and during WWII when Heidegger was at work on a series of treatises that begins with *Contributions to Philosophy* and includes *The Event* and *The History of Being* These works are difficult even hermetic but represent a crucial development in Heidegger's thinking On Inception deepens the investigation underway in the other volumes of the series and provides a unique perspective on Heidegger's thinking of Being and of Event Here Heidegger asks with a greater insistence than anywhere else in his work what it might mean to think of being as event and not as presence Event cannot be thought without the sense of a beginning an inception and so Heidegger insists we must try to think of being as inception as fundamentally inceptive On Inception pursues rigorously the difficult and puzzling implications of this speculation It does not merely extend work already undertaken but also opens doors onto wholly other pathways
