Shaw's Sense Of History:

Shaw's Sense of History J. L. Wisenthal, 1988 Shaw told Ellen Terry that he required whole populations and historical epochs to engage his interests seriously and this book examines his engagement as a dramatist with historical issues It explores his sense of history in plays set in the past and it also demonstrates that many of Shaw's plays although set in the present or future can profitably be seen as history plays in that they dramatize historical issues Shaw and History Gale K. Larson, 1999 This special issue of Shaw offers ten articles that focus on the theme of Shaw and History That focus illuminates Shaw's concept of history as art and its uses for dramatic purposes It is a focus that is broadly applied to the historical perspective Views range from Shaw's uses of historical sources in the Shavianizing of history his uses of historical geographical and political places and events in his work to views that place selected Shavian works within a historical context Stanley Weintraub discusses Shaw's references to Cetewayo Zulu chieftain in *Cashel Byron's Profession* as the first incorporation of a contemporary historical figure into his work John Allett explores the liberal socialist and radical feminist views of prostitution in nineteenth century England and demonstrates how those political views are developed within the unfolding action of *Mrs Warren's Profession* Sidney P. Albert studies the Utopian movement *The Garden City* to determine the extent to which that movement influenced Shaw's conception of *Perivale St. Andrew* in *Major Barbara* He also narrates his personal attempt to identify the Ballycorus smelting works and its surroundings as well as the campanile or Folly at Faringdon as sites that provided the scenic sources for *Perivale St. Andrew* in *Major Barbara* Gale K. Larson has edited a partially unpublished Shavian manuscript that addresses Shaw's relationship with Frank Harris and among other matters sets the historical record right as to who deserves the credit for attributing the identity of the Dark Lady of the Sonnets to Mary Fitton He also examines the historical sources that influenced Shaw's views on Charles II the Merry Monarch in *In Good King Charles's Golden Days* and demonstrates Shaw's reclamation of yet another historical figure from the traditional historians David Gunby examines the first night performance of *O'Flaherty V.C.* for purposes of setting the historical record straight as to the facts of that production Wendi Chen presents the stage history of the production of *Mrs Warren's Profession* in China during the early 1920s and argues its central role in shaping modern Chinese drama Rodelle Weintraub assesses *Too True to Be Good* as a dream play within the context of the nightmarish times of World War I Michael M. O'Hara surveys the Federal Theatre's productions of *Androcles and the Lion* in the 1930s to reveal the political and religious repressions that those productions underscore Shaw 19 also includes three reviews of recent additions to Shavian scholarship as well as John R. Pfeiffer's Continuing Checklist of Shaviana **The Cambridge Companion to George Bernard Shaw** Christopher Innes, 1998-09-24 The Cambridge Companion to George Bernard Shaw is an indispensable guide to one of the most influential and important dramatists of the theatre The volume offers a broad ranging study of Shaw with essays by a team of leading scholars The Companion covers all aspects of Shaw's drama focusing on both the political and

theatrical context while the extensive illustrations showcase productions from the Shaw Festival in Canada In addition to situating Shaw's work in its own time the Companion demonstrates its continuing relevance and applies some of the newest critical approaches Topics include Shaw and the publishing trade Shaw and feminism and Shaw and the Empire as well as analyses of the early plays discussion plays and history plays *Unpublished Shaw* Bernard Shaw, Dan H. Laurence, 1996 SHAW 16 contains twenty nine unpublished pieces by Shaw written between 1877 and 1950 The most significant is a ten page draft synopsis of *Man and Superman* the original manuscript draft of the play has been lost in a contemplated five act version providing scholars with a hitherto unavailable ur text Equally important for the biographical and artistic insights they offer are the early literary efforts found in Shaw's first opus notebook including an extended narrative verse fragment of 1877 set in Dublin a polemic his first on oakum picking and prison conditions a criticism of organists and orchestral conductors and an attempted evaluation of contemporary arts and letters in 1878 We find Shaw through the persona of a female narrator creating in his own image a fictional memoir of the young Hector Berlioz offering an ironic vindication of housebreakers in anticipation of *Heartbreak House* exploring the seamy side of the prizefight ring examining exhausted genres of Victorian art in 1880 defining the true signification of the term Gentleman lecturing on Socialism and the family and on realism as the goal of fiction and penetratingly considering the future of marriage in a rejected book review one of four included in the volume The dimensions of Shaw's political views may be examined through nearly a dozen commentaries on politics and on war and peace ranging from the Boer War an 1899 draft letter to the press *Why Not Abolish the Soldier* and 1903 municipal elections to U S Liberty Loans the Italo Abyssinian War how to talk intelligently about the Second World War and the implications of the hydrogen bomb in the nuclear age For good measure the volume concludes with two brief playlets previously unrecorded The editors have arranged these pieces individually or grouped by theme and genre as near to chronological order as possible and the reader is brought closer to the original manuscripts by the retention of Shaw's stylistic and spelling inconsistencies and by transliteration of the shorthand notations he frequently inserted between lines or in the margins Each text is supplemented by an editorial note providing its provenance and a detailed physical description of the manuscript **Current History ...** ,1915 **Shaw's New History of English Literature** Thomas Budd Shaw, 1874
