*Dandy in Irish and American Southern Fiction* Ellen Crowell,2007-11-19 This book identifies and interprets the longstanding ideological and aesthetic dialogue between the

literary imaginations of Anglo Ireland and the Anglo American South It offers a rich comparative examination of nineteenth and twentieth century Irish and American Southern plantation literatures and their respective representations of race and nation gender and sexuality region and landscape and the gothic imagination Pairing major writers from both traditions including Maria Edgeworth William Faulkner Oscar Wilde Katherine Anne Porter and Elizabeth Bowen the book shows how this transatlantic dialogue coalesced around questions of power supremacy and gentility writers in Anglo Irish and Anglo Southern literary traditions recognized and spoke to each other through the discourse of aristocracy As the book demonstrates from the early nineteenth century onwards Irish and Anglo Southern writers conducted a sustained exploration into constructions of aristocracy through the figure of the dissipated deviant gentleman or lady the dandy By augmenting literary analysis with a variety of historical biographical archival and visual materials including nineteenth century trade cards original letters and twentieth century photographic portraits the book offers readers a wide ranging interdisciplinary illumination of transatlantic modernism

**Designs of Darkness in Contemporary American Fiction** Arthur M. Saltzman, 2016-11-11 In *Designs of Darkness* Arthur M Saltzman examines some of the ways in which fiction has traditionally conspired to promote a goal oriented vision of the work of art and explores the ways in which postmodern or postrealist fiction consistently and unavoidably subverts the clarity of this vision Offering readings of works by well known authors including Barthelme Doctorow DeLillo and Hakes as well as works by lesser known writers Auster Gangemi Saltzman concentrates on the breakdown of epiphany in recent fiction both as philosophical motive and as structural foundation In contemporary fiction Saltzman contends ambiguities blossom far beyond our capacities to stabilize summarize or restore them to sense The old rules of the game in which a reader looking for truth can expect some sort of satisfactory resolution no longer apply Literature now comes out of the answerless *Designs of Darkness in Contemporary American Fiction* is a valuable new resource for scholars and students of contemporary literature

*The Historical Reliability of the New Testament* Craig L. Blomberg, 2016-11 This book is a fully stocked toolbox for anyone interested in whether we can still trust the New Testament in the twenty first century

*Shakespeare's Unreformed Fictions* Gillian Woods, 2013-06-20 Why does Catholicism have such an imaginative hold on Shakespearean drama even though the on going Reformation outlawed its practice Shakespeare's *Unreformed Fictions* contends that the answers to this question are theatrical rather than strictly theological Avoiding biographical speculation this book concentrates on dramatic impact and thoroughly integrates new literary analysis with fresh historical research In exploring the dramaturgical variety of the Catholic content of Shakespeare's plays Gillian Woods argues that habits idioms images and ideas lose their denominational clarity when translated into dramatic fiction they are awkwardly unreformed rather than doctrinally Catholic Providing nuanced readings of generically diverse plays this book emphasises the creative function of such unreformed material which Shakespeare uses to pose questions about the relationship between self and other A wealth of contextual evidence is studied including catechisms

homilies religious polemics news quartos and non Shakespearean drama to highlight how early modern Catholicism variously provoked nostalgia faith conversion humour fear and hatred This book argues that Shakespeare exploits these contradictory attitudes to frame ethical problems creating fictional plays that consciously engage audiences in the difficult leaps of faith required by both theatre and theology By recognizing the playfulness of Shakespeare's unreformed fictions this book offers a different perspective on the interactions between post Reformation religion and the theatre and an alternative angle on Shakespeare's interrogation of the scope of dramatic fiction
