Stevens, 2021-10-07 These days people talk about their schedules filling up 24/7 twenty four hours a day seven days a week We wear busyness like a merit badge as if the more we do the better we become But R Paul Stevens says this is not biblical Nor is it helpful For Christians life isn't about checking off to do lists It's about connecting with God and infiltrating thoughtful biblical faith into our everyday lives Sometimes that means activity but sometimes not Everyday spirituality the subject of the book embraces purposeful times of work relationships and rest centered on God instead of personal or cultural expectations But how can you do it It's not easy exiting the fast track to practice a slowed down yet down to earth holiness Stevens understands this and offers practical insights to developing a subversive spirituality a meaningful faith that seeps into your work family sexuality friendships outreach aloneness and leisure and fills you with joy But most importantly it motivates you to lovingly abide with God seven days a week Matthew the Poor an Eastern monk in Egypt once said that life is but one single way that leads to the kingdom of God **Raising Boys by Design** Dr. Gregory L. Anita Kraal-Zuidema,2019-06-26 Any major transition in life is apt to create new challenges or reinvigorate lingering questions Worries and feelings of inadequacy are often uninvited companions as we negotiate the passage of time and life So where do we turn when we need a light to show us the next step forward either for ourselves or for our loved ones In Toward Endless Light author Anita Kraal Zuidema reflects on her life story in writing what began as love legacy for her family As stories tumbled out she knew they were meant to be shared with a broader audience than she had at first envisioned With new insight she began to foster a greater appreciation and love for scripture and the biblical solutions it offers Anita also wanted to challenge her readers to consider and ponder the every day choices they make and to encourage them to walk in closer relationship with God Life is full of questions though most of life is accomplished without ready answers to our most difficult questions the whys and the why me sort However great our intentions the devil is always ready to infuse his foolishness into our minds as he sits perched on our shoulder doing his best to keep us from doing our very best Thank God the devil succeeds less and less especially as we listen more closely to the only one who has answers to all our questions They will come in his time in his way *The Journey* Judson Poling,1996 **The Christian Advocate** ,1923 **Our Unknown, Undeserved, Preplanned Journey** Jan Gingrich,2020-01-30 Life is often referred to as a journey Without a doubt every person who uses that analogy does so from at least a different perspective and likely a different reason Sometimes it is because they have found life hard and the term journey represents the struggle and its length they have experienced There is some of that factor in our so titling the book Other times it is used to express finding life delivering beyond their expectations and the experience took them where they never imagined going There is that factor in our so titling the book also Sometimes it is because life seems mundane repetitious and they feel caught in its cycle There is nothing of that in our book There is a poem called Footprints in the Sand by Mary Fishback Powers that illustrates the caring hand of God she experienced in hard times of life when she saw only one set of prints Too often that is all we look for help in the parts of life s journey we think we need help with True we should look for that but the promise of God to his children is I will never leave nor forsake you good or hard times This book was written to demonstrate the truth and reality of that promise made over 200 times in various wordings of the Bible This book was written no had to be written so every child of God is alertly looking for what God is doing for them every day in ways they have not considered before Then experience the amazement of realizing their Journey has been part of the Creator s plan from the beginning who works all things according to his good and perfect will so that they can know purpose and blessing in life and not just an aimless Journey *Ebony* ,2005-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Christian Advocate and Journal and Zion's Herald* ,1906 *Arkansas Methodist* ,1922 *The Shelf* David DeRemer,2019-10-01 Sitting down in the grass with his tiny feet barely able to touch the street Dave was scooped up off the curb and forced to leave behind the only world he knew too young to

know what would happen next The years that followed were that of depression trauma and fear caused by years of abandonment and abuse and resulted in something brutal and life altering forming inside of him something he wouldn't fully discover the impact of until many years later on in his adult life The Shelf is a truly riveting memoir that will have you questioning your own triumphs and tragedies and have you exploring your own questions about the presence of God and Jesus Christ It takes you on the journey of Dave's life from early childhood to military retirement and tells of the many amazing ways God carefully and purposefully walked Dave through forty years of his life away from near suicide and into a brand new world filled with grace forgiveness love and success These unimaginable and unbelievable accounts of God's work on Dave's life will leave you laughing crying and helping you renew your own faith in God and Jesus Christ The Shelf encourages and offers hope to those who suffer from low self esteem lack of self worth and severe depression It offers hope to those who may have struggled with always being cast aside as just someone's option or to those who have lost faith in God in people and in life Dave's faith and trust in God dramatically changed everything in his life and his story will change yours too
