   The Long Return Col. David O. Scheiding, USAF (Ret),2016-10-06 The Long Return By Col David O Scheiding USAF RET Upon returning to the United States after serving in Vietnam Col David O Scheiding USAF RET and other Vietnam vets were met with a significant amount of antiwar anti military sentiments by the American Society toward them David reveals his reaction to the significant change in the general American attitude toward the Vietnam War The Long Return shows us his experiences as an Air Force pilot and his efforts to understand the change in the American attitude by looking at history and how and why the use of the military developed into a political tool by use by politicians This is the only way he has been able to adjust and accept the change and to finally be at peace with himself completing his long return from Vietnam   The New Wealth Management Harold Evensky,Stephen M. Horan,Thomas R. Robinson,2011-05-03 Mainstay reference guide for wealth management newly updated for today s investment landscape For over a decade The New Wealth Management The Financial Advisor s Guide to Managing and Investing Client Assets has provided financial planners with detailed step by step guidance on developing an optimal asset allocation policy for their clients And it did so without resorting to simplistic model portfolios such as lifecycle models or black box solutions Today while The New Wealth Management still provides a thorough background on investment theories and includes many ready to use client presentations and questionnaires the guide is newly updated to meet twenty first century investment challenges The book Includes expert updates from Chartered Financial Analyst CFA Institute in addition to the core text of 1997 s first edition endorsed by investment luminaries Charles Schwab and John Bogle Presents an approach that places achieving client objectives ahead of investment vehicles Applicable for self study or classroom use Now as in 1997 The New Wealth Management effectively blends investment theory and real world applications And in today s new investment landscaped this update to the classic reference is more important than ever
