## **Longley Legend:**

*Bloody Bill Longley* Rick Miller, 2011 William Preston Longley 1851-1878 went on a murderous rampage over the last few years of his life. Once he was arrested in 1877 and subsequently sentenced to hang, his name became known statewide as an outlaw and a murderer. Longley created and reveled in his self-centered image as a fearsome deadly gunfighter. In truth, Longley was not the daring figure that he attempted to paint. *Legends of the Dallas Cowboys* Cody Monk, 2017-10-03 Five Super Bowl titles, fifteen Hall of Famers and a litany of legendary players, characters and games later, the Dallas Cowboys franchise has cemented itself among the most successful in all of sports and with a fan base that extends all over the world among the most well-known. *Legends of the Dallas Cowboys* takes an in-depth look at some of the legends who have shaped the Cowboys identity, beginning with Tom Landry, the man who was hired before Murchison had been awarded a team and who is still the franchise's enduring image. Also included is Tex Schramm, under whom the Cowboys had twenty-eight winning seasons and who is considered the most forward-thinking NFL executive ever, as well as Randy White, Ed "Too Tall" Jones, Bob Lilly, Lee Roy Jordan, Mel Renfro and more. Also included are innovators such as Bob Hayes, who forced the creation of the zone defense, and Michael Irvin and Thomas "Hollywood" Henderson, who forced the creation of behavioral clauses in contracts. Each of the legends played his own unique role in shaping the lore of one of sports' greatest franchises, a franchise that began humbly on a winter day in Miami and is now a model of success. [Great Murder Trials of the Old West](#) Johnny D. Boggs, 2002-11-30 Recreate and analyze some of the wildest murder trials on the American frontier. **Crime Buff's Guide to Outlaw Texas** Ron Franscell, 2010-11-09 A fascinating journey through the Lone Star State's unruly past with maps, photos and more. Texas rightfully claims a celebrated place in the wildest West of both myth and reality, which makes it truly stranger than fiction. That *The Crime Buff's Guide to Outlaw Texas* is the first ever travel guide to the many sites related to the Lone Star State's renowned rambunctious past, complete with GPS coordinates that put you at the scene of the action. From outlaws like Sam Bass and John Wesley Hardin to Bonnie Clyde and Houston's notorious Candy Man killer, Texas has dozens of places where true crime buffs can actually stand close to history. For many readers, the attraction to these sites, some well-known, some obscured by time, is irresistible. Written with the same fast-paced, gripping style that marked the author's widely praised earlier work, *The Crime Buff's Guide to Outlaw Texas* is an indispensable resource for both criminal history enthusiasts and travelers. Each site description includes a concise summary of the location's significance, historical context, maps, directions and photos. Praise for a previous book by the same author, *The Darkest Night*, heartbreaking, not unlike Truman Capote's *In Cold Blood*. Chicago Sun Times: This uncommon story has every chilling component of human terror, drama and suspense that readers of true crime look for. Vincent Bugliosi, 1 New York Times bestselling author of *Helter Skelter*. A very, very good book written by a very, very good writer. Ann Rule, 1 New York Times bestselling author of *Stranger Beside Me*. **Triggernometry** Eugene Cunningham, 2016-08-09 This widely regarded classic represents a volume of

biographies of numerous master gunfighters including such notables as John Wesley Hardin Billy the Kid Dallas Stoudenmire Sam Bass Wild Bill Hickok Butch Cassidy and Tom Horn Himself a Westerner familiar with the feel of pistol and rifle Cunningham knew firsthand several of the Texas gunfighters featured in his book the product of more than 35 years of research interviews and writing

**Legend of the Duelist** Rutledge Etheridge,1993 In the far future mankind heads for the stars settling peacefully throughout the galaxy Unfortunately there is still a very real very human need for violence That is where the Duelists come in they function as bounty hunters peacekeepers mercenaries And with war on the horizon they are the only fighters left

*Legendary Locals of Androscoggin County* Maxwell Mogensen,2013 In as much as it has endowed the region with a rich heritage plentiful stories and a host of colorful characters history has been kind to Androscoggin County But history can also be dark and uncanny as when Francis E Stanley a Lewiston resident and inventor of an early steam powered vehicle died in an automobile accident It can be eerie like when his twin brother opened an enormous hotel now purportedly home to his ghost that became the inspiration for Stephen King's novel The Shining These twists of fate begin to unravel the tale of Androscoggin County's legendary locals Some like Benjamin Bates and Edward Little are remembered for the institutions they helped create Others raised the hopes and spirits of their neighbors like Joey Gamache who won two boxing world titles in the early 1990s Still others are remembered for the subtler ways they affected change like Rita Dube who saved Lewiston's St Mary's Church from demolition and helped create the Franco American Heritage Center Some notable residents ascended to the highest offices of government others to national fame but many are remembered for the significant ways they shaped their communities and Androscoggin County from within
