Nadell, John Langan, Deborah Coxwell-Teague, 2017-10 As in the first eleven editions in this twelfth edition we have aimed for a different kind of text one that offers fresh examples of both student authored and professional prose one that takes an active role in helping students become stronger more critical readers thinkers and writers We have also tried to help students bridge the gap between the product and process approaches to reading and writing Throughout we describe possible sequences and structures but emphasize that such steps and formats are not meant to be viewed as rigid prescriptions rather they are strategies for helping students discover what works best in a particular situation
