Look After The Bairns A Childhood In East Lothian:

Look After the Bairns Patrick McVeigh,1999 After the First World War Longniddry in East Lothian was a largely self contained village community based on the life of the surrounding farms and geared to the crops and the changing seasons There was poverty aplenty but these same surroundings were a paradise too for children and there are vivid memories of the nearby sea of the rocks with their pools of the woods and fields all around and of safe roads and lanes where the horse drawn farm cart was a more familiar sight than the motor car Often humorous sometimes tragic this is one person s account of a life that has gone forever **BOOK JACKET** British Widows of the First World War Andrea Hetherington,2018-04-30 Widows of the Great War is the first major account of the experience of women who had to cope with the death of their husbands during the conflict and then rebuild their lives It explores each stage of their bereavement from the shock of receiving the news that their husband had been killed through grief and mourning to the practical issues of compensation and a widow s pension The way in which the state and society treated the widows during this process is a vital theme running through the book as it reveals in vivid detail how the bureaucracy of war helped and hindered them as they sought to come to terms with their loss Andrea Hetherington also describes often overlooked aspects of bereavement and she features many telling first hand accounts from the widows themselves which show how they saw their situation and how they reacted to it Her study gives us a fascinating insight into the way in which the armed services and the government regarded war widows during the early years of the twentieth century The Great War Dan Todman,2014-03-04 The First World War with its mud and the slaughter of the trenches is often taken as the ultimate example of the futility of war Generals safe in their headquarters behind the lines sent millions of men to their deaths to gain a few hundred yards of ground Writers notably Siegfried Sassoon and Wilfred Owen provided unforgettable images of the idiocy and tragedy of the war Yet this vision of the war is at best a partial one the war only achieving its status as the worst of wars in the last thirty years At the time the war aroused emotions of pride and patriotism Not everyone involved remembered the war only for its miseries The generals were often highly professional and indeed won the war in 1918 In this original and challenging book Dan Todman shows views of the war have changed over the last ninety years and how a distorted image of it emerged and became dominant *East Lothian Folk Tales* Tim Porteus,2017-11-27 Storyteller Tim Porteus brings together stories from the rugged coastlines golden beaches rolling countryside and dramatic Lammermuir Hills of the ancient county of East Lothian In this treasure trove of tales you will meet Scottish kings and queens saints and sinners witches and wizards ghosts and giants fools and tricksters all as fantastical and powerful as the landscape they inhabit Retold in an engaging style and richly illustrated with unique line drawings these humorous clever and enchanting folk tales are sure to be enjoyed and shared time and again Review of Scottish Culture 20, 2008 Alexander Fenton,2008 Scottish Life and Society: Scotland's domestic life Susan Storrier,2000 Examines the variety in Scottish home life and considers what has shaped its society This book in fourteen volumes aims to

examine the interlocking strands of history language and traditional culture within an international context and their contribution to the making of a national identity Look After the Bairns Patrick McVeigh,2003-04-01 Patrick McVeigh was the youngest child in a family of five living in Longniddry East Lothian when his father died of wounds sustained in the First World War His mother was left to bring up her four daughters and her son with only a widow s pension of twenty seven shillings a week to provide for their needs All of the family had to find work of some sort as soon as they were able and further education was an unattainable luxury Often humorous sometimes tragic this is one person s account of a life that has gone forever **Scottish Life and Society: The Individual and Community Life** ,2000 **A Scottish Country Doctor, 1818-1873** Thomas Wyld Pairman,2003 Robert Pairman s lifelong service as country doctor to the town of Biggar Lanarkshire is detailed in this enlightening biography Pairman s entire life is explored from his humble beginnings and education at Edinburgh University to the exemplary care he showed for his patients **Peat Fire Memories** Kenneth Macdonald,2003 Kenneth MacDonald was a man deeply rooted in the life of his native village of Sandwick Isle of Lewis Teacher socialist and councillor he became known to a wider public as a Gaelic newsreader with the BBC This collection gives a glimpse of what life was like in Lewis as he grew up **A Shepherd Remembers** Andrew Purves,2001 Andrew Purves was born in 1912 in the parish of Linton near Kelso Roxburghshire His boyhood ambition was to become a shepherd like his father before him and during a long career he worked on farms in the vicinity of Kelso as well as Berwickshire and Glas Water and over the border in Glendale and Otterburn His career spanned a period of sweeping changes in the structure of agricultural communities and of rural life during which the countryside of his childhood and youth has altered almost beyond recognition **Monkeys, Bears and Gutta Percha** Colin MacLean,2001 In this volume Colin MacLean picks up and develops the family story as told by his mother Isabella G MacLean in the remarkable collection of her letters Your Father and I He looks back across a varied career in journalism and publishing highlighting many of the distinctive features in school and university education in conditions of health and hygiene in language and in the social and religious attitudes of his early years His personal account traces the span of one family s contacts with two world wars and presents the moving and often painful story of the impact of his sister Isabel of her brief and unexpected war service at Bletchley Park where the Ultra Secret was being unravelled **Current contents Arts and Humanities** ,2002 *Bondagers* Ian MacDougall,2000 The Scottish Farm Servant ,1924 **The Christian Remembrancer** ,1843 **The Christian remembrancer; or, The Churchman's Biblical, ecclesiastical & literary miscellany** ,1843 Early Modern Childhood Anna French,2019-10-08 Early Modern Childhood is a detailed and accessible introduction to childhood in the early modern period which guides students through every part of childhood from infancy to youth and places the early modern child within the broader social context of the period Drawing on the work of recent revisionist historians the book scrutinises traditional historiographical views of early modern childhood challenging the idea that the concept of childhood didn t exist in this

period and that families avoided developing strong affections for their children because of the high death rate. Instead, this book reveals a more intricately detailed character of the early modern child and how childhood was viewed and experienced. Divided into five parts, it brings together the work of historians, art historians, and literary scholars to discuss a variety of themes and questions surrounding each stage of childhood, including the household, pregnancy, infancy, education, religion, gender, illness, and death. Chapters are also dedicated to the topics of crime, illegitimacy, and children's clothing, providing a broad and varied lens through which to view this subject. Exploring the evolution in understanding of the early modern child, *Early Modern Childhood* is the ideal book for students of the early modern family, early modern childhood, and early modern gender.
