Merritt, 2019-11-29 Christians have always known that pornography violates the teaching of Jesus not to look at someone with lust But now even secular sex experts are waking up to the reality that rather than enhancing marriages porn is destroying marriages Young men on YouTube are confessing that they don't want to be porn addicts anymore They want to be able to perform when they're with a real woman and porn has undermined that This book isn't written by a porn expert It's not written by a therapist a counsellor or a pastor This book is written by a theology major This is the story of a Christian marriage that was put to the test and eventually destroyed by porn And it is the story of spiritual abuse Rather than admit that he was going against his Christian faith Martin not his real name a lifelong Christian and father of five used scriptures to justify his addiction and to abuse his wife This is also the story of a jealous God who wanted Martin's wife to know this isn't Me This is something wicked The same is true if you have been abused by a priest a pastor or any trusted person who God set up to be responsible for taking care of you not for abusing you or taking advantage of you God wants to talk to you This book by a victim of domestic abuse may be your first step in hearing his personal words to you Through a life of seemingly random events including an unexpected trip to the Holy Land Elsie

Ghilea,2018-09-02 Once upon a time I dreamed I was a butterfly This is how Chuang Tzu s famous anecdote begins It is a short parable about the relativity of perception written more than two thousand years ago Many of us have experienced similar situations and wondered at times if we could tell dreams from reality *Butterfly s Dream* expands Chuang Tzu s story into a surreal quest of adventure romance and self discovery at the end of the 18th century Despite the fantasy like atmosphere the novel accurately follows the laws of physics and would best fit into the hard sci fi category Alberto is the second lieutenant on Excelsior a military brig involved mostly on sea patrolling missions He has a keen interest in science and a mind inclined towards

**Hunger's Brides** W. Paul Anderson,2011-07-27 An epic novel of genius and obsession apocalyptic lyrical and erotically charged Spanning three centuries and two cultures Hunger's Brides brings to vivid life the greatest Spanish poet of her time Sor Juana In s de la Cruz and plumbs a mystery that has intrigued writers as diverse as Robert Graves Diane Ackerman Eduardo Galeano and Nobel laureate Octavio Paz Why did a writer of such gifts silence herself At the time of her death in 1695 Juana In s de la Cruz was arguably the greatest writer working in any European tongue yet she had never set foot in Europe Instead she was born among the descendants of the Aztec empire in the shadow of the mountain pass Cort s and his troops descended on their advance to Montezuma's capital A child prodigy from a barbarous wilderness her beauty and wit provoked a sensation at the viceregal court in Mexico City But at the age of nineteen still a favourite of the court Juana entered a convent and from that point her life unfolded between the mystery of her sudden flight from palace to cloister and the enigma of her final vow of silence signed in blood After a quarter century of graceful often sensuous poetry plays and theological argument Sor Juana chose silence which she maintained until she died of plague at the age of forty five Drawing on chronicles of the conquest and histories of the Inquisition myth cycles and archeological studies ancient poetry and early Spanish accounts of blood sacrifice Hunger's Brides is a mammoth work of inspired historical fiction framed in a contemporary mystery In the dead of a Calgary winter night a man escapes from an apartment in which a young woman lies bleeding in his arms he clutches a box he has found on her table addressed to him He is Donald Gregory a once respected now disgraced academic She is Beulah Limosneros one of his students and for a brief time his lover Brilliant erratic voracious she had disappeared two years earlier in Mexico following the thread of her growing obsession with Sor Juana Over the ensuing days and weeks as a police investigation closes in around him Gregory pieces together the contents of the box she

has left him a poetic journal of her travel in Mexico diaries research notes unposted letters and a strange manuscript part biography part novel on Sor Juana Hunger s Brides is a dramatic unveiling of three intimate journeys a man s forced march to self knowledge a great poet s withdrawal from the world and a profane mystic s pilgrimage into modern Mexico in which the bones of the past constantly poke through a present built on the ruins of the vanquished Excerpt from Hunger s Brides From the moment I was first illuminated by the light of reason my inclination toward letters has been so vehement that not even the admonitions of others nor my own meditations have been sufficient to cause me to forswear this natural impulse that God placed in me that inclination exploded in me like gunpowder Sor Juana in a letter of self defence written to a bishop in 1691 just before she took a vow of silence

**Diary of a Schizophrenic** Timothy June,2016-03-10 In this book you will follow the thoughts of a little boy growing up tiny details that later take on huge importance later How the enemy weaves lies all through our lives in our heads setting up traps to tear us from Jesus You will read of a touching story of saving a cats life by crude surgery when a hunter shoots it with an arrow Times in my life when all abandoned me including my family because I was too much bother I was left to rot in a VA hospital I somehow summoned enough strength to run away and force people to care even when they didnt want to Even on how I was led to sing the Star Spangled Banner over and over from inside an isolation room in a hospital where I was drugged by three gorillas and given a shot in the ass because I wanted to talk to the doctor in person before I took any medicine An instance when an orderly was attacked by a patient and I helped the orderly by jumping on the patients back There are all sorts of supernatural things that happened and only the love of Jesus kept me sane and not desire to seek revenge How the Holy Spirit healed me and taught me to forgive all the wicked things that happened How our system needs a serious overhaul and how doctors are given way too much power I hope you read this book and it gives you a little compassion for people Is it a big step from having a thought enter into your head and actually hearing the thought being spoken in your head You are used to thoughts coming to you but if it was out loud in your head you would probably react a lot differently
