handle the controls of the ship that had been his for so long He did not wish even to say goodbye to Johnny but there was no avoiding it The young officer was waiting for him as he came down the ramp and the deep concern he felt was not hidden in the least by his casually hearty grin Johnny held out his hand So long Burk You've earned this leave Have fun with it Burk Winters looked out over the vast tarmac that spread for miles across the ochre desert An orderly roaring confusion of trucks and flatcars and men and ships ore ships freighters tramps sleek liners like the Starflight bearing the colors of three planets and a dozen colonies but still arrogantly and predominantly Terran Johnny followed his gaze and said softly It always gives you a thrill doesn't it Winters did not answer Miles away safe from the thundering rocket blasts the glassite dome of Kahora Trade City for Mars rose jewel like out of the red sand The little sun stared wearily down and the ancient hills considered it and the old old wandering wind passed over it and it seemed as though the planet bore Kahora and its spaceport with patience as though it were a small local infection that would soon be gone He had forgotten Johnny Niles He had forgotten everything but his own dark thoughts The young officer studied him with covert pity and he did not know it Burk Winters was a big man and a tough man tempered by years of deep space flying The same glare of naked light that had burned his skin so dark had bleached his hair until it was almost white and just in the last few months his gray eyes seemed to have caught and held a spark of that pitiless radiance The easy good nature was gone out of them and the lines that laughter had shaped around his mouth had deepened now into bitter scars

Awaiting Apocalypse P. Corcoran, 1999-12-03 The current obsession with the end of the millennium illustrates the enduring power of the idea of endings This fascination cannot be simply dismissed as faulty logic a form of madness or a primitive survival of childish thinking Opening a path of understanding between ancient conceptions of meaning and the sceptical predicates of modern science *Awaiting Apocalypse* shows how ordinary and extraordinary endings are inherent in the narrative structure of human experience and the sedimentation of that experience as historical meaning

Tomorrow's History Simon Zadek, 2017-09-29 The last ten years have seen an extraordinary transformation in how business has to account for itself Today the air is thick with the buzz of corporate responsibility CR leaders innovators and practitioners Conferences and publications on the topic are in abundance the tip of an iceberg that has become a fast growth industry Many of those companies and service providers most vocal in distancing themselves from early experimentation have proved the strongest advocates of sustainability reporting often winning applause and coveted awards in the process Even companies from controversial sectors such as alcohol cigarettes and gambling have joined the party running up bills of tens of millions of dollars in demonstrating their new found faith for CR It has not always been like this As one of the architects of the burgeoning CR movement Simon Zadek has always been a prolific writer and contributor of ideas The evolution of his thoughts on new economics corporate accountability stakeholder dialogue social and ethical auditing and reporting have attracted consistent attention never more than today In this unique anthology Zadek crystallises his key work from the last decade into a coherent and fascinating whole which read together

provide a context lens and early history lesson on how CR has become one of the defining business issues of the 21st century The writings reflect Zadek s involvement with organisations such as the New Economics Foundation a pioneer in the development of social auditing sustainability indicators community finance and much more They illustrate his contribution in setting up the Ethical Trading Initiative and AccountAbility where he is presently the CEO in working with companies such as The Body Shop and Ben & Jerry s Power and Accountability Accounting for Change The Civil Corporation Partnership Alchemy and Responsible Competitiveness It will be an invaluable resource for anyone wishing develop an understanding of why corporate responsibility is where it is today and where it might end up tomorrow Digital Storytelling Shilo T.

McClean,2008-09-26 How digital visual effects in film can be used to support storytelling a guide for scriptwriters and students Computer generated effects are often blamed for bad Hollywood movies Yet when a critic complains that technology swamps storytelling in a review of Van Helsing calling it an example of everything that is wrong with Hollywood computer generated effects movies it says more about the weakness of the story than the strength of the technology In Digital Storytelling Shilo McClean shows how digital visual effects can be a tool of storytelling in film adding narrative power as do sound color and experimental camera angles other innovative film technologies that were once criticized for being distractions from the story It is time she says to rethink the function of digital visual effects Effects artists say contrary to the critics that effects always derive from story Digital effects are a part of production not post production they are becoming part of the story development process Digital Storytelling is grounded in filmmaking the scriptwriting process in particular McClean considers crucial questions about digital visual effects whether they undermine classical storytelling structure if they always call attention to themselves whether their use is limited to certain genres and looks at contemporary films including a chapter long analysis of Steven Spielberg s use of computer generated effects and contemporary film theory to find the answers McClean argues that to consider digital visual effects as simply contributing the wow factor underestimates them They are she writes the legitimate inheritors of film storycraft **Fiction Index Three** Gerald Brooks Cotton,1945
