Sabine Steger-Rivera,2008-01-01 The journey is the reward even though the actual target can no longer be seen In the past years I often lost my way This path of life began by following my dreams A path full of stones still blocking my way At the beginning there was so much love a love we felt was worth fighting for A love full of hope and desire between an Austrian woman and a strong unique Puerto Rican soldier The challenging path of life we walked together whilst living with the US army and trying to establish a home between our different worlds and cultures lead us to many joyful and sad hours The Poems of Schiller Friedrich Schiller,1883 Sara Came Back Belinda Fristoe Vaughn,2012-04-26 Austin Edmund can't sleep He's haunted by nightmares of a man in a dark hat and a little girl calling him home His daughter refers to the dark figure in his dreams as the boogeyman and she's seen the little girl too Austin wonders how that could be possible are people capable of sharing the same dream but he's distracted when he receives an invite to head home to Alabama to help his parents fix up the old family cabin Austin takes his wife Paige and their daughter Beth Ann back home to Decatur where they get the chance to rekindle their connection to Austin's parents Floyd and Opal Plus with Austin's experience as an architect and Paige's as a remodeler the log cabin will soon be livable again Austin is excited at the prospect and he scoffs at the silly idea that the cabin is haunted After all ghosts aren't real Beth Ann is visited by the young girl from Austin's dreams Her name is Sara and she travels with a dog named Maya The Edmunds soon realize that Sara isn't a playmate she's a restless ghost and she's struggling to protect them from a vengeful character known as Judas Judas preys on dreams and he wreaks havoc in their minds Soon the line between dream and reality becomes blurred and Sara is the Edmunds' only hope of staying alive and staying sane *The Becoming of a Hero* Pradnya Bivalkar,2023-12-14 Identity conflicts a prominent feature of our times a phenomenon of belonging somewhere yet belonging nowhere are increasingly finding their way into cinema This book looks at the representations of identity conflicts in India on the canvas of Indian cinema connecting them with broader socio-political developments in contemporary India Starting with the historical background of how political developments in Europe like the emergence of Nation states secularism modernity influenced socio-political developments in India in the past century the book looks at how those developments have shaped modern India While looking at the cinematic representations of a variety of identity conflicts through the lens of cultural and political analysis it provides insights into how the construct of an Identity and the inherent conflicts associated with it evolve and manifest themselves through the medium of a film

Revival Aida Besancon Spencer, Donna F.G. Hailson, Catherine Clark Kroeger, William David Spencer,2010-09-01 The Goddess Revival is a Christianity Today Book Award Winner 1996 All of the authors are clearly sympathetic to the problems women have faced in the church throughout its history They empathize with women who shun the patriarchal oppression of their churches to turn to goddess spirituality They are also solidly grounded in the Scriptures Christian theology and church

history They recognize the bondage imposed by goddess worship This book presents a scholarly and clear consideration of the issues involved and builds a strong case for Christianity as the most woman friendly alternative While providing a comprehensive study of goddess spirituality and examining the roots of the movement the authors focus primarily on God and the way people have understood God through the centuries in both paganism and the Judeo Christian tradition as both male and female They demonstrate how the uniqueness of God contrasts with the multiplicity of gods and goddesses in pagan spiritualities while comparing the values in both traditions that are similar that is a search for what is good inner empowerment unity positive social change In the process of building a clear Christian theology they gently counter the arguments of their pagan opponents In the end the reader is left with a glorious picture of the one true God and a clear apologetic for those in nursing who insist that the Christian God is too oppressive and patriarchal to merit our allegiance The appendixes provide a powerful case study of a young woman drawn into witchcraft She explains why it appealed to her then how it enslaved her and destroyed her marriage and other relationships The two final appendixes offer some excellent biblical studies on the issues raised in the book The total package provides an outstanding resource
