## Look Through Luke:

**Eating Your Way Through Luke's Gospel** Robert J. Karris, 2006 Robert Karris spreads before us a delightful feast of information about food themes in the Gospel of Luke In a lively style of writing Karris describes the food and drink popular in Jesus day eucharistic implications and the social roles Jesus assumes in relation to food *Look Through Luke* John Blanchard, 1977 *Vine's Complete Expository Dictionary of Old and New Testament Words* W. E. Vine, Merrill Unger, 1996-08-26 This classic word study resource allows you to study the meaning of biblical words in the original languages without spending years learning Greek or Hebrew A great resource for students seasoned pastors and anyone who enjoys biblical word studies even if they have little to no formal training in Hebrew or Greek Vine's Complete Expository Dictionary Contains over 6 000 key biblical words describing word frequency usage and meaning as fully as possible Serves as a dictionary commentary and comprehensive topical concordance all in one volume Includes the widely used numbering system found in The New Strong's Exhaustive Concordance of the Bible Contains an introduction describing the history of the languages in which the Bible was written and other orientating data on how the modern Bible came about This classic reference tool has helped thousands dig deeper into the meaning of the biblical text and will enlighten Bible students to the riches of God's truth in Scripture opening up God's word as it has never been opened before This is the most affordable complete edition of Vine's famous Old and New Testament dictionaries available *As the River Drifts Away* Diane T. Ashley, Aaron McCarver, 2012-06-01 Luke and Caroline may have wed too quickly Caroline Pierce never dreamed someone like Captain Luke Talbot would propose Ignoring any misgivings she marries the dashing captain and looks toward her happily ever after But soon their marital bliss turns into civil strife as they disagree on everything from slavery to faith As Union forces lay siege to Vicksburg will Luke and Caroline allow God to strengthen their love before it drifts away with the river *The Spiral Gospel* Rob James, 2022-09-29 How did the author of the Gospel of Luke intend it to be read In *The Spiral Gospel* Rob James shows that the assumptions many modern readers bring to the text that it claims to be historically factual or merely regurgitates existing stories are not those of antiquity Building on the central insight that it was written for a community who would have used it as their pre eminent text James argues convincingly for a continuous cyclical reading of Luke's narrative The evidence for this view and also its consequences can be seen in the gospel's intratextuality Context is given at the end of the gospel that informs the beginning and there are countless other intratextual elements throughout the text that are most readily noticeable on a second or subsequent reading This deliberate creative interweaving on the author's part opens up new levels of appreciation and faith for those who read in the way Luke's first audience received his work **The Nine Lives of Rose Napolitano** Donna Freitas, 2021-04-06 A deeply moving novel about a woman who thought she never wanted to be a mother and the many ways that life can surprise us An ode to possibility The Washington Post Rose Napolitano is fighting with her husband Luke about prenatal vitamins She promised she'd take them but didn't He promised

before they got married that he d never want children but now he s changed his mind Their marriage has come to rest on this one question Can Rose find it in herself to become a mother Rose is a successful professor and academic She s never wanted to have a child The fight ends and with it their marriage But then Rose has a fight with Luke about the vitamins again This time the fight goes slightly differently and so does Rose s future as she grapples with whether she can indeed give up the one thing she thought she knew about herself Can she reimagine her life in a completely new way That reimagining plays out again and again in each of Rose s nine lives just as it does for each of us as we grow into adulthood What are the consequences of our biggest choices How would life change if we let go of our preconceived ideas of ourselves and became someone completely new Rose Napolitano s experience of choosing and then choosing again shows us in an utterly compelling way what it means literally to reinvent a life and sometimes become a different kind of woman than we ever imagined A stunning novel about love loss betrayal divorce death a woman s career and her identity The Nine Lives of Rose Napolitano is about finding one s way into a future that wasn t the future one planned and the ways that fate intercedes when we least expect it
