L. Bradley,2015-01-25 Born in Chicago Illinois during the Great Depression the fictionalized author narrates for his children the story of his life in the Twentieth Century His account begins with the loss of innocence during childhood and concludes with realization of his pending last moments It is an account which moves him from a life among a little known religious sect The Brethren of Northern Illinois and Wisconsin through some of the defining moments of the Twentieth Century as experienced by one who both reflects about and acts upon that which is happening *The Man Who Could Make Things Vanish* Jack Cady,2016-11-01 What if you could make things vanish purely with a

simple effort of your mind What would you do Who would want to control that power Jack Cady in *The Man Who Could Make Things Vanish* releases a long pent up everyman rage against a system that is designed to terrorize inhumanize and degrade the human experience The secret organization behind this villainy is given a name here Mobilier and the only thing that can stop it from complete world domination is one man Cady an outspoken critic of the military industrial complex and over reaching government action turns his considerable talents to pose a scathing What if that is still terrifyingly relevant and cautionary today as it was when the book was first released twenty years ago This edition includes an introduction by Dale Bailey winner of the Shirley Jackson Award     *Telephony* ,1923     *The Keeper* Robert Cain,2025-03-18 Mariano Giovanelli is a twenty year old NHL goaltender playing for the Vancouver Canucks He is a rookie sensation at the peak of his season when his wife and the love of his life Angie tragically and unexpectedly dies giving birth to their first child Michael While grieving the death of his wife Mariano realizes he cannot be both a great father and a great hockey goalie Forced to decide between playing the sport he loves and raising his son Mariano with little hesitation chooses to focus his energy on being a parent Seventeen years later Michael is a top prospect in the NHL During a training camp Michael takes a hit that puts him in a coma Mary Mariano s spirited Italian mother tries to convince her thirty seven year old out of shape son into a comeback as a goalie arguably the most difficult and dangerous position in all of sports As Mariano watches his son fight for his life and struggle to learn how to eat talk and walk again he becomes inspired *The Keeper* part one of *The Keeper* series is a dual comeback story filled with love tears laughter motivation and Italian food Book Review Cain s classic comeback story captures the action on the ice with frenetic energy while portraying Mariano and his mother and son with a warmth that is often conveyed through their cooperation during good old Italian cooking Kirkus     [Business Exit Companion](#) Koos Kruger,2015-09-25 Even if youve only begun to think about launching a business its not too early to plan your exit Koos Kruger who advises business owners on transitions explores the important steps you need to take throughout the life of your company to unlock its full value when its time to make a transition In laymans terms he outlines the pitfalls that come with exiting a business and what you can do to avoid them Learn how to assess your current situation determine what your business is worth and how to maximize its value evaluate whether the time is right to make a transition reduce uncertainty among staff and family members and minimize taxes and fees associated with a transition Exiting a business must be carefully orchestrated planned and organized and its critical to take steps to head in the right direction before you get to the final destination Youll need time to execute your plan if you want to reap the rewards you deserve Change the way you look at the most valuable asset you own and build a brighter future for yourself and your loved ones with the *Business Exit Companion*     [Photography: The Art of Deception](#) ,2016-10-17 Photography is a lie Just think about it photographers create two dimensional images that sometimes even lack color and then expect everyone who views the image to believe that this is how the subject and scene appeared in front of the lens in real life What is truly amazing is that people fall for the visual

trickery readily almost as if they want to be deceived It gets better people still believe that one can photograph only what is really there In this book Irakly Shanidze reveals the smoke and mirrors that the best photographers use to surprise entertain and inspire viewers He explains that the individual features of photographer s perception and technical limitations of his equipment make him do things that may eventually make a picture look very different from how a viewer would see the same scene with a naked eye and can lead to a ruined picture Conversely photographers who understand these phenomena can use the aforementioned constraints to deliberately adjust the level of truthfulness in their pictures In each beautifully illustrated chapter Shanidze discloses the photographic tools that enterprising photographers can use to create visual deception e g to create a sense of dimension create day for night effects establish mood simulate candid photographs and generally suspend disbelief without the time consuming post processing In doing so he describes the image objectives in other words defines the image concepts and introduces the tools needed to achieve them whether a lens of a certain focal length a light of a specific wattage or a given shutter speed He also deconstructs some of his favorite images to show readers how he was able to create a chiseled deception of his own Armed with this book photographers will learn to truly take the reins in their photographic pursuits and deliver supercharged iconic storytelling images
