Spirituality: Looking Up to Heaven Greg Fernandez Jr.,2010-09-23 If we live we live to the Lord and if we die we die to the Lord So whether we live or die we belong to the Lord ROMANS 14 8This book encourages you to study the Bible to seek understanding of God tolerance of others to throw away your pride and celebrate the glory of God Jesus Christ and The Holy Spirit God has done so many miracles in my life God has taken me places I never thought possible How awesome is our God How awesome our God is Spirituality is a book for those who need spiritual encouragement This book is designed to get you excited about the Bible and understand that Jesus Christ is the answer to sin Reading about him will get you to understand what salvation is and how we can seek it We must serve instead of being served Follow God put this book down and read your Bible *The Chronicles of Rylet* Douglas Pickard,2015-05-21 Long ago a great evil appeared and nearly destroyed the entire world his name was Laccid Along with his army of shadow beasts he laid waste to anyone who stood in his path The only ones who were able to stop him were a group of warriors known as the elementals These five warriors each with the ability to control one of the elements defeated Laccid and his legions of shadow beasts but some escaped Those five elementals would go on to become the first Guardians of Nature But with the fear that another threat would come along in the future the elementals created weapons known as the element daggers These daggers would possess the soul of the previous guardians and change form when the new guardian is chosen Now five hundred years later the young elemental Rylet has the task of discovering which element power he will receive Will he get the power of fire like his father Blazent the current Fire Guardian Or will he get the power of wind like the Wind Guardian Soren his uncle And will the guardians of today be strong enough to face a new evil thats on the horizon Do they even have a chance of defeating a powerful foe from the past **My Little Brother and Me** Aleta Glynn,2023-05-22 Siblings are undoubtedly the first form of friendship This relationship fosters social skills that are needed to branch out into the world and form wonderful relationships with others My Little Brother and Me is a great example of sibling friendship and love This relationship builds not only friendship but also a life filled with trust and independence Mike is Jojo s older brother This story exhibits the exemplary relationship that has been formed between the two Also Mike understands that he is his brother s keeper Mike and Jojo invite you to take a look at how they relate to each other while going through the ins and outs of daily activities while ensuring they are protected For those with a younger sibling there s a natural sense of the need to protect Let s have fun looking into the sibling relationship of Mike and Jojo in My Little Brother and Me *Cajun Folktales* J. People of the Image Marc Michael Epstein, 2025-06-24 The Middle Ages provide us with one of the richest repositories of art in the West Yet the rise in the production of art made for and by Jews especially in the form of illuminated manuscripts is often neglected in general surveys or viewed as a mere emulation of Christian art during this period In *People of the Image* Marc Michael Epstein demonstrates how medieval Jews transformed their visual art into a vital site of critical commentary Through bold speculation and radical interpretation Epstein considers how viewers might have empathized with depicted emotions how they envisioned the relationship between the monstrous and the human and how they could effectively perpetrate subversive acts merely by anticipating what might occur next in a given image were it to be set in motion Examining these artworks and imagining the circumstances of their production and reception Epstein uncovers otherwise inaccessible social political and theological perceptions among Europe's major medieval minority He goes on to illuminate the afterlives of medieval Jewish art in its reimaginings by postmodern Jews struggling to establish a conceptual as well as a political space for themselves as a minority in majority Christian society Bringing together diverse currents from various fields and bodies of literature *People of the Image* reveals how medieval Jews understood themselves the world and God Provocative and engagingly written the book will appeal to audiences across medieval studies cultural studies art history and Jewish studies
