Erotic Love in Sociology, Philosophy and Literature Finn Bowring, 2019-08-22 Why is love taken for granted as a part of human experience And why is sexual or romantic love in particular so important to us This book aims to find out tracing the intellectual history of sexual love from the ancient Greeks to the modern day Erotic Love in Sociology Philosophy and Literature shows how discourses of love have intersected with social and cultural trends as well as with personal events and experiences Beginning with the queering of love in Greek antiquity it looks at how sexual love has been sung about fictionalized and theorized as a cornerstone of the formation of Western culture From the courtly love of twelfth century troubadours and the rise of affective individualism in the eighteenth century to the way the novel helped catalyze and crystallize the hopes and contradictions of love and marriage these are decisive episodes in the history of romantic love Lastly the book deals with how sociologists and feminist theorists have made sense of the liberalization of sexuality over the last fifty years especially given the post romantic pragmatism of commercialized dating practices Arguing against the over rationalism of intimate life Erotic Love in Sociology Philosophy and Literature recognizes the need to liberate love from patriarchal racist and homophobic prejudices and highlights the value of literary and sociological traditions to emphasize how they dignify the rhapsodies and the sufferings of love

read as a set of biographical documents or supplementary notes to his novels as fully independent literary work in the light of post modern critical theory The author carefully examines how Lawrence needed to misread his precursors the nineteenth century Romantics to establish himself as one of the modern poets What separates his poetry from his precursors is his self consciousness as a modern poet His search for radical freedom in language and his meta poetic exploration of a new poetic expression make him a true pioneer of the terra incognita in English poetry East Timor at the Crossroads Peter Carey,G. Carter Bentley,1995-09-01 In a rapidly changing post Cost War world where many age old conflicts and injustices are at last being put to rights East Timor stands out as a still unresolved tragedy In the past twenty years 1975 95 this former Portuguese colony has been under Indonesian military occupation an occupation responsible for the death of over 200 000 of its inhabitants a third of its pre 1975 population and the destruction of much of its indigenous society Yet despite enormous odds the people of East Timor continue to fight for the independence which was denied them in the mid 1970s Twenty years on there is now a very real chance for a new beginning in East Timor This book which brings together contributions by both East Timorese and Western specialists of East Timor provides a compelling account of the process by which a once isolated and traditional society has been forged into a nation with a deep sense of its own identity rooted it its unique religious cultural linguistic and historical heritage Indonesia is at last beginning to realize the cost of Third World colonialism and its Western allies are becoming less tolerant of its security state methods The last section of this book considers the new diplomatic initiatives which are currently in train under the auspices of the UN to bring about a resolution to the Timor problem without jeopardizing the integrity of the Indonesian Republic An extensive bibliography of titles on East Timor published between 1970 and 1994 will prove especially useful for scholars *Books in Print* ,1959 **Looking Ahead!** Alfred Morris,1892 **I Never Walked Alone** Jerry Hale,2012-11 I Never Walked Alone is the autobiography of my father Jerry Hale I feel very privileged to introduce you to his story It is the story of some of his boyhood events in Texas during the days of corn and cotton It tells of his move with his family to the Peace River country of Northern Alberta As you read this book you will know what it is like to carve a farm and ranch out of bush land raise a family of five children of which I am the eldest then ultimately lose his home to the Bank The story then unfolds as Jerry and his wife Rose move to Tatogga Lake in Northern British Columbia where they bought and successfully operated a Resort Tales of hard work blood and tears all woven together provide an entertaining yet informative story of my Father with God as his partner Manny Hale
