Samson's Diary Bob Arnone,2014-08-19 In an effort to protect her child from the harsh realities of her impending death Mary pours her heart into a diary her legacy to her challenged ten year old son Samson After her passing the grief stricken child writes longingly to his lost momma in the hopes that his fervent words might reach her in the great beyond Born with extraordinary powers found only in the primate world he is a mystery to the medical world His doctors know of a progressive tumor on his thyroid but even that can't explain his gigantism At ten he is 6'9" and weighs 175 pounds Nora his devoted nanny loves him as if he was her own flesh and blood and she does her best to encourage the boy When his mental abilities also begin to grow beyond expectations only his father believes that it is the work of Mary his dead wife At sixteen 7'6" and 275 pounds he's on the verge of harnessing his true potential Soon he's on his way to glory in professional sports and folk hero status but there's a powerful emptiness to his life Tragedy follows him everywhere He continues to write to his momma desperate to know why he keeps losing the ones he loves At nineteen undaunted by his doctor's fears that physical exertion will kill him he experiences a mystical transformation with his momma and a phalanx of angels to guide him When his body betrays him can they or should they save him

Take Another Look Pamela Harris Williams,2011-03 When you look at yourself in the mirror who do you see Do you see someone who is bold confident and determined or do you see someone who is timid shy and unsure How we see ourselves or our self perception can be an advantage that shines light on the pathway to our success or it can be the storm cloud that guides us to our demise How we perceive ourselves will ultimately determine the outcome of our lives be it victorious or disastrous and these perceptions tend to be affected by how others see us But there is only one precise standard we can use to measure the accuracy of our self perception the Word of God Unfortunately many of us will never experience the lives God has for us because we won t perceive ourselves as He does It s time for that to change We can and we will reclaim ourselves Once you discover who you are in Christ you can move toward the destiny God has for you In this inspirational book you ll find the key components to changing your life for the better Understand who you are in Christ via perceptions Move beyond negativity and wrong associations Rebuild those things that were once alive and vibrant in your life Experience complete restoration Increase your confidence in God and yourself Allow Pamela Harris Williams to provide you with a mirror so you can Take Another Look and see yourself the way God sees you
