## Looking At Jesus With Luke:

Looking at Jesus with Luke Marjorie Stewart, 1978-01-01      A Rabbi Looks at Jesus of Nazareth Jonathan Bernis, 2011-01-01 Raised in a traditional Jewish family international television host Jonathan Bernis was taught from a young age that Jews don't and can't believe in Jesus Yet in his study of the Bible including the Torah he found overwhelming evidence that Jesus of Nazareth really was the Jewish Messiah With warmth and transparency Bernis talks about discovering Jesus in history too and how it was that the Jewish Yeshua became the Gentile Jesus By presenting historic evidence that Jesus is Messiah and refuting common Jewish objections Bernis gives Christians the knowledge and tools they need to share their Lord with their Jewish friends in a loving effective way      *To Understand the Bible Look for Jesus* Norman L. Geisler, 2002-09-10 Believing the fundamental Christian claim that the purpose of the Bible is to present the Savior Geisler focuses on Christ as the unity and unfolding message of the whole of Scripture Christ is the tie between the Testaments the content of the canon and the unifying theme within each book of the Bible This book is basic to both Bible study and preaching and serves as an excellent guide to the Bible's central theme It encompasses far more than a study of types and the Old Testament prophecies Each chapter takes seriously the affirmation of Jesus Everything written about me in the law of Moses and the prophets and the psalms must be fulfilled Luke 24:44 Related to Geisler's central thrust that Christ is the clue to the whole Bible is the clear assertion concerning the inspiration of Scripture and the deity of Christ Chapter topics include 1 Christ Is the Key to the Bible 2 Christ in the Old Testament 3 Christ in Both Testaments 4 Christ in Every Section of the Bible 5 Christ in Each Book of the Bible 6 The Word of God Personal and Propositional Also included are a bibliography subject index and Scripture index      Looking on Jesus Madame Cecilia, 1912      A Rabbi Looks at Jesus' Parables Frank Stern, 2006-01-19 Intended to appeal to both Christians and Jews A Rabbi Looks at Jesus Parables is an introduction to the teachings of Jesus and compares the similarities and differences in Jesus thinking to other Jewish sources from first century Palestine Each chapter uncovers hidden messages within each of Jesus parables and discusses each parable within its first century religious and historical context The book attempts to build bridges of understanding between Christians and Jews by exploring the notion that we share a common history      A Look At Luke Kristen Reed, 2018-07-06 Discover a four week Bible study designed for Christians who are both new to and familiar with reading through their Bibles The reading plan includes six days studying Luke with study questions and one day of reflection in the Psalms Each day includes prayer prompts to help build a habit of praying without ceasing and cross references for related passages of Scripture in the Old and New Testaments      *A Theology of Luke and Acts* Darrell L. Bock, 2015-04-28 This groundbreaking work by Darrell Bock thoroughly explores the theology of Luke's gospel and the book of Acts In his writing Luke records the story of God working through Jesus to usher in a new era of promise and Spirit enablement so that the people of God can be God's people even in the midst of a hostile world It is a message the church still needs today Bock both covers major Lukan themes and sets forth

the distinctive contribution of Luke Acts to the New Testament and the canon of Scripture providing readers with an in depth and holistic grasp of Lukan theology in the larger context of the Bible I Howard Marshall A remarkable achievement that should become the first port of call for students in this central area of New Testament Theology Craig S Keener Bock s excellent exploration of Luke s theological approach and themes meets an important need in Lukan theology *A Layman Looks at Luke* Dick Dahlstrom,2022-08-09 I have written this look at Luke as a layman I am not a biblical scholar theologian or pastor As I have studied the book of Luke I wrote what I saw thought and I believe the Holy Spirit revealed to me This is not meant to be a commentary or academic thesis I am not capable of that Instead it is what I have come to see and love about Luke He was a layman and historian not one of the disciples or a prophet He was a doctor who was used by God to write inspired scripture Many think he is the only Gentile writer of the Bible As you read this book my prayer is that you will come to love Luke as I have *The Interpretation of St. Luke's Gospel 12-24* R. C. H. Lenski,2008-09-14 This item is part of Lenski New Testament In Twenty Volumes Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R C H Lenski s classic text now available again Even though its historical critical work has been surpassed the strong narrative quality accessibility and holy reverence for the Word of God Moody Monthly of Lenski s work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation *Matthew* Tyndale House Publishers,1999-06-26 You want your Bible study to help you grow make a difference and change your life This one will Life Application Bible Studies include thought provoking questions complete lesson format full NLT text and the most extensive commentary available in a Bible study booklet giving you everything you need to understand God s Word and apply it to your life The Studies include thirteen ready to use lessons to stimulate thought discussion and practical life application Study questions are thoughtfully arranged and there is generous space for writing answers as well as special application questions at the end of each lesson to help you map out your personal action plan With Life Application Bible Studies you have everything you need in one place FEATURES Contains the entire New Living Translation text of each book studied Study notes are easy to use and understand covering background history geography and culture Application notes help you apply God s Word to your life Contains charts maps and profiles of Bible people **'Hell': A Hard Look at a Hard Question** David J. Powys,2007-01-01 I welcome this rigorous examination of some of the many questions which are raised by the doctrine of hell At a time when it is rare to hear even heaven spoken about in our churches it is encouraging that this sober theme is once more in our sights It was plainly often on the lips of Jesus Nigel M de S Cameron Trinity International University Dr Powys has pursued a rigorous examination of the Scriptures He rivets our attention on what the New Testament actually says about the fate of the unrighteous This is a seminal work David Claydon Federal Secretary CMS Australia The author writing from a position of biblical conservatism has presented a powerful convincing and scholarly case for the view that the unrighteous will forfeit resurrection life in the Kingdom of God It

is in my judgment the most thorough treatment of the issue in recent years John W Pryor Macquarie University This book is an impressive thorough discussion of a thorny question Dr Powys is at home in many branches of biblical studies He examines the biblical evidence carefully and sets his case out lucidly and with real insight showing convincingly how ill founded are many ancient and many recent views on the fate of the unrighteous His own solution of a set of complex exegetical and theological issues is judicious and clearly the end result of careful thought from the Foreword by Graham Stanton University of Cambridge David Powys has made a significant contribution to an increasingly important debate His book's real strength lies in its very careful study of New Testament teaching in the light of a comprehensive analysis of the Old Testament and Jewish literature This literature is rightly seen not merely as background but as the key to a right understanding of the New Testament teaching I wish that such a clear discussion had been available when I first began engaging with these questions Stephen Travis St John's College Nottingham David Powys was educated at The University of Melbourne He gained degrees in arts and social work studied theology at Ridley College and was ordained in 1981 Dr Powys has ministered in four Melbourne parishes He is an Examining Chaplain to the Archbishop of Melbourne and a member of Archbishop in Council and National Synod He was awarded the Doctor of Theology by the Australian College of Theology in 1994 for his *The Hermeneutics of Hell* The present volume is a slightly abbreviated version of that dissertation

**Besorah** Mark S. Kinzer, Russell L. Resnik, 2021-06-09 The gospel of the life death and resurrection of Jesus of Nazareth has healed countless lives over the centuries but the gospel itself has been wounded through neglect of one of its main components The books of Luke and Acts reveal that the death and resurrection of Jesus are linked inextricably to the destruction and promised restoration of Jerusalem the city that personifies the Jewish people as a whole To highlight this expanded understanding of the gospel Mark Kinzer and Russ Resnik unpack the Hebrew term for gospel besorah as a prophetic message of salvation for Israel and all nations In Luke's besorah the death and resurrection of the Messiah are a sign of the coming judgment and restoration of Jerusalem and the Jewish people a restoration that brings with it the renewal of all creation This prophetic dimension of the besorah is a key to healing the fractured gospel and restoring its power amidst the strife and tumult of the twenty first century
