Looking At Type The Fundamentals:

Looking at Type Charles R. Martin, 1997 Looking at Type The Fundamentals is designed to give a clearer picture of results from the Myers Briggs Type Indicator assessment tool This insight can enrich relationships aid decision making processes and increase sense of self worth and personal competence The book includes the basic nature of type as a dynamic model of personality and lifelong development Detailed descriptions of all 16 personality types are included Each description indicates unique paths to personal growth achievement and applications of type in daily life Includes the role of type in relationships communication and problem solving

Quick Guide to the 16 Personality Types and Career Mastery Charles R. Martin, 2003

Teaching Jung Kelly Bulkeley, Clodagh Weldon, 2011-09-15 This book offers a collection of original articles presenting several different approaches to Jung's psychology in relation to religion theology and contemporary culture The contributors describe their teaching of Jung in different academic contexts with special attention to the pedagogical and theoretical challenges that arise in the classroom

Testing and Assessment in Counseling Practice C. Edward Watkins, Jr., Vicki L. Campbell, 2012-12-06 The primary purpose of this revision remains identical to that of the first edition to show how key personality cognitive behavioral and vocational tests assessment procedures can be used by counselors in their work with clients Too often assessment books only provide the reader with information about tests and assessment procedures They do not however take the next step showing readers how these tests assessment procedures can be used and integrated into the actual work of counseling This revision is designed to fill that void Chapter authors all of whom are experts in their respective topic areas share the theoretical and research backgrounds about a particular test assessment procedure and then provide a case example or examples to show how assessment data can be meaningfully incorporated into the counseling process
