Looking Back On Schweitzer:

Looking Back on Schweitzer Jack Fowler, 1991-01-01 *The Restoration of Albert Schweitzer's Ethical Vision* Predrag Cicovacki, 2012-04-26 In 1913 Albert Schweitzer 1875 1965 left his internationally renowned career as a theologian philosopher and organ player to open a hospital in the jungles of Africa There he developed in theory and practice his ethics of reverence for life When he published his most important philosophical work *The Philosophy of Civilization* few people were serious about treating animals with dignity and giving any consideration to environmental issues Schweitzer's urge was heard but not fully appreciated One hundred years later we are in a better position to do it Predrag Cicovacki's book is a call to restore Schweitzer's vision After critically and systematically discussing the most important aspects of the ethics of reverence for life Cicovacki argues that the restoration of Schweitzer does not mean the restoration of any particular doctrine It means summoning enough courage to reverse the deadly course of our civilization And it also means establishing a way of life that stimulates striving toward what is the best and highest in human beings **Albert Schweitzer** James Brabazon, 2022-09-01 The second edition of this biography of humanitarian Albert Schweitzer has been updated to include documents discovered since the work was originally written including the letters between Schweitzer and Helene Bresslau written during the ten years before their marriage This correspondence tells of a complicated love story and throws a completely new light on Schweitzer's personality and the genesis of his decision to go to Africa The author's ongoing research has also included more recently released documents from the State Department regarding Schweitzer's battle with the United States Atomic Energy Commission to halt H bomb tests Schweitzer George N. Marshall, David Poling, 2000 He was an accomplished organist and interpreter of Bach a crusader for world peace and a winner of the Nobel Peace Prize He made his philosophy of reverence for life an ethic for the world The hospital he founded in Lambaré in Gabon is still in operation in present day Gabon is a model of what Europeans might have given to Africans throughout colonial history But above all Albert Schweitzer 1875 1965 was a talented and compassionate human being This biography probes beyond the timeworn image of Schweitzer as the old man in the pith helmet to reveal the philosopher scholar husband father humanitarian and liberal rebel in a conservative church **The Secret Legacy of Jesus** Jeffrey J. Bütz, 2009-12-21 Shows how the true teachings of Jesus were passed down through the centuries and shaped the vision of the Founding Fathers Reveals for the first time the hidden link that connects James the Brother of Jesus the Cathars the Knights Templar and Freemasonry Shows how the Founding Fathers used these teachings enshrined in Masonic principles to build a new nation With the success of Paul's desire to impose his vision for the Church the true teachings of Jesus as preserved by his family and disciples were forced into hiding This clandestine movement was evidenced by such early groups as the Nazarenes Ebionites and Elkesaites but is generally thought to have died out when the Church of Paul branded these groups as heretics However despite the ongoing persecution by the Roman Catholic orthodoxy this underground Jewish strain of Christianity was able to survive and

resist incorporation into its more powerful rival Jeffrey B tz author of *The Brother of Jesus and the Lost Teachings of Christianity* reveals for the first time the hidden theological link that connects James the Brother of Jesus and the Ebionites with the religion of Islam the Cathars the Knights Templar and Freemasonry In *The Secret Legacy of Jesus* B tz demonstrates how this centuries old underground stream of Christ s original teachings remained alive and how it surfaced again in Colonial America where the Founding Fathers used Masonic principles rooted in Jewish Christian teachings to establish what they believed would be a New Jerusalem With the rise of a fundamentalist Christianity this potent spiritual vision was lost but B tz contends it can be recovered and used to bring about the reconciliation of Christians Jews and Muslims throughout the world

The Goldilocks God Guy Collins,2022-08-22 *The Goldilocks God* Searching for the via media explores the fertile middle ground between toxic Christianity and militant atheism Can Christianity be intellectually credible Why do our past failures and breakages offer comfort and hope How does the via media of Anglicanism offer tactics for dealing with contemporary challenges and uncertainties Whether exploring mystic Hildegard von Bingen strategic thinker Queen Elizabeth or theologians Jean Luc Marion and Sarah Coakley readers venture into a Trinitarian Goldilocks zone of faith hope and love Guy Collins makes a creative and heartfelt case for a spiritual thermodynamics of trial and error promise and glory Illuminating ancient Christian practice with cutting edge philosophy and theology he reveals the lifelong habits that are just right for encountering the mystery of God *Jesus, Q, and the Dead Sea Scrolls* Simon J. Joseph,2012 Originally presented as the author s thesis Ph D Claremont under the title *Q the Essenes and the Dead Sea Scrolls* a study in Christian origins

The Romanovs: The Final Chapter Robert K. Massie,2012-09-18 A masterful *The Washington Post* Book World account of the quest to solve one of the great mysteries in Russian history from the Pulitzer Prize winning author of *Peter the Great* *Nicholas and Alexandra* and *Catherine the Great* Riveting unfolds like a detective story *Los Angeles Times* Book Review In July 1991 nine skeletons were exhumed from a shallow mass grave near Ekaterinburg Siberia a few miles from the infamous cellar room where the last tsar and his family had been murdered seventy three years before But were these the bones of the Romanovs And if these were their remains where were the bones of the two younger Romanovs supposedly murdered with the rest of the family Was Anna Anderson celebrated for more than sixty years in newspapers books and film really Grand Duchess Anastasia *The Romanovs* provides the answers describing in suspenseful detail the dramatic efforts to discover the truth Pulitzer Prize winner Robert K Massie presents a colorful panorama of contemporary characters illuminating the major scientific dispute between Russian experts and a team of Americans whose findings along with those of DNA scientists from Russia America and Great Britain all contributed to solving one of the great mysteries of the twentieth century

Reverence for Life Ara Paul Barsam,2008-01-29 Albert Schweitzer maintained that the idea of Reverence for Life came upon him on the Ogowe River as an unexpected discovery like a revelation in the midst of intense thought While Schweitzer made numerous significant contributions to an incredible diversity of fields medicine music biblical studies philosophy and

theology he regarded Reverence for Life as his greatest contribution and the one by which he most wanted to be remembered Yet this concept has been the subject of a range of distortions and misunderstandings both academic and popular In this book Ara Barsam provides a new interpretation of Schweitzer s reverence and shows how it emerged from his studies of German philosophy Indian religions and his biblical scholarship on Jesus and Paul By throwing light on the origin and development of Schweitzer s thought Barsam leads his readers to a closer appreciation of the contribution that reverence makes to current ethical issues Whereas previous commentators have focused on reverence for life as a philosophical ethic located in that tradition this book demonstrates that it is in fact Schweitzer s theology that provides the hitherto undiscerned foundation for his ethic Even among those who herald Schweitzer as the one who brought reverence to Christianity there exists a tendency to underemphasize how his thinking also developed from his pivotal encounter with Indian religions As Barsam shows it is impossible to grasp the nature and the significance of Barsam s contribution without addressing that link Life centered ethics in the broadest sense have continued to flourish yet Schweitzer s pioneering contribution is often overlooked Not only did he help establish the issue on the moral agenda but most significant he also provided much sought after philosophical and theological foundations Schweitzer emerges from this critical study of his life and thought as a remarkable individual who should rightfully be regarded as a moral giant of the twentieth century

Stephen J. Cannell Television Productions Jon Abbott,2009-09-12 The face of 1980s television was shaped by a man who stayed behind the scenes Stephen Cannell s reluctant white knights put upon private eye James Rockford World War II fly boys the Black Sheep Squadron hapless superhero Ralph Hinckley fugitive mercenaries the A Team and maverick cop Hunter traversed the television landscape from the 1970s to the 1990s Cannell changed the face of the action adventure genre updating the crime show format with a hybrid of rebellious morality juvenile wit intelligent sarcasm and radical conservatism This book discusses in detail the programs of the writer producer and lists every episode of his award winning productions from the early 1970s to the early 90s The book features publicity photos and descriptions of unsold pilots

Albert Schweitzer Jackson Lee Ice,1994 This book explores the deeper meanings and implications of Schweitzer s ethical and theological thought in the context of his life and work as a jungle doctor philosopher and musician It provides a careful study of Schweitzer s deceptively simple ethic of Reverence for Life debating such questions as Did Albert Schweitzer believe in God What did he believe about Jesus Was Albert Schweitzer a racist Co published with the Albert Schweitzer Institute for the Humanities

All We Buried Elena Taylor,2020-04-07 An amateur sheriff confronts the long sleeping secrets of her small Washington State mountain town in this dark twisty mystery for fans of Julia Keller and Sheena Kamal Interim sheriff Elizabeth Bet Rivers has always had one repeat nightmare a shadowy figure throwing a suspicious object into her hometown lake in Collier Washington For the longest time she chalked it up to an overactive imagination as a kid Then the report arrives In the woods of the Cascade mountain range right in her jurisdiction a body floats to the surface of Lake

Collier When the body is extricated and revealed no one can identify Jane Doe But someone must know the woman so why aren't they coming forward Bet has been sitting as the interim sheriff of this tiny town in the ill fitting shoes of her late father and predecessor With the nightmare on her heels Bet decided to build a life for herself in Los Angeles but now it's time to confront the tragic history of Collier The more she learns the more Bet realizes she doesn't know the townspeople of Collier as well as she thought and nothing can prepare her for what she is about to discover **Albert Schweitzer** Nils Ole

Oermann,2016-11-10 This biography provides a versatile insight into the life work and thought of Albert Schweitzer 1875-1965 Nils Ole Oermann offers a detailed account of the multifaceted life of Albert Schweitzer who was a theologian organist philosopher physician and medical missionary Schweitzer's life was not a straight path from the parsonage in Alsace to the University of Strasbourg then on to the hospital in Lambarene and ending with the Nobel Peace Prize in Oslo In every life there are highs and lows victories and defeats and Schweitzer's life was no exception These ups and downs however are barely discernible in Schweitzer's 1931 autobiography Out of my Life and Thought where he presents his life as an enormous purposefully constructed edifice the cornerstone of which was the principle of Reverence for Life and the almost inevitable outcome of which was the Nobel Peace Prize To date biographers journalists and hagiographers have told and retold the story of Schweitzer following this basic pattern with relatively little critical modification Their Schweitzer was a man whose demeanour and charisma set him apart from other intellectual giants of his time But not everything Schweitzer records in his autobiography corresponds with what is found in the archives and in his unpublished writings It is on the basis of these historical sources and more recent publications that Oermann attempts to sketch a more realistic picture of Albert Schweitzer Oermann draws on newly uncovered personal papers which shed light on Schweitzer's dealings with the East German authorities and his role in the anti nuclear movement He also builds on a number of interviews from those associated with Schweitzer most notably his daughter **Broken Hallelujah** Darren J. N. Middleton,2007-01-01 Marking the fiftieth anniversary of Kazantzakis's death author Darren J N Middleton looks back on Kazantzakis's life and literary art to suggest that contrary to popular belief Kazantzakis and his views actually comport with the ideals of Christianity **The Coming Crisis** Mark Chapman,2001-09-01 This is a compelling case study of a distinctive theological theme the eschatological interpretation of the historical Jesus in Edwardian England as an attempt to add greater precision to the history of theology in a neglected period Looking at the impact of Adolf Harnack Alfred Loisy Albert Schweitzer and Johannes Weiss on biblical studies and theology before the First World War Chapman argues that the future course of theology in which eschatology played such a crucial role was already mapped at this time Assessing the work of William Sanday F C Burkitt and George Tyrrell Chapman looks at the theological diplomacy between Britain France and Germany and uncovers a cultural crisis that made eschatology such an appealing idea **The Historical Jesus of the Gospels** Craig S. Keener,2012-04-13 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early

Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history Albert Schweitzer's Legacy for Education A. Rud,2011-01-03 This is the first book devoted to the study of the thought of Albert Schweitzer as it relates to educational theory and practice Rud argues that Schweitzer s life and work offer inspiration and timely insights for both educational thought and practice in our new century

The God of Jesus Stephen J. Patterson,1998-04-01 This book is the result of the author s involvement with the Jesus Seminar The premise is that the quest for the historical Jesus has always been closely related to the Christian search for God and that this is both good and necessary provided that one properly understands the relationship between history and theology and does not confuse the two Patterson develops s theology that might properly be called a Jesus Theology and it is here that his contribution to the discussions of and about Jesus makes it a most distinctive contribution »*A Stranger and an Enigma*« James Carleton Paget ,2025-07-03 **The Christian Advocate** ,1922
